Are You Interested in Volleyball Class

Community Service Inc., your recreation service announce the opening of a Volleyball class for business and professional men in the community. The class will start meeting tonight and every Thursday night at 7:45. It will meet in the gymnasium of the Elm Place school.

If you are not now participating in some form of health building sport you should join us in our play. Volleyball is a great game, a game in which you need not be an expert in order to enjoy playing the game.

All business and professional men are invited to attend this Community Volleyball class. Come over to Elm Place school gym tonight and learn more about this new activity. Mr. George Scheuchenfug known by many as Mr. X Y Z will be there as the leader of this class.

Glencoe Girl Badly Injured in Collision

Miss Mary Lu Kinsel of Glencoe suffered a broken nose, several broken teeth and other injuries, when the car in which she was riding with Russell Clavey smashed into a car in front of them which was forced to stop suddenly. The accident occurred on South Green Bay road last Sunday evening. It is reported the accident occurred when F. J. Shelton of S. Green Bay road backed out of his driveway in front of a car headed north, which was forced to stop suddenly in order to avoid a collision with him. Clavey, who was driving in back of the other car, could not stop fast enough to avoid the smashup. Clavey's car was badly wrecked.

If it had not been for the shatterproof glass in Clavey's car Miss Kinsel would probably have gone through the windshield and have been killed.
