Do you want to cut down expenses? Doing your washing and ironing at home will save money every week. And it's wonderfully easy when modern machines do all the work. The Thor washer cleanses clothes gently and thoroughly without preliminary soaking or rubbing. An electric ironer hurries through the ironing while you're sitting comfortably in a chair.

For a few more days only \$2.50 down—only \$4.10 a month—will buy this Thor washer—or this Conlon Ironer—or a Thor ironer. Visit your Public Service Store today and let us show you how easy and economical home laundering can be.

About the Public Service Company:

Several outstanding facts about this Company probably are not as well understood as I think they should be. (1) It is purely an operating company and is not owned or controlled by any other company. (2) The majority of its stockholders live right here—it is "home owned". (3) All of its officers and employes live here. (4) Its future is irrevocably dependent upon the growth and prosperity of northern Illinois.
