

**Bannockburn Garden Club Holds Meeting**

Mrs. Charles Burghart was hostess at the November meeting of the Bannockburn Garden club on Monday afternoon at her lovely home. Mrs. Edith Barnum of Winnetka gave an illustrated talk on the architecture and structure of gardens and her slides of north shore gardens and many in Louisiana were delightful and veritable fairy lands.

Officers to serve for the coming year are:

President, Mrs. Marshall L. Doty; vice president, Mrs. Harry D. Wright; recording secretary, Mrs. Edward Seese; corresponding secretary, Mrs. Arthur H. Harrison; treasurer, Mrs. Paul Fuller.

The project for the Plant, Fruit and Flower guild of which Mrs. A. H. Harrison has served so capably as chairman, has been very gratifying. During 1931, the first year,

they sent forty-four boxes of vegetables and flowers and in 1932, eighty-one boxes of vegetables and flowers, also fifteen dozen eggs.

The sandwich project for Northwestern Settlement is to be a community affair not sponsored by the garden club. Volunteers from the community will act each Tuesday in the collection of them, labeling them and sending them with the Deerfield contribution.

There will be no December meeting of the Bannockburn Garden club. A trip to the Garfield Park Conservatory to visit the chrysanthemum show, in which the members will go as a body, will take the place of the monthly meeting.

Mrs. H. G. Wright and Mrs. R. W. Farmer poured at the very delightful tea served by the very charming hostess, Mrs. Burghart, which closed a very pleasant afternoon.

**Purcell Says Ford Leading in Sales**

"For the fourth consecutive month since volume deliveries of the new Ford V-8 began, Ford led all competitors in September in sales of passenger cars, commercial cars and trucks," said Richard Purnell, of Purnell & Wilson, Inc., Highland Park Ford dealers, this week.

"Ford's total of passenger car sales for the four-month period was 150,831 units, which compared with 107,788 for its nearest competitor, while Ford commercial car and truck scales totaled 25,532 units as against 20,120 for that competitor."

**Hoover's Lead Here in Straw Pool, 114-110**

President Herbert Hoover's lead over Gov. Franklin D. Roosevelt in The Literary Digest's presidential straw vote in Highland Park was 114 to 110.

These figures were released by The Digest a few days before its final returns were tabulated, and it is believed that they represent the total votes cast in the straw poll in this city.

Evanston surpassed Chicago in the amount of building permits issued during October, according to figures compiled and issued by the building department at the Evanston City hall. Evanston's total—the highest this year—was \$191,950, or \$40,075 greater than Chicago's reported total of \$151,875 for the month.

**George Bock Bowls High Series in League**

Fell's Shoes opened the second week of the Business Men's Bowling league held at the Majestic Bowling Alleys by winning three games from the Highland Garage. The Highland Sweet team took two games from the H. P. Beverages.

On Thursday, Bock's Service station defeated Louis Quick Shoe two of the three series, and Santi Bros. Dairy won the entire three from the Lincoln Market boys.

George Bock, leader of Bock's team, was high man in the series with a score of 593 for three games.

Much enthusiasm and excitement is being shown in the league and, Mr. A. Lencioni, manager of the alleys, cordially invites the public to watch all the league games.

The Women's league is attracting many local women bowlers and pretty soon they'll be "showing up" the male bowlers, states one of the enthusiasts.

**Tonight's Schedule**

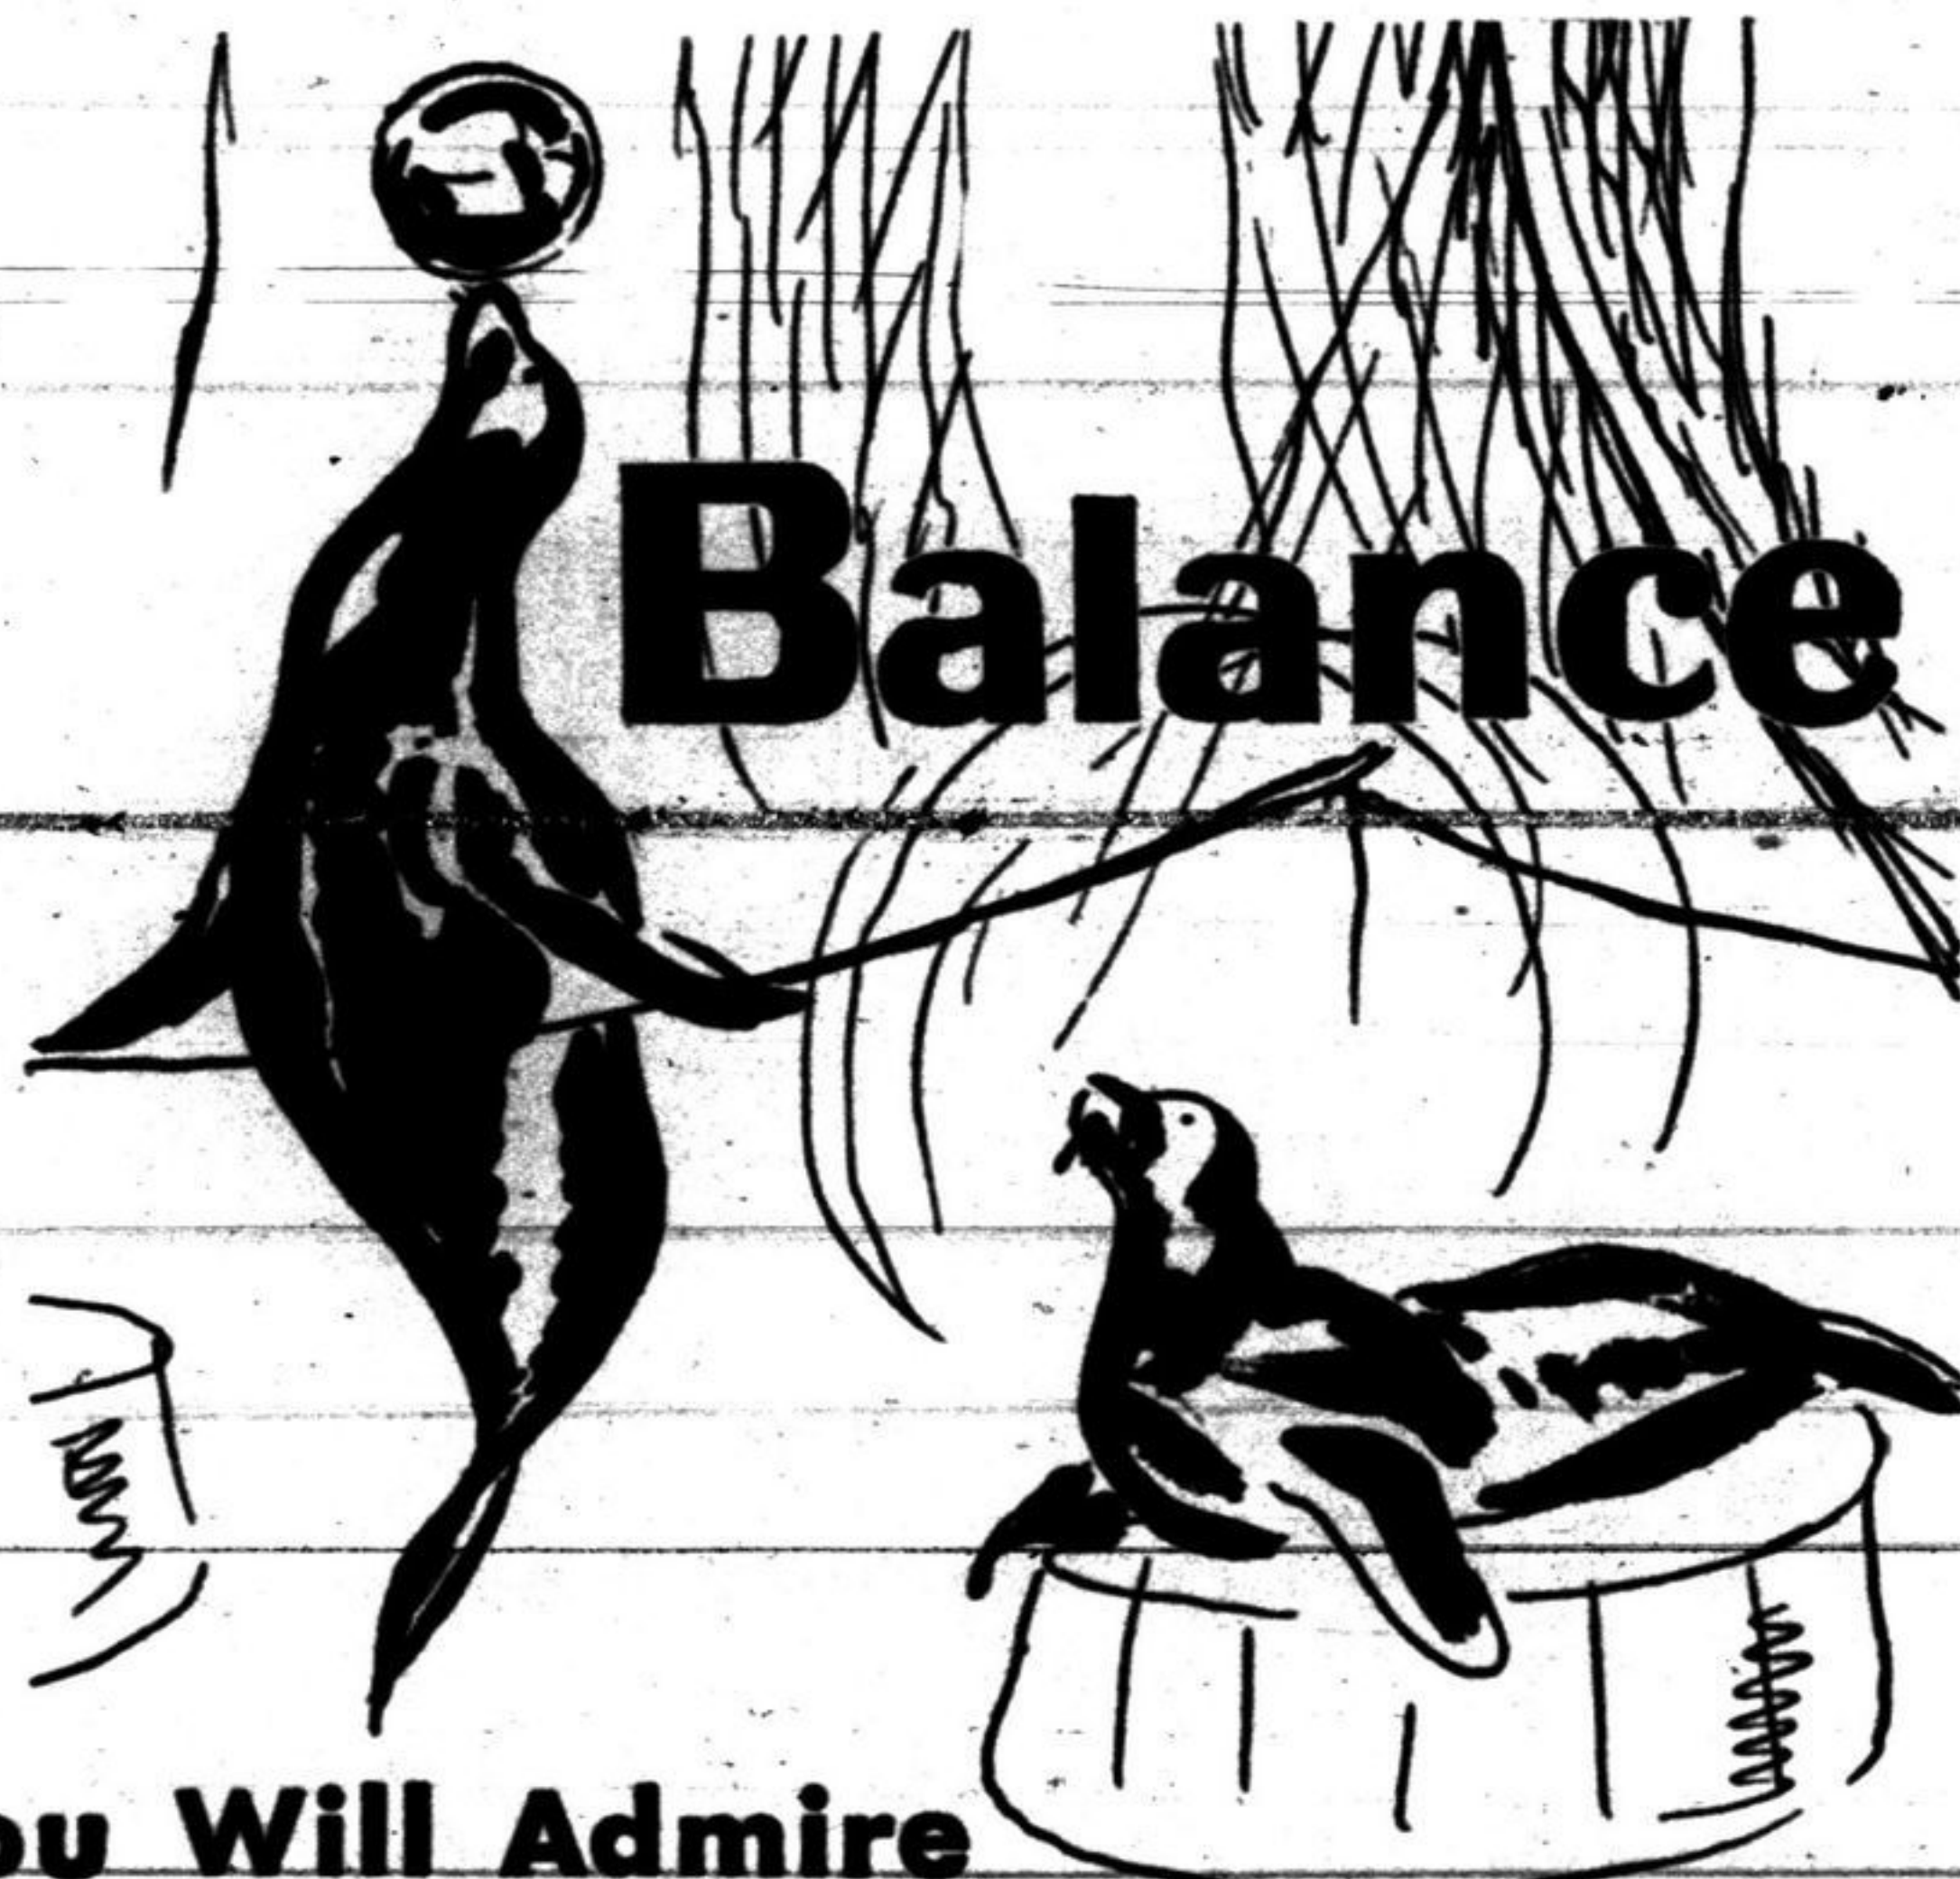

Santi Bros. Dairy vs. Louis Quick Shoe, Highland Sweets vs. Highland Garage.

Next Wednesday's schedule is is Fell's vs. Highland Sweets, Highland Garage vs. H. P. Beverage.

**Work of Artist on Display at Academy**

Mrs. Roger S. Van, Mrs. Robert Finley Walker, Mrs. Hubert P. Harmon, and Mrs. Harold A. Wampler are among the Highland Park ladies who have viewed the decorative screens and panels of the eminent Bavarian muralist, Prof. Julius Moessel, which are being currently exhibited in Reid Hall, Lake Forest Academy.

The exhibit, which is Professor Moessel's first "one-man" show in America, is attracting much favorable comment among North Shore art lovers. It is the first of a series of lectures and exhibitions planned for the coming winter in conjunction with the regular "shows" of the students of the art department of Lake Forest Academy.

**You Will Admire**

the Magazine Repeating Razor. It feels good in the hand. Its remarkable design gives a shave that is professionally correct. And 20 super-keen blades in the handle insure unfaltering service. You summon up a fresh blade instantly when needed—without touching either old or new blade! Complete with clip of 20 blades \$5. Ask your dealer to show you.
