**What Is Precision?**

Real precision when applied to eyeglass lenses means—absolutely uniform accuracy not in the center only but from edge to edge.

Often we replace alleged bargain lenses with our precision ground lenses which eliminate marginal distortion entirely.

Carl Zeiss (Jena) Punktal and other precision ground lenses are always to be had at the Almer Coe stores. For nearly half of a century we have maintained our traditional reputation for highest quality ophthalmic lenses.

You get added comfort with precision ground lenses.

Heaphy	r.e.	Irving
All are injured	q.b.	Allen
Mesec	l.h.	Divinsky
Morris	r.h.	Johnston
Butkus	f.b.	Axton

Deerfield-Shields luckless football team winds up its 1932 season next Saturday when they travel to Waukegan to compete with Coach Mark E. Wilson's strong aggregation of gridders.

Waukegan has gone through its schedule without much opposition, having scored 112 points to their opponents 36. Their only defeats were administered by Thornton and Evanston, who succeeded in coming out on the long end 13-0 and 14-0 respectively.

Coach Wilson has a capable man in every position except quarterback, which is uncertain because of injuries. Last year Waukegan romped over the Blue and White 21-0, which goes to show that the coming encounterment will be no easy work-out.

Having won most of their games, Waukegan has every reason in the world to be confident in winning Saturday. The Northern boys' outstanding victory was that over West Allis of Milwaukee. Waukegan lost to Evanston 14-0 in one of the earlier games played, while Deerfield was trampled on 32-6.

**Book Fair at Thrift Shop Begins Nov. 14; Children's Book Week**

During Children's Book Week, which begins on Monday, November 14th, the Thrift Shop is to hold a Book Fair at which the best of the new children's books, as well as many of the "old reliables" will be on display, from which orders may be placed for immediate or Christmas delivery, or delivery at any time desired.

A judge, failing of re-election, was made cashier of the local bank. A man presented a check to be cashed. "Don't know you," greeted the new cashier.

The customer produced a Wall Street credit card, a business card, and a lot of letters addressed to himself.

"Not sufficient proof of identity," said the cashier, pushing the check back.

"Why, Judge" protested the man, "I've known you to hang a man on less evidence than that."

"That may be," said the Judge, "but when you're paying out money you have to be careful."—Poultry Facts.

**OLD ENGLISH STYLE USED IN ART ROOM**

(From the Shoreline)  
 Using the Old English period of decoration as a motif, Miss Kerfoot's art appreciation class has transformed a room in the industrial arts building, formerly used as a shop, into an art workroom.

The work of remodeling the room was begun by the vocational boys, under Mr. Durbahn, who built a fireplace and a balcony.

Since the beginning of the year the art appreciation class has made amazing progress with the decoration of the room, which will probably be finished by Visiting Night, November 10.

Replicas of shields used in medieval days have been reproduced in gelatine and put in the windows to give the effect of stained glass. These were made by Mary Wilder, Jeanette Morrison, Theresa Scavuzzo, Louis Axen, and Luella Willman.

Other articles of furniture and decorations that have been finished are a bookcase, made by Edward Rogan; a wooden screen, made by Kenneth Niebuhr and Herbert Hertel; seat pads for the fireplace benches, by Dorothy Peterson and Jeanette Reeb; curtains, Dorothy Peterson and Florence Koller; a wood box, Kenneth Niebuhr;

hearth made of tiles for the fireplace, Ernest Hertel and Florence Koller; and a motto to be hung over the fireplace "Art hath an enemy called ignorance," painted by Tom Chavis.

Caroline Hofflander and Alexandria Johnson decorated the rear door with hinges and paint, and Tom Chavis designed the lighting fixtures which will be installed under the balcony.
