The annual Father and Son dinner of the Bethany Evangelical church will be held Friday evening at 6:30 sharp. In addition to the message from Judge Person, Mr. F. A. Render of Chicago will be present to entertain the boys with some of his black magic tricks. Any old magazines containing colored advertisements or pictures which children would enjoy will be welcomed by the Girl Reserves, who are making scrap books, which are to be given to the children at the Highland Park hospital, Cook County hospital, and Presbyterian hospital. The more magazines available, the more suitable pictures they can find, and the greater the number of scrap books which can be made. Anyone having magazines to give is asked to bring them to the Y.W.C.A. or to phone Mrs. Carl Bingham, who will see that they are called for.

Milk May Be Cut To Nine Cents a Quart

Milk prices in Waukegan and North Chicago will be cut to 9 cents a quart today, Dec. 1, and it is thought that other north shore towns will also be buying nine-cent milk soon.

The action follows a similar Chicago cut of two cents a quart, from the previous price of 11 cents a quart. Prices in other north shore towns are expected to be lowered, since the Chicago level has always been followed.
