

Boy Scouts News

CUB PACK PLAYS SLEUTH

Cub Pack 86 met last Saturday at the church on the corner of Green Bay road and Laurel avenue to have their regular meeting. First they came to attention and saluted the flag. Then they played a relay game and a few guessing games. Then a den chief and the assistant cubmaster set out to lay a trail for the Cubs, who had divided themselves into two groups, to follow. About five minutes after the den chief and assistant cubmaster had started out Group 1 set out on what proved to be a hot pursuit. A few minutes later Group 2 set out. One of the members of Group 2 caught up with the two foremost members of Group 1, and three Cubs led the hot pursuit and caught up with the den chief and assistant cubmaster, so winning the game.—Scribe for Cub Pack 86, Robert Mack Jr.

TROOP 36 HOLDS FIRST REGULAR MEETING

Troop 36 of St. James school, Highwood met on Friday at St. James hall for its first regular meeting of the year, 1932. The meeting was opened by the assistant scoutmaster, George Liske, with the flag ceremony. After that came a business meeting which resulted in the division of the troop into two factions. The older boys were organized to form a Sea Scout patrol, while the younger boys were organized into patrols for fundamentals in Scouting. A talk was given by the scoutmaster, Louis Young, on the Principles of Scouting. Following that games were played. The meeting was then turned over to the assistant-scoutmaster who took the younger group of Scouts for some test passing while the older Scouts were drilled in some new phases of Scouting. The meeting adjourned promptly at 9 p.m.—Junior Assistant Scoutmaster Ambrose Cantagallo.

NIGHT FOOTBALL TROOP 48 INNOVATION

The Scouts of Troop 48, Lake Forest, met on Friday, Nov. 25 in the Cabin in the Woods to receive awards earned at a previous board of review. After getting their awards they all rushed out to the field to play "Night Football," a game perfected by the boys themselves. After this they went back to the Cabin where they played a game called "O'Clock." However, it was drawing near 9 o'clock so Mr. Neale ended the meeting with the Scoutmaster's benediction.—Walter Matson, Troop 48, Lake Forest.

AREA COUNCIL REPRESENTED AT MEETING

Over 80 men from the North Shore Area council attended the Region 7 annual banquet last Tuesday at the Drake hotel. This council had by far the largest delegation present of any council in Region 7, which comprises the four states bordering Lake Michigan, and the men all felt that it was a very worth while affair, of a highly inspirational character.

Two addresses, one by Dr. James E. West, chief scout executive and one by Dr. Allen D. Albert, assistant to the president, 1932 Century of Progress, were especially fine as was the pageant play, "Mightier than the Sword" presented by Troop 98 of St. Louis, Missouri.

UNIVERSITY OF SCOUTING MEETS AT DRAKE

The fifth session of the University of Scouting was transferred from Kenilworth to the Drake hotel last week so that the men could take advantage of the Region 7 annual banquet. The enrollment at the banquet was almost equal to the regular attendance of the university and the special advantage of hearing Dr. West, chief scout executive, made everyone very favorable to the shift.

The next meeting of the university and the final one of the fall term will be held on Monday, Dec. 5 at Lake Forest college. A fine meeting is planned and it is hoped that all the men registered for the various courses will be present.

WINTER CAMP PLANNED FOR SCOUTS

Not since the W.K. "Winter of the Blue Snow" has the North Shore Area council had a winter camp for its scouts. All scouts who remember that memorable winter will assure everyone that "there's nothing like it." Here's the "dope": Time, Five days, Monday noon, Dec. 26 to Saturday noon, Dec. 31, 1932. Place: At "Camp Oh-Da-Ka-Ta" the Kenosha council Boy Scout camp between Lake Geneva and Burlington, about 50 miles from Highland Park. Cost: Six dollars (\$6.00) for five days. This does not include transportation. In most cases boys can get together and get their parents to take them out. The fee includes all meals and inside sleeping quarters.

Open to: All first class scouts 14 years of age and in good standing. Only 30 scouts can be accommodated from the North Shore Area council. Register Now! Program: Just full of all kinds of things you would like to do in winter camp. The weather man predicts snow and ice; this means sledding, skiing, hockey, skating, skate sailing, winter games, winter scouting. Just a great time.

See your scoutmaster today!

RE-REGISTRATION DUE IN TWO WEEKS

The re-registration papers for all troops, packs and ships who would win the President's award are due in the council offices by not later than Thursday, Dec. 15. All units are scheduled to re-register not later than the 31st of December, but in order to qualify for the President's award the papers must be in by the early date. To do so will expedite matters in the handling of re-registration at the council headquarters.

M.-KA-JA-WIN LODGE OF ARROW WILL MEET

The annual meeting and election of officers of the Ma-Ka-Ja-Wan lodge, Order of the Arrow, will be held on Monday evening, Dec. 12 in Glenoee at 7:30 p.m.

Peter White, former president of the lodge, resigned last September when he went to school at Massachusetts Institute of Technology, and his office will be filled at that meeting, as will the other officers. The committee on totems will be ready to make a report to the group so that the lodge will make a definite selection for a totem for the lodge.

TROOP 52 STUDIES UNIFORM

Another phase of the Tenderfoot test was studied at the Nov. 25 meeting of Troop 52 of Deerfield. This week the troop studied the badge and the uniform. Scouts were reminded not to forget to work on the troop hobby for the Hobby show. Several articles have already been turned in.

During the meeting paper was passed around on which scouts wrote short notes to Mr. Andrews, Mark, and Joe, Scouts who recently moved away. The meeting closed with a campfire ceremony, the troop singing songs around the campfire.

TROOP 51 RECEIVED THANKS

The regular Friday night scout meeting of Troop 51 was held Nov. 25. The meeting opened with the scout oath and law. A letter was read from one family thanking the troop for a Thanksgiving basket. Charles Burnett and Arthur Mentzer received their life rank in scouting. Mr. McKillip, one of the committeemen, was a visitor. We are planning a hike to Jordan's woods Saturday. The meeting closed with the scout benediction.—Scribe, Charles Burnett.

TROOP 51 DISTRIBUTES BASKETS

Last Wednesday evening, Nov. 23, the boys of Troop 51, Deerfield, distributed Thanksgiving baskets to needy families in Deerfield.

On Friday, Dec. 2, Troop 51 will observe a Parent's night. The Scouts are planning on having stunts and various exhibits.

On Dec. 3 there will be an overnight hike to the Cabin in the Woods.

CHRISTMAS CARDS FOR SCOUTS

The council headquarters has on display an assortment of low priced but never the less attractive Christmas cards, designed especially for scouts. Any scout wishing some may leave the order with the office and they will be forwarded by mail.

CAMP MOVIES ARE RETURNED

The three reels of moving pictures of Camp Ma-Ka-Ja-Wan which have been missing since before camp, and therefore have not been available for use by troops have been returned to council headquarters, where they will be available for any troop desiring to show them at a parent's meeting. These pictures, as many know, are very fine action pictures of boys participating in various camp activities at Camp Ma-Ka-Ja-Wan, the summer camp for North Shore Area council, located in Langlade county, Wisconsin.
