

## PACKAGES SHOULD BE MAILED EARLY

**Christmas Parcels to All Foreign Countries Must Be Sent by Dec. 15**

Christmas packages to foreign countries must be mailed from Dec. 1 to Dec. 15 to insure delivery to their destination by Christmas. Postmaster Hugo L. Schneider is reminding patrons of the Highland Park post office this week.

It is already too late to insure delivery before Christmas of packages to such far-away places as Bolivia, Chile, China, Hong Kong and Manchoukuo. Christmas parcels to these countries should have been mailed Dec. 1, last Thursday, to insure their receipt by Dec. 24, the day before Christmas.

Packages to Egypt, Palestine, Syria and Trinidad should have been mailed Monday, to have their delivery before Christmas made certain.

### Still Time Today

It is still time, if they are mailed today, to have packages reach Austria, Azores Islands, Brazil, Bulgaria, Czechoslovakia, Colombia, Finland, Greece, Hungary, Japan, Latvia, Norway, Portugal, Puerto Rico, Rumania, Spain, Sweden, and the Union of Socialist Soviet Republics (Russia).

Mailing dates to foreign countries from now until Dec. 15, insuring their delivery by Christmas, are as follows:

- Dec. 9—Honduras.
- Dec. 11—Bahamas.
- Dec. 12—Gibraltar and Italy.
- Dec. 13—Belgium, Denmark, France, Germany, Ireland, Luxembourg, the Netherlands, Scotland, Switzerland, and the Virgin Islands.
- Dec. 14—Canal Zone, Danzig, and Panama.
- Dec. 15—Hawaii.
- Dec. 19—Bermuda.

### Soon as Possible

It is not possible to state exactly when parcel post packages will be delivered in all foreign countries, due to customs formalities that must, in most cases, be complied with before actual delivery is made to the addressee. For that reason, all packages to foreign countries, as well as to destinations within the United States, should be mailed as soon as possible.

Christmas stamps or other adhesive stamps or labels in aid of charitable objects may be affixed to the back of all mail articles for foreign countries, and not on the address side of the covers. If this condition is not complied with, there is danger of articles bearing non-postage stamps being returned to the sender, if known, and to the dead letter office, if the sender is not known.

## Employment For Girls Secured By Deerfield-Shields High School

The personnel office of the Deerfield-Shields high school has been able to supply girls for all types of employment during the past three months.

Homes have been provided for many girls who wish to live where they work. Others have regular work caring for children, assisting in housework, cleaning, ironing, waiting on table, and other similar occupations. One girl acts as recreation director to several younger girls; another tutors grammar school pupils in English.

The office makes every effort to find suitable girls for the positions, and already has received many favorable reports from employers. It is hoped by the personnel directors that the community will continue to make use of this service, as there are many fine girls still available for work.

The office frequently receives calls for high school graduates for full time work. If any Deerfield-Shields graduate would like assistance in finding work of this nature, she may phone or send her name, address, and telephone number to the personnel office of the high school.

## Ravinia Production, "The Ninth Guest," to Be Given Later

Due to the crowded schedule of events during the holidays the Ravinia Players have postponed their production of "The Ninth Guest" until after Jan. 1. This is so that it will not conflict with enterprises undertaken by the Ravinia Village house and the Highland Park Woman's club.

Because of this change it will be possible to present a much more finished production from the technical point of view, since the Players are preparing to construct their own scenery for this play. "The Ninth Guest" requires a very smart and difficult setting; that of a modern pent-house apartment, and Highland Park and Ravinia will find that this play will be the closest to profession production they have ever seen in this community.

Tickets are on sale now, and subscription tickets or individual tickets may be obtained by communicating with Miss Jacqueline Buhl or through Box 99, Ravinia Players.

## EDGAR MILLER TO SHOW AT ACADEMY

**Chicago Designer-Craftsman in Exhibit at Lake Forest School**

Lake Forest academy, which is sponsoring a series of lectures and exhibitions during the winter, has announced a one-man show of the works of Edgar Miller, the versatile

Edgar Miller

Chicago designer-craftsman. The exhibition, which will be held in Reid hall on the Academy campus, will open at 3 o'clock next Sunday afternoon, Dec. 11, with a tea and reception for the artist, and will continue for ten days.

Mrs. Logan T. McMenemy and Mrs. Benjamin Bryan, Jr., will preside at the tea tables on the opening day, and at 5 o'clock Mr. Miller will speak in Reid hall chapel. His subject will be "The Relation of Artist-Craftsmen to the World."

The exhibition will feature several of Miller's newest stained glass fenestrations with their dazzling arrangements of triangles, squares, and lightning-like lines which career all over the windows in the modern tempo. His use of powerful colors in close contiguity is daring; however, the artist's genius back of all this tumult of form and color restrains, refines, and controls; it keeps his movement orderly and in impeccable harmony. Despite the inability of many who work in his various media to avoid the pitfall of violence in manner, Miller consistently blends the unusual with liveable good taste; he has shown his ability to preserve the modern window from that unhappy stigma: "moderne."
