

BAYBERRIES TO BURN! With deft fingers this Girl Scout rolls her own bayberry candles, thus combining a knowledge of craftsmanship with economy. She boils the berries, collects the wax, inserts a wick, and another candle is ready to shed its light at Christmas time.

Girl Reserve News

Three more weeks till Christmas and that means a busy time for all Girl Reserves, but half the fun of living is doing things; so no one objects much to the overwhelming program of sewing, scrapbook-making, toy-making, and play-practicing in which we are involved just now.

Food Christmas Program

On Friday, Dec. 16, all the Girl Reserves in town are invited to attend a program of plays, presented by the Dramatic Group under the direction of Miss Catherine Geary, and the Elm Place-Lincoln 5th and 6th Grade Girl Reserves directed by Miss Catherine Imig. There will be no admission charge in the form of money, but some item of food will take the place of a ticket—a can of fruit, jelly, vegetables, a potato, or a peck of potatoes,—as much or as little as one can bring—all will help in making up baskets to be taken to some families who are in need of food.

Leadership Dinner

The Girl Reserve Advisers met for dinner at the Y.W.C.A. on Monday, Dec. 5, to discuss plans for the December meetings. Handcraft, Carol singing, plays, and other Christmas projects were planned and demonstrated. Those in attendance were Mrs. Lydia Hutton, Mrs. Clinton Stryker, and the Misses Dickerson, Miller, Newton, Card, Imig, Anderson, Jensen, and Siljeström.

Scrapbooks! Scrapbooks! Scrapbooks! Now that the kindness and generosity of our friends has provided us with a supply of material for scrapbooks, it remains for us to get as many books as possible made during the next two weeks. They are to be sent to the children's wards in several hospitals when finished, but there will be a prize for the book which is judged the neatest, most interesting, and best. All the books must be finished and ready to display on Dec. 16, at which time the selection will be made.

Schedule of Meetings

For the benefit of any who are not just sure when certain groups meet, we are reprinting our weekly schedule of Girl Reserve meetings:

- Monday 4:00 Blue Triangle club.
 - Tuesday 4:00 Makiolets.
 - Tuesday 7:15 Y-Tri club.
 - Wednesday 4:00 Makio. Elm Place-Lincoln 5th and 6th Grades.
 - Thursday 4:00 Lincoln school 7th and 8th grades. 3:30 Sunshiners.
 - Friday 7:00 Rinkeydinks.
- The Makiolets and Makios meet at Oak Terrace school, Highwood, and the Sunshiners at Green Bay road school.

Deerfield Girl Reserves

The Girl Reserves at Wilmot school and Deerfield Grammar school meet on Tuesdays and Thursdays, respectively, and are working on Christmas service projects. They are coming to Highland Park to join our Girl Reserves in their Food Christmas and are making toys for the hospital children.

Saturday Last Indoor Playday Before Christmas — First Six Weeks Period Over

Saturday, Dec. 10, will be the last of the Indoor Playdays which the Y.W.C.A. is sponsoring this year. This will be the sixth of the series of twelve for which more than fifty Highland Park children are enrolled. The next one, the seventh, will be in January.

They have been very successful from the play standpoint and also from the educational standpoint, for besides periods of organized play, the program provides classes in swimming, tap-dancing, dramatics, and interpretive dacing.

This Saturday the dramatic groups will present one or two Christmas plays. They plan to give Dickens "Christmas Carol" and a play by the younger children, "Christmas Windows." However, the program may have to be changed due to the fact that several of the participants are ill.

Regular classes will be held, but the periods will be shortened. Any parents who are interested are cordially invited to come.

Residents Warned of Fake Brewery Stock

North shore police are warning residents, particularly small shop owners, to beware of fake brewery stock salesmen who are painting an attractive picture of how to "make a million" by purchasing beer stock now.

A group of the "high pressure" salesmen were in Evanston last week visiting cigar stores and restaurants, attempting to get people interested in the purchase of stock in breweries which, they claim, are prepared to start manufacture of the amber fluid as soon as it is legalized by Congress.

They are fast-talkers, and mention the names of such well-known mid-western breweries as Schlitz at Milwaukee and Prima and Atlas in Chicago.

A check-up reveals that the salesmen are fakes and may swindle many north shore residents out of large sums of money. It is pointed out that when the brewery stocks are issued they will be put on the market in the usual manner, through recognized financial houses.

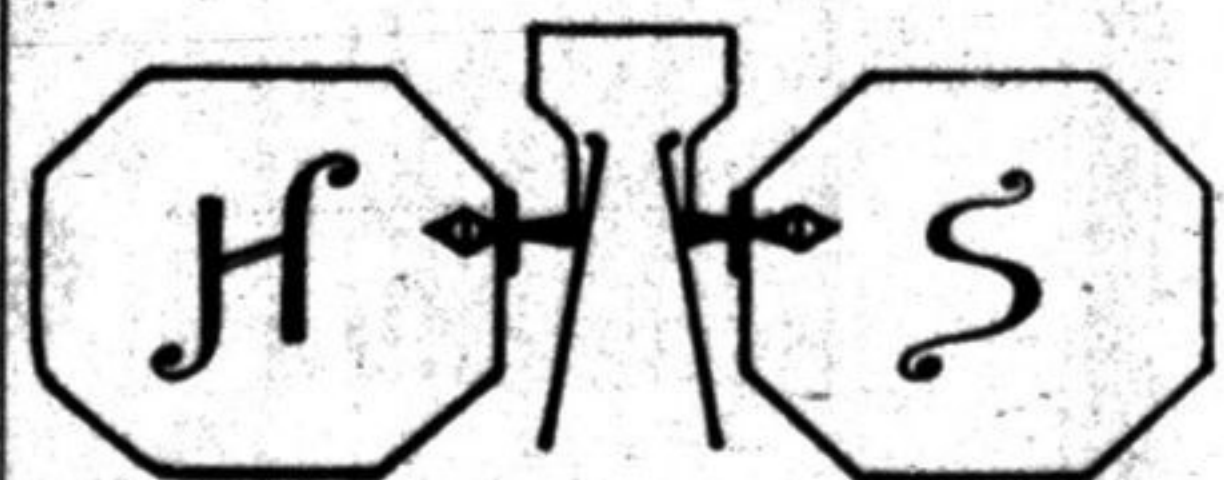

SIX-16

is a smart little Kodak

IF YOU haven't seen it, come in before you fill out your Christmas list. The Six-16 is different from any previous Kodak. Not only is it the world's smallest roll film camera making 2 1/2 x 4 1/4 pictures, but it's particularly smart... both in appearance and in precise picture-making ability. Prices are exceptionally low.

Try our "Emergency Service" from broken lenses. It's rapid!
