

**Young Mens Club
Beats Winnetka, 34-0**

The Young Mens club of Highland Park successfully defended their title to the north shore championship in football when they easily defeated the Winnetka aggregation by a score of 34-0 at the local high school field last Sunday afternoon. The game was played under severe weather conditions which kept down the attendance considerably.

Touchdowns were scored by Moseley, Hammond, Bartelmann, Francis and Allens. Wyle scored two points on a safety behind the goal line, while Bodman and Allens scored the extra points after touchdown.

The game last Sunday was originally planned with Evanston, but after the latter withdrew the challenge, Winnetka consented to play instead. The victory over Winnetka gives the Young Mens club undisputed possession to the championship.

**ORLANDO VIVIRITO,
ELECTED PRESIDENT
OF FRESHMEN CLASS**

KELLER, VICE PRESIDENT

Newman Fell and Chester Skidmore Are Other Officers

From "The Shoreline"

In the election of freshman class officers Orlando Vivirito, from Mr. Davitt's session, was elected president; Frank Keller, a member of Mr. Pertz's session, vice-president; Newman Fell, in Mr. Davitt's session, secretary-treasurer; and Chester Skidmore, also a member of Mr. Davitt's session, social chairman. This election was held on Wednesday, November 23, during session period.

Orlando Vivirito took first place in his session for the session running try-outs held last week. Orlando is a member of the orchestra.

Last year Frank Keller was an active player on the football team at Elm Place grammar school.

Newman Fell, a member of the orchestra, has done a great deal of Lyceum work.

Chester Skidmore is his session's Red Cross representative. He was fourth fastest runner of his session. (Looks like Mr. Davitt's session is pretty well represented for future track stars?)

Plans for a freshman dance were discussed at the meeting held by the newly-elected officers. It has been decided that there will be a dance on Friday, December 16, for freshmen only. Whether the dance will be the usual type of matinee dance has not been determined.

Part-time employment has been provided for thirty Glencoe men, and sixteen cords of wood have been sold in the recently undertaken tree-felling and cutting project sponsored by the Glencoe Relief and Aid society.

**GIRL SCOUT NEWS
Troop No. 2**

Picture about bayberry candle making if possible.

The meeting last week was held, in the rather close quarters of a room at Elm Place school and Miss Flinn in charge of this troop is endeavoring to find another meeting place large enough for regular scout activities. The signalling was all that was done indoors, and the rest of the games were played out-of-doors.

Troop No. 3

Mrs. James Collins has been quite ill and not able to attend recent meetings. Last week Mary Lou McClernan and Miss Card took charge of the meeting.

Troop No. 4

Plans are under way in this troop for Christmas thought for others, and the girls are planning to make glad the hearts of two families, whose names they will get from the Social Service. They are rehabilitating toys, and plan to remember less fortunate children with them. The entire troop has passed the table-setting test, and next week they are planning some pantomimes representing Girl Scout health laws.

Troop No. 5

Mrs. Newman was not able to be present at the last meeting; and her lieutenant Miss Helena Stockwell took charge. Knot and relay games were played. Next meeting the girls plan to help Miss Pearson with tobacco bags, which are to be turned inside out and cleaned and prepared for use as bags for ball and jacks for other children.

TOADSTOOL CLUB

The Toadstool club, the organization of Brownie leaders of the New Trier council is to meet Friday, December 9 at 9:30 a.m. at the Christ church parish house, Winnetka.

The members of the club exchange ideas on programs and handcraft. This month the group is working to build the meetings for the children about some of the children's books or fairy tales.

The members of the Toadstool club have done much in the past to strengthen the Brownie organization and to encourage its growth. There are now eleven packs in the area, two in Highland Park, two in Glencoe, four in Winnetka and three in Wilmette.

Troop 1 - Highwood

The last meeting of the Highwood Girl Scouts was held on Nov. 29. A few good pep songs were sung. Patrol corners were then held. The girls reviewed table-setting and those girls who wanted to pass their table-setting and cooking tests for second class prepared refreshments for the others. The table was set and decorated extremely well. The fruit salad besides being colorful was especially good. The girls who passed this test were Mary Markowitz, Marguerite Marzochi, Mary Bertacchini, Ethel Svendsen, Inez Tamarri, and Anna Tamarri.

After the refreshments the girls presented their pantomimes portraying "Thankfulness." The meeting was then adjourned with "Taps."

At the Court of Honor it was decided to hold a cookie sale for general and camp funds. So, you mothers who love good cookies be sure to give your order and help the Girl Scouts go to camp this summer.

DEERFIELD SWIMMERS

LOSE TO MAINE

Deerfield-Shields opened its 1932-33 swimming season with a defeat at the hands of Maine of Des-Plaines last Friday in the latter's pool. The juniors lost 48-11, while the Maine seniors ducked Deerfield 52-7.

The places above third acquired by Deerfield were a first in the diving by Gaidzik, a junior; a second in the senior diving by Burchard; and a second in the crawl by Requa of the junior squad.

Maine high has held the National and State championship, and under their present coach, Mr. Marazula, has been one of the leading teams in the country for several years.

Deerfield now sets out to prepare for Waukegan and the suburban league schedule.
