**CONFIDENCE PREVAILS
AFTER BANK CLOSURES**

(Continued from page 3)

bring difficulties to the door of the town's remaining banking institution.

The Highland Park Chamber of Commerce, at a meeting Tuesday night of this week, adopted the following resolution, which is typical of the feeling and sentiment in town in regard to the situation:

"Whereas: The community of Highland Park has suffered a great loss by reason of the suspension of the North Shore Trust company, an institution of high standing and serving the people of this section since 1911, and

"Whereas: It is the province of the Chamber of Commerce to foster the trade and commerce and promote the general welfare of the City, and

"Whereas: We recognize as never before, the value of this community of a well-equipped and well-managed bank, therefore be it

"Resolved: That your directors deem it the duty, and it should be the privilege of every member of this body not only to support loyally, the Highland Park State bank, our local institution, but also to commend it to his friends, neighbors and patrons. This bank has functioned successfully for the past thirty-three years and has never failed to co-operate willingly and assist actively in our many civic enterprises."

**Jesse W. McGinnis
in Cast of Deerfield
American Legion Play**

Prominent among the characters chosen for "Pay As You Enter," the Deerfield Legion play, is found the name of Jesse W. McGinnis who takes the part of the Baron Von Maurhausen.

Mr. McGinnis, already widely recognized as a shrewd and sagacious banker, has written a number of excellent poems of the James Whitcomb Riley variety that have been published in the many newspapers of the county. He now shows another side of his versatile ability by joining the Deerfield Civic Players in this production for the Legion post. He is ideally fitted for the role of the Baron, a courteous dignified middle-aged gentleman,—the inherent qualities that Mr. McGinnis imparts to his banking transactions and ordinary life.

The play will be presented on Thursday and Friday, Jan. 12-13, in the Deerfield grammar school auditorium, by the Deerfield Civic Players for the Deerfield American Legion post. Kenneth Hunter is the director.

**Deerfield-Shields
Defeats "U" High**

The basketball squads of Deerfield-Shields high school, defeated the light and heavy teams from the University high school, Chicago, on Tuesday afternoon of last week at the local gymnasium.

The Deerfield-Shields heavy team won, 33-18, and the "lights" won, 35-8.

**D. A. R. Better Films
Committee Review**

The young people are again given one picture which is suitable for them, this is Douglas Fairbanks' "Mr. Robinson Crusoe" on Thursday, Friday, and Saturday. It is a light, breezy, whimsical picture of a modern Robinson Crusoe, in exile on a South Sea Island, who builds elaborate living quarters and ingenious mechanical contraptions which could not be done single handed in twenty years. It will be amusing for all ages.

Sunday and Monday gives us a "sport" picture called "Madison Square Garden." It is filled with prize fight atmosphere and all that goes with it. It is fast moving, cleverly made, and well acted, with humor and some human interest. This film will appeal to a limited number of adults and is not recommended for children.

"Red Dust," to be given Tuesday, Wednesday and Thursday, is considered by those who have reviewed it, as a cheap, crude picture, full of the sex "stuff." The scene takes place on a rubber plantation and the story is of the foreman and his so-called love affairs. Not suitable for children.

**High School Group
Will Visit World's
Fair Grounds Today**

More than 200 students and teachers of Deerfield-Shields high school will go to Chicago today (Thursday) to visit the buildings and grounds of the 1933 World's Fair, A Century of Progress, on the lake front. The party will inspect the World's Fair without charge, at the special invitation of the officials.

A special train will leave about 8:30 for the city, and will return about 5:30 this afternoon. In addition to the World's Fair buildings and grounds, the high school party will visit the Field Museum, the Shedd Aquarium, and the Planetarium.

**Fire Damages Two Rooms
in the Stewart Hotel
in Sicokes Building**

Fire of unknown origin, but probably started from a discarded cigarette, damaged the contents of two rooms in the Stewart hotel in the Peter Sicokes building in this city last Friday evening. The hotel is conducted on the second floor of the building, which is one of the oldest in the business section of the city, located at the southeast corner of Central and St. Johns avenues.

The alarm was given at 7:45, and although the flames had gained considerable headway, the work of the Highland Park fire department confined the damage to the two rooms and their contents.

It is estimated that \$800 will cover the damage to the building, and less than \$200 will cover the damage to the contents of the rooms.

**Local Women Attend
State Convention of
Voters Organization**

Mrs. Marc A. Law, Mrs. Clarence Balke, Mrs. George Carr, Mrs. Maurice Pollak and Mrs. R. S. Simons, representatives of the Highland Park League of Women Voters, attended the 12th annual convention of the Illinois League of Women Voters in Peoria last week.

The convention program emphasized the league's platform which emerged from the national convention at Detroit, which concentrates the league's work under three major headings: constructive economy in government, prevention and relief of unemployment, and international co-operation.

Special emphasis at the Illinois convention was placed on county government. Charles Phelps Taft, II, of Cincinnati, was the main speaker at the banquet. His subject was "County government, an anachronism." Mr. Taft is chairman of the special citizen's group in Ohio which seeks reorganization of the county home rules amendment to the Ohio constitution. Miss Mollie Ray Carroll, league chairman of the department of women in industry, was another nationally-known speaker.

"The program of the local league

for the coming year will emerge from this convention. The Highland Park league is fortunate in having been represented by so many women who are qualified to interpret the state league's program and to adapt this program to the study of specific problems in Lake county," a Press reporter was told this week.

**MacDonald Lowe Has
Good School Rating**

MacDonald Lowe, son of F. MacDonald Lowe, of Highland Park, has been making an excellent rating at The Citadel, the military college of South Carolina at Charleston, where he matriculated last September.

MacDonald is a graduate of the Deerfield-Shields high school last June, and was the recipient of one of the five scholarships offered by the First Division, A.E.F., to high school graduates throughout the United States.

At The Citadel, Cadet Lowe was one of the mainstays of the freshman football team this fall, playing the entire season at guard position. In addition to his athletic work, MacDonald has been appointed a section marcher, the highest military rank a freshman can attain in the R.O.T.C. regiment.

**bring in your
WORN OUT
TIRE
CHAINS!**

MAYBE there's a lot of miles in 'em yet. If they're worth repairs, we can replace worn cross chains with new ones, shorten or lengthen your chains, put on new fasteners—make any repairs you need in just a few minutes!

If you really need new chains, we'll make a pair that exactly fit your tires—and make 'em in just 5 MINUTES! Hodell Tire Chains mean more miles of safety.
