

CHARGES ON FORD REPAIRS REDUCED

GREASE JOBS 75c
OIL CHANGES \$1.25
(plus tax)

Even at former prices our service was the most economical and most satisfactory that Ford owners could obtain. Our mechanics have been trained in Ford service schools; our equipment has been designed to service Fords exclusively; we use only genuine, high-quality Ford parts. The new reduction in charges gives you an opportunity to put your car in A-1 condition for the winter at lowest possible cost. Drive in for a free inspection, or phone and we'll call.
