Ravinia Welcomes New Year at Party

The Ravinia Village House was a scene of charm and gaiety New Year's Eve, when the Ravinia Woman's club sponsored a dancing party for the younger crowd of the village and their friends. The hall took on a colorful holiday aspect for the occasion with a profusion of Christmas trees festooned in tinsel and colored lights, and bunches of gay balloons.

The New Year was given a hearty welcome at midnight with horns, confetti and serpentine, and balloons were released from the balconies to float out over the dancing throng. Excellent music was furnished by Jim Hearst and his Ramblers.

The enthusiastic response by the parents to the party, and its success, would seem to warrant more such occasions in the future for the high school group.

Maestri Boosters Organize New Team

Under the leadership of Marino Maestri the Maestri Boosters have organized a well balanced light-weight basketball team. The team played its first game last Thursday and handed the Lake Forest team a defeat to the tune of 21-17 score. Their next game will probably be played against the Highland Park Y. M. C. at the high school gym on Jan. 10. This game will be a close contest between two of the best balanced teams along the North Shore and also the best dressed teams. Both teams average about one hundred forty pounds.

Young Men's Club To Play Waukegan Team

Keller's Collegians of Waukegan, rated as the best semi-pro basketball team in the Chicago district, will be the opposition for the Highland Park Young Men's club at the Deerfield-Shields high school gym next Tuesday evening, Jan. 10, at 8 o'clock.

Nick Keller has assembled five college captains in addition to many talented local stars. This aggregation is led by "Whitey" Budunas, formerly co-captain of Marquette University five.

This will be the opening contest of the 1933 season and is an indication as to what the home town fans can expect on Tuesday nights for the rest of the basketball season.

The curtain raiser to this big game brings together the YMC light weights and Maestri's Boosters from Highwood. This game is scheduled for 8 o'clock and it ought to be a thriller.

One very small admission price covers both games, so the YMC is expecting a large crowd to witness what is slated to be a "red hot" contest.
