**North Shore Ping
Pong Club Formed**

As a result of an insistent demand for a place to play ping pong under the most ideal condition, a group of north shore men and women enthusiasts have formed the North Shore Ping Pong club, which will have its formal opening early next week in the building at the northeast corner of Vernon and Hazel avenues, Glencoe.

This is the first private ping pong club organized in the west and provision will be made for eight tables, with generous playing room and with ideal lighting conditions. Plans have been made for a regular attendant at the club which will be open afternoons and evenings.

The club will be the headquarters of the North Shore Women's Ping Pong club and every effort will be made to arrange competitive events for all classes of players.

Two men of national prominence in the ping pong world, whose applications have been received are, Coleman Clark, national champion, who was elected chairman of the board, and Robert E. Clark, president of the Western Ping Pong association. Membership for men, women and juniors are still available at a very nominal fee, but will be limited in number.

Those interested in further details may communicate with Mrs. Ruth Meyer, women's committee, phone Highland Park 3214.

Card Party, Jan. 17

The Women of the Moose of Highland Park lodge will hold a card and bunco party, Tuesday evening, Jan. 17, at Witten hall. Prizes will be awarded and refreshments will be served.

Plans are also being made for an entertainment and dance to be given in February at depression prices. Watch for further announcement.
