Jimmie Weber, Bob Clarke, Herb Small and Dougal Kittermaster fought for first honors in the mens doubles. Clarke and Kittermaster, who showed that they could give as good an exhibition playing partners as they have in the past as rivals, took first place by a comfortable margin.

Among other highlights of the evening was an exhibition match between Coleman Clarke and Yos-

hio Fushimi. Coleman defended his honor and downed his opponent in a whirlwind smashing game.

The second annual north shore ping pong championship tournament will be held at the Ravinia Village house on Saturday, Jan. 28. The tournament will be an all-day event, with matches scheduled for morning, afternoon and evening.

Boys' singles, mens singles, womens singles, mens doubles and other events will be staged. The affair will be in the nature of a consolation tournament for the first-round losers in the mens doubles. Ten tables will be provided for play.

Last year's tournament was a successful event, with over 100 entries. This year's tournament is awaited with anticipation by north shore ping pong fans, and is expected to draw talent from the entire north shore.

Social Service Starts New Year With A Deep Appreciation For 1932

The Highland Park Social Service is starting the New Year with deep appreciation for the co-operation of the citizens of this community.

The organization wishes to thank the campaign committee who so ably and efficiently conducted the recent campaign for funds. This means is taken of thanking the captains, all solicitors and the contributors who gave of their time and money to help the needy in this community.

Many individuals gave special gifts of food and clothing at Thanksgiving and Christmas.

Mrs. Green of the Green Tea Pot, gave a dinner to 100 people at one time at another a dinner to 20 and lunch to 12 men. These were served in her tea room and the best of food and service for which this team room is noted were given on these occasions. It was deeply appreciated and enjoyed by those attending.

The Highland Park Woman's club at their Christmas meeting had a food shower that was generously donated to and all was turned over to Social Service.

Many merchants have donated fuel, food and clothing.

Transfer and hauling have been donated by companies in that business.

Social Service again wishes to thank the American Red Cross for its wonderful co-operation. Up to Jan. 1, 10,000 yards of goods had been sent to Highland Park. Also ready-made factory garments have been received. All of this goods had been brought from Chicago to Highland Park through the kindness of Pasquesi Brothers.

Three women were paid \$3 a day each for two days a week, and have been in charge of the sewing room. From 8 to 15 women a day have been working for the garments they so much needed. They have made women's and children's dresses, pajamas, men's and boy's shirts, little boy's wash suits and bed sheets and pillow cases. Many women need garments who cannot sew. Other women needing money would sew for them for \$1 a day. And in cases where women could not sew, their husbands have given work for garments needed in the family.

The need in Highland Park is not less, owing to the long period of unemployment, but the relief work is well organized and by the generosity of its citizens and their continued support the committee hopes to reach all those in great need in these winter months.

Immediate needs are a rug for office of Social Service office, also two desk lamps. Men's shoes and women's shoes, sizes 6 to 7½. An inexpensive house, flat or quarters over a garage where man can work for part of rent.

Fire Department Is Called To Put Out 7 Blazes In Week

The Highland Park Fire department answered seven alarms since Thursday of last week, including the fire Sunday evening which ruined the John Ostrowsky home on West Park avenue.

The other six blazes were small, beginning with a call at 7 o'clock Thursday morning of last week to put out a fire in the awning in front of the Walgreen drug store at the corner of Central avenue and First street. The blaze probably started from a cigarette or a spark from a chimney.

Thursday afternoon at 5 o'clock the department put out a grass fire on Clavey road, and on Friday a grass fire at 236 Vine avenue was extinguished at 2:30 in the afternoon, and a fire in some leaves on Judson avenue was put out at 4:15 p.m.

Damage estimated at \$10 resulted in a blaze in the garage at the home of H. C. Munstock, at the corner of Green Bay road and Pleasant avenue, at 11 o'clock Saturday morning. At 2 o'clock that afternoon the department was called to put out a roof fire, started by sparks, at the home of C. Y. Cashman, 636 Onwentsia avenue. An oil burner fire was the cause.

At 2 o'clock Tuesday afternoon a grass fire on Clinton court was extinguished.

Men and women, boys and girls may again begin to look forward to another big festival of the depression—the Y.W.C.A. Jitney Carnival.
