

North Shore Line Veteran Employes Will Have Banquet

Eleven residents of Highland Park and seven residents of Highwood are among the 54 members of the North Shore Line Veteran Employes 25-Year club, which hold a reunion and banquet in the Karcher hotel, Waukegan, next Saturday evening, Jan. 14.

The Highland Park veterans, who have been employed 25 years or more with the North Shore line in helping provide transportation to these communities and other cities between Chicago and Milwaukee, are as follows: Elmer W. Brown, 507 St. Johns avenue; Charles Brace, 325 Bloom street; George Glader, 17 S. Green Bay road; M. L. Lundgren, 134 First street; T. M. Marks, 364 Walker avenue; J. W. McMahon, 130 S. Second street; E. A. Nevins, 641 Central avenue; Thomas E. Russell, 230 N. Green Bay road; Henry K. Syson, 808 Oak street; Joseph Snyder, 135 S. Second street; and Sam Shawcroft, 318 Bloom street.

Those residing in Highwood are as follows: Harry L. Burke, 304 Palmer avenue; Anton Colleen, 211 Burchell avenue; T. M. Gilkison, 11 Prairie avenue; Henry Liske, 225 Sheridan avenue; George Rettig, 410 Central avenue; A. T. Sprague, 304 Palmer avenue; F. N. Williams, 233 Prairie avenue.

Reminiscences of early days in the electric interurban transportation industry will be exchanged by the veterans as they gather around the festive board. The service records of some date back almost to the day in 1894 when the present Chicago North Shore and Milwaukee railroad had its inception as the Bluff City Electric railway. They have seen the North Shore line develop into the country's finest electric railroad, operating as it does between the hearts of Milwaukee and Chicago over the Skokie Valley route and also serving lake shore suburban communities and the Lake county countryside, with 224 trains daily.

These veterans take particular pride in the fact that the North Shore line has won international honors, four times in the last six years, by being awarded the Electric Traction Speed trophy as the fastest and most efficient electric interurban railroad in America. The cup is now held by the North Shore line with a record of one hour and 40 minutes for the entire distance between downtown Milwaukee and the Chicago Loop. It will become the permanent possession of the company if won this year. The veterans also point to the parlor-dining car service and other features that today make the North Shore line one of the most modern transportation systems in the country.

Election of officers, short talks by company officials and entertainment will complete the program for the reunion, which is anticipated with great pleasure by these men who have devoted their lives to serving the public.

GARRICK CLUB IS READY FOR PLAY

"Death Takes A Holiday" to Be Given at Lake Forest College

"Death Takes a Holiday" will be the next production of the Garrick Players of Lake Forest college, to be given at the Durand Institute theatre, College campus, Jan. 18 and 19.

The success of this play as manifested by its long runs in New York and Chicago scarcely needs be reiterated to assure audiences of its true worth, its ingenuity of plot, delineation of character, and great dramatic quality.

Miss Dorothea Gottlieb and Edward Henning, well remembered by north shore patrons, will play the leading roles of Princess Grazia and Death. Other roles will be played by Helen Buck, Mary Stuart Gress, Charles McKnight, Lowell Comee, James Schuster, William Spurgeon, Harry Kinser, Helen Lithway, and Charles Kahn.

The locale of the story is Italy in an early 15th Century castle. Into the world of reality comes the King of Darkness, Death, who lives among mortals for three days. During this time nothing dies, the flowers and gardens appear strangely beautiful, the aged become young again. And then — Death returns to his kingdom.

R. C. Tomlinson, director of speech at the college and director of the play, has announced this to be the most important undertaking of the current season, and is proud that so splendid a play was obtainable for production by the Garrick Players.

Bethlehem Annual Meeting January 13

The annual congregational meeting of the Bethlehem Evangelical church will be held Friday evening, Jan. 13. Annual reports of all departments of the church will be read and Rev. E. J. Brusio will give the pastor's report of conditions. A new trustee will be elected to succeed Arthur Merner, who has resigned.

Ravinia Garden Club Aids Social Service

The Ravinia Garden club has contributed \$25 to the Social Service to start a shoe fund. This money is part of the proceeds of their recent rummage sale. This fund will be added to from time to time.

CARD OF THANKS

The expressions of sympathy during our recent bereavement are deeply appreciated.

Girl Reserve News

Swimming
Girl Reserves will swim at 10:30 on Saturdays. Attendance fell behind a bit during the cold weather, but is increasing again. Beginning, intermediate, and advanced swimmers must all be at the high school by 10:30 promptly.

Christmas Cards
Don't forget to bring all your family's Christmas cards to the Y.W.C.A. to be taken to the children in the County hospital contagious wards. It is hard for us to realize just how much fun these children will have looking over the bright colored pictures and playing with them, and the big advantage is that they really are not valuable and can be burned when the children are through with them.

Makios and Makiolets
The Makios and Makiolets of Oak Terrace school, Highwood, met at the Y this week, on Tuesday and Wednesday afternoons. The time was spent in working on the G.R. awards, planning a play to be given sometime in the near future, and discussing lessons in tap-dancing which are to be offered by the Y.W.C.A. educational department.

Blue Triangle
The Blue Triangle Girl Reserves met Monday to work on awards and to plan a party which is to be given this week.

Awards
All Girl Reserves expecting to receive awards for this semester must pass off their tests and requirements before the end of the month, for the first semester award meeting will be held during the first week in February and all work must be completed by this time.

Dr. Weir to Give Lecture Course at Deerfield Church

A course in church administration is to begin Sunday, Jan. 22, at the Deerfield Presbyterian church with Dr. W. L. Weir as instructor. The ten hour lecture course will cover a period of five consecutive Sundays beginning each Sunday afternoon at three o'clock with two hours devoted to the subject.

The class is being organized especially for elders, trustees, church officers and leaders and for all who are interested in church administration.

Dr. Weir has been teaching a class at the Presbyterian College of Christian Education in Chicago to prepare them to help in the work. Dr. Weir travels extensively, having recently conducted such classes in Minnesota, Wisconsin and Colorado.

An invitation is being extended to Presbyterian churches in Northbrook, Wheeling and Libertyville to attend this course of lectures. There will be no charge. The text book to be used has been prepared by Dr. Weir, and contains his ten hour lecture course on "Church Administration."

Dr. Weir has been occupying the pulpit of the local church since the resignation of Rev. M. J. Andrews last August.

C. A. R. Hold Meeting

The Blackhawk Society, Children of American Revolution, will meet at the home of Robinson Gourley, 271 Cedar avenue, Friday, January 13 at 7:15 p.m.

Well here we are again, back on the job, vacation is over, meetings have begun and the troops are all set for a splendid year, so lets go. As this column goes to press too early to report the meeting of Troop 2 on Tuesday afternoon we shall have to be patient until next week to hear from them.

Troop 3

The regular meeting was held last Thursday and Miss Card taught some advanced signalling. Patricia Reading was invested, and the girls requested plans be made for something unusual, we shall hear later what that was. They had a happy time Dec. 23 when seventeen of the girls went to the hospital and sang carols. One of the patients, an elderly lady, asked them to sing Holy Night, and Miss Ebsen was glad that they had come.

Troop 4

The scouts met for their regular meeting on Thursday and are busily at work on projects to pass their tests. They were pleased by several letters of thanks and appreciation for the Christmas presents they had provided. Next meeting the Golden Eagle patrol is going to conduct the entire meeting, Sylvia Wagner is the leader and Louise Lyman the corporal of this patrol.

Troop 5

This troop had their meeting on Monday, they had flag ceremony, patrol corners and practiced bandaging, and played games with bandages. They ended with the good night circle.

Troop 7

We told you this troop was going to have a Christmas party, but have not told you since what a nice party they had. It was Friday 23 at the Braeside school, and there were many guests. Each scout brought a gift for one of the girl visitors, there were movies, ice-cream and cake and sandwiches and all had a jolly time.

Brownie Pack 1

Brownies attention!
If you wish to learn to make—Well I won't tell. But be sure to come Thursday Jan. 12, at 3:45 sharp and find out. Mrs. Cumming will meet you at the Trinity church as usual.

Troop 1—Highwood

The Girl Scouts went on a hike last Tuesday, Jan. 3, 1933. The first group of girls, all second class scouts wishing to pass their tracking and trail-making tests for first class, left at 1:20 p.m. They laid a trail directly west through Highwood avenue and south through Western avenue. From thence they laid a trail in many directions so as to give the girls a real test of their knowledge of trailing. They picked out various items of Girl Scout interest and brought them to their attention by leaving notes near danger signs. The most interesting of these items was an honest-to-goodness totem pole in the Krenn and Dato subdivision. The trail-makers made a wigwam-style fire and had everything in readiness for the trail-followers who came about twenty minutes later. They roasted marshmallows, weiners, and what not. Then the girls who wanted to pass their fire building tests made fires. After this the girls sang out of door songs and were read out-of-door poems. The glowing embers made fascinating shadows in the darkening woods. It was in this setting that the girls sang "taps." Being sure they left a dead fire and a clean camp they departed.

At the December 20 meeting the girls baked cookies to fill their numerous orders. Those who didn't bake worked on their flag test requirements.

The Dec. 27 meeting was held at the Methodist church. The girls took a flag test. They emphasized the importance of thrift. Pantomimes portraying thrift in time, money, and work were given. The meeting ended with "taps."
Scribe—Lena Calbri.

A fellow might have a chance to live within his income if he could be as economical all the year around as he is after Christmas.
