

BANK CLAIMS ARE BEING RECEIVED

**Depositors and Creditors Must
File Formal Claims To
Receive Money**

H. A. Smith, receiver for the North Shore Trust Company of this city, has opened his office in the bank building at the corner of Sheridan road and Central avenue, and is receiving claims of the depositors and creditors this week.

Notice has been issued to all the claimants of the defunct institution, which has been closed nearly two months, that an order has been entered by the court that all claims of depositors and creditors must be filed with the receiver or with the Circuit Court of Lake County on or before April 13, 1933.

It is necessary for all claimants of a closed bank to file formal claims with the receiver for the recovery of their deposits and accounts receivable. If the legal formality of filing a claim is not complied with the receiver must hold the dividend checks in his possession until the claim is filed.

All claimants, however, are given adequate notice (in fact, they are sent several notices, no matter where they may be) to file their claims against the bank.

All claims are urged to file their claims as soon as possible, to expedite the work of liquidating a bank's assets.

The receiver of the local bank will receive a salary of \$250 a month for as long a period as is necessary to liquidate and settle all claims. Mr. Smith is also receiver for the defunct Highwood State Bank, and receives a salary of \$50 a month from the time of his appointment as receiver of the Highland Park bank several weeks ago, until the Highwood bank is liquidated. He formerly received \$250 a month for his services with that work alone.

An interesting project is being started at our Social Service headquarters. Men wishing so much for a bit of work, are going to make garden furniture, including, chairs, benches, and flower boxes. They are endeavoring to get together materials for this project. A work bench is needed. Many things can be used that you no doubt have in your basement. They are pieces of old furniture, boards, nails, tools, paint and glue. Also cigar boxes of the type that have the lid on. More concerning this project will be in the paper at a later date but see if you can't help get this work started.

Social Service now has some wood for sale at a moderate price.

Lunches on Monday for about eight women in the sewing room are solicited.

Have you a rug you would be willing to give for the office of headquarters, also two desk lamps are needed and they would cut down electric bills.

Shoes and clothing are always needed, also a radio for a shut-in.

Flag Raising Ceremony

D.A.R. Presents New Flag to the City at Ceremony Last Week

On Thursday, Jan. 12, the North Shore chapter, Daughters of the American Revolution, presented the City of Highland Park a storm flag to be flown every day and at this season at half-mast in memory of Calvin Coolidge.

A large flag, supplanting the worn one that came down on that day, has been ordered by the city and will fly on all holidays and important occasions.

Police Officers Patten and Richardson assisted in the ritual of the flag. After invocation by Dr. Christoph Keller, and acceptance of the flag by Commissioner Lyle Gourley, Mrs. R. F. Beatty read a quotation from the ode to the American flag by John Rodman Drake, concluding the ceremonies.

The steel flagstaff presented to

the city by the D.A.R. many years ago has recently been shortened and moved to a more prominent location at the corner of Central avenue and Sheridan road.

Stunt Party Held Thursday

Last Thursday evening the Mothers club of the Y.W.C.A. held their annual masquerade and Stunt Party in the auditorium of the Y.W.C.A. Miss Dickerson played for dancing. The grand march was led by Andy and Madam Queen who took first prize. The winner of the most humorous costume was Mrs. L. McNeil.

Games were played and stunts given. The winners of the contests were Mesdames Hutton, McCreadie, Maureen and Cliff.

The hostesses of the evening were Mesdames Berry, Macabee, Calkins, Croke and Rogers.

The next meeting of the club will be held February 14th.

SOCIAL SERVICE TO HOLD "TROUSER DAY"

"That coat looks fine, and when you don't wear the heavy sweater I'm sure it will fit even better. Now, what size shoe did you say you wear?"

No, it isn't a mens' clothing store, and it isn't a high pressure sales-girl speaking. It is simply Monday morning in the storeroom of the Social Service, and Mrs. B. F. Riecke is going through her weekly routine of fitting out some of the community's needy citizens. Every Monday morning from the hours of 9 to 11:15 the storeroom is open to the men who need shoes and clothing. The room is equipped with well-stocked shelves and racks and arranged with an efficiency which would do credit to a clever merchandising expert.

(There seems to be an adequate supply of underwear, pajamas, shirts, blouses, dresses, sweaters, coats, stockings and ladies' shoes. According to Mrs. Riecke, however,

there is a fly in the ointment. There is a decided lack of trousers! "We simply can't keep a supply," said Mrs. Reicke, a little wistfully, "and I've talked about it so much to my friends that all the men of my acquaintance are beginning to cross the street when they see me coming."

Trade Day's Work

In order to remedy this situation, the Social Service is keeping an eye open for an opportunity to make an advantageous purchase of a job lot of trousers. If they are successful a "Trousers Day" will be inaugurated and the men will be given a chance to contribute a day's work in return for a pair of trousers.

All contributions received from the community and from the Red Cross are given free wherever they are needed. Whenever it is necessary for the Social Service to purchase goods with money obtained

Dr. C. R. Rorem Will Give Discussion at the Ravinia Forum

"The High Cost of Medical Care for the American People" will be the subject of discussion at the forthcoming meeting of the Ravinia Forum on Sunday evening, Jan. 22 at 8:15, in the upper hall of the Ravinia Village house. Dr. C. Rufus Rorem, a research expert associated with the work of the National committee on the Cost of Medical Care, which, under the chairmanship of the Secretary of the Interior, has recently completed a five-year study of this subject, will summarize the investigations of the committee, and report the recommendations of its majority, and minority, groups.

These recommendations look toward constructive community action and are of great importance in a time when many persons are forced to neglect proper medical attention of themselves and their children and, in consequence, many physicians and hospitals are confronted with grave financial embarrassments.

To Organize Classes in Contract Bridge

The educational department of the Y.W.C.A. of which Mrs. E. L. Easton is chairman, will conduct a six weeks course of contract bridge open to the public, men as well as women. The classes will be instructed by Mrs. L. R. Wellman. Mrs. Wellman is a certified teacher and president of the Bridge Instructors Association of Chicago and metropolitan area. Mrs. Wellman is an associate member of the Culbertson studio, was one of the captains of the Mandel bridge tournament recently conducted in Chicago. It is an opportunity for those wishing to begin or learn more about the game to have instruction from Mrs. Wellman. Further information, single or table reservation, may be made by calling H. P. 675.

The beginners class will start Monday evening at 7:45, January 23, and close February 27. The advanced or intermediate class will open Wednesday afternoon at 2 o'clock, January 25 to March 1. Both classes will include forty-five minutes of instruction and thirty minutes of supervised play. Those wishing to remain and play after the classes, may do so.

V. O. Appel New Head of National Organization

At the annual convention of the American Warehousemen's Association, which adjourned after a five-day session last week in Cincinnati, Vallee O. Appel, of this city, was elected president. The membership of the association extends over the entire nation, and the organization has functioned for 43 years.

Mr. Appel is president of the Fulton Market Cold Storage Company of Chicago and vice-president of the Highland Park State Bank. He lives on Linden avenue in this city.
