A fine car invariably has an intrinsic value to its owner far in excess of that obtainable in exchange for a new car.

Considered from an investment standpoint—conscientious rebuilding can best protect this value.

Night School for Foreign Born Here Continues Program

The local night school for foreign born is again flourishing after the interruption of the holidays and the departure of a faithful teacher, Miss Zona Kirkland. With Mrs. H. B. Roberts, who has volunteered her services, and Mrs. Richardson continuing, foreigners are assured of capable, sympathetic instruction in English.

Classes meet every Tuesday and Thursday at Elm Place School, 7 to 9:30 p.m. No one need stay away for lack of the small fee expected, for a generous D.A.R. member has established a fund at the Social Service to cover such needs on request.

Here is the list of D.A.R. disbursements: \$50 to the local night school for foreign born (if needed); \$25 to Tamasee D. A. R. school; \$25 to Kate Duncan Smith school; \$25 to Carr Creek school; \$25 to American International school; \$25 to Berry school; \$15 to the Student Loan Fund for Illinois girls; \$15 to Emergency Fund, Highland Park Social Service.

The Reading Circle is resuming its informal Thursday afternoons today at the home of Mrs. Egan and Mrs. Truax, 300 Egandale road, at 2:30 p.m. The story of a young bride's transcontinental trip in 1860 will be read aloud. An invitation is extended to all interested to come and listen.

Annual Meeting of Bethlehem Church

On Friday evening the annual meeting of the Deerfield Bethlehem Evangelical church was held. Due to a recent ruling in that denomination a trustee may only hold office for two consecutive terms (ten years). William Plagge's expired term was filled by Harold Giss. Arno Frantz was elected assistant class leader of the church to fill the vacancy left by the resignation of Floyd Stanger. Milton Frantz is class leader for the entire church.

Rev. E. J. Brusco, the pastor, presided. Annual reports were read by Floyd Stanger of the stewards; John L. Vetter, trustee; Chester Wessling, financial; and Rev. Brusco, the pastor's report.

A budget has been adopted for the coming year.

Infant Welfare to Meet Next Monday

The regular monthly meeting of the Highland Park-Ravinia center of the Infant Welfare society will be at the home of Mrs. H. H. Redfearn, 243 Moraine road, next Monday morning, Jan. 24, at 10:30.

Deerfield Holy Cross Young People Organize

A meeting of the young people of the Holy Cross church, Deerfield, will be held Friday evening at eight o'clock to organize a club and to elect officers. They will hold their club meetings in the parish hall.

D.A.R. Presents New Flag to the City at Ceremony Last Week

On Thursday, Jan. 12, the North Shore chapter, Daughters of the American Revolution, presented the City of Highland Park a storm flag to be flown every day and at this season at half-mast in memory of Calvin Coolidge.

A large flag, supplanting the worn one that came down on that day, has been ordered by the city and will fly on all holidays and important occasions.

Police Officers Patten and Richardson assisted in the ritual of the flag. After invocation by Dr. Christoph Keller, and acceptance of the flag by Commissioner Lyle Gourley, Mrs. R. F. Beatty read a quotation from the ode to the American flag by John Rodman Drake, concluding the ceremonies.

The steel flagstaff presented to the city by the D.A.R. many years ago has recently been shortened and moved to a more prominent location at the corner of Central avenue and Sheridan road.

Edward K. Williams Exhibits Snow Scenes

Two counties, Brown and Morgan, in Indiana, furnished the inspiration for the snow scene that was painted near the division line by Edward K. Williams of Nashville, recently. Mr. Williams has painted prize winning snow landscapes in the far north, but this Hoosier snow scene was painted especially for the display in the early January exhibition sponsored by the Indiana Artist's club of which Mr. Williams is the president. The title of the picture is "The Bridge In Winter." The canvas measures about 25x30 inches.

Over ninety artists are represented with one picture each in the non-jury show that opened last week at the Spink-Arms hotel in Indianapolis. The exhibitors included present and former members, also a group of prospective members.

Mr. Williams' snow scene was reproduced in The Indianapolis Sunday Star on January 8, with a detailed article about his picture on a special feature page headed "In the World of Art" by Lucille E. Morehouse devoted entirely to that subject.

Mr. Williams is the father of Mrs. Frank W. Russo of Highland Park.

Dorothy: "When will you get your new fur coat, mamma?"

Mother: "Your dad says it can't be done."

Dorothy: "Say, Momsie, have you ever tried throwing yourself on the floor and kicking your feet the way I do?"
