At Reunion of North Shore Line Veterans

Six residents of Highland Park and five residents of Highwood, who are members of the North Shore Line Veteran Employees' 25-Year Club, attended the annual reunion and banquet held in the Karcher hotel at Waukegan last Saturday evening. The railroad veterans exchanged reminiscences of early days in the electric interurban railroad industry, from the time when the present Chicago North Shore & Milwaukee railroad had its inception as a street car line connecting Waukegan and Lake Bluff, then known as Bluff City. The veterans who attended the reunion, when the

picture was taken, are, left to right, front row, (seated) Henry Liske, Anton Colleen, Harry L. Burke, T. M. Gilkison, all of Highwood; and E. A. Nevins of Highland Park. (Rear row, standing) Joseph Snyder, Sam Shawcroft, both of Highland Park; Michael F. Curley of Highwood; Thomas E. Russell, Leo S. White and J. W. McMahon of Highland Park. Mr. Nevins was elected secretary for the coming year, and Mr. Gilkison, retiring president, was elected to the executive committee.

Morning Gym Classes Planned For Women

Community (recreation) Service, Inc., in Highland Park, is organizing a health class in physical education for ladies in the community. This class is to be held Wednesday morning at ten o'clock. All ladies in the community are invited to join.

The director of this class, George Scheuchenflug, known to many as "Mr. X," is planning an interesting series of class lessons. The lessons will begin with a well planned group of conditioning exercises. Mass games, gymnastic dancing, relays, and other forms of recreation will follow. Volleyball games will top off the lessons.

The community center is located at 582 Laurel avenue. A small fee will be charged to help cover expenses. You do not need to know how to play volleyball or the other games. The instructors will teach how these games are played.

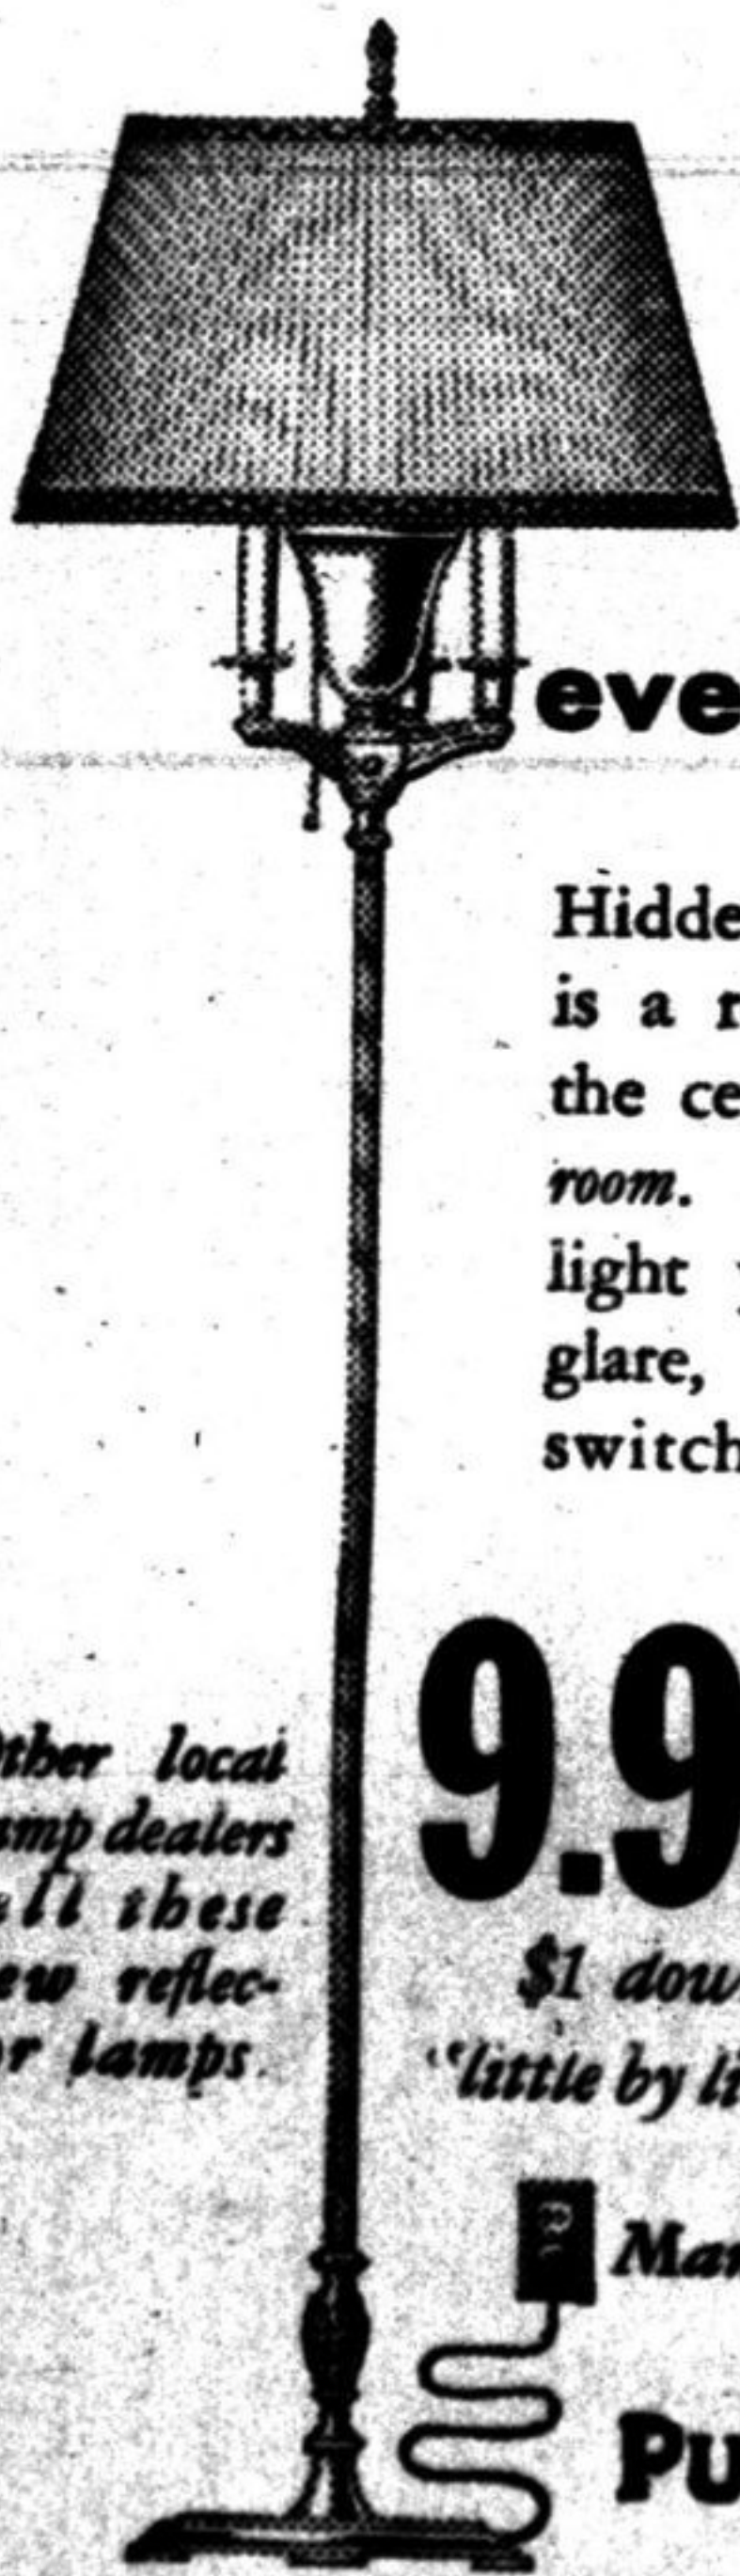

For more information concerning these classes call the Community Center afternoons or evening, telephone Highland Park 858.

This lamp gives the "NEW LIGHT"

Everyone is talking about

Hidden under the shade of this new-style lamp is a reflector that focuses indirect light up to the ceiling and diffuses it evenly over the whole room. It gives the bright-but-soft, flattering light you need for entertaining. There is no glare, not a single heavy shadow. A separate switch turns on direct light for reading.

9.95 Here's the outstanding reflector lamp value we know of. Its 3-candle base is beautifully finished in bronze or gold. Its pleated silk Celanese shade comes in gold, green, rose or tan. *"little by little"* Now at your Public Service Store.

Other local lamp dealers sell these new reflector lamps.
