FINANCE DRIVE OF SCOUTS WILL START

At a meeting of the North Shore Area council of the Boy Scouts of America held Friday, Jan. 27, at Boy Scouts of America headquarters in Highland Park, the opening gun for the 1933 finance drive was fired. Representatives from the eleven districts in the area were present and approved the two-week campaign.

Gen. Robert E. Wood, the honorary president, stated that Scouting must continue, and this announcement was enthusiastically acclaimed. President Henry Fowler announced that as the result of the work of a special budget committee the amount to be raised for 1933 is materially less than in any former year of this council. The executive personnel has been reduced over fifty per cent and the remaining executives have

Gen. Robert E. Wood

cheerfully accepted material reductions for their services. It is estimated that the cost per Scout for the coming year will be slightly less than \$6 compared with \$10.33 as a national average cost, and is as low as the work can be continued on an efficient and proper basis.

Financial chairmen were appointed for each one of the communities in the area and the two weeks will witness an intense campaign on their part to enlist the aid of all the friends of this worthy movement.

Here is where your Boy Scout dollar goes in the North Shore Area council. These figures are compiled from the audit for 1932, completed Jan. 24, 1933 by Arnold, Himmelblau and company, public accountants. Capital investment in the camp is not included:

In the first column will be found the budget items (standard classification); column 2 contains the percentage of the net cost 1932 budget; and column 3 covers the percentage of reduction in 1933 budget items under those of 1932.

Dispenser of Lake County Patronage Deprived of Power

John O'Keefe of Highland Park, chairman of the Lake County Democratic central committee, announced Tuesday that state leaders had informed him that Harry Bartlett of Libertyville, dispenser of patronage in Lake county under the Emmerson regime, had been deprived of his power, says the Chicago Herald and Examiner.

A telegram was sent by Mr. O'Keefe to Gov. Henry Horner Saturday, alleging that Mr. Bartlett had recently ordered the discharge of certain workers without provocation.

An answer was received, Mr. O'Keefe said, from state highway officials, assuring him that all concerned had been informed that Mr. Bartlett had not control over patronage. He still holds a minor state job, however, pending his replacement by a democratic appointee.

Max Przyborski of North Chicago, chairman of the Lake County Republican central committee and an assistant commerce commissioner, has relinquished his appointment, according to dispatches from Springfield.

Members of the Lake County central committee and of the Goodwin faction returned from Chicago Tuesday where they attended a patronage conference.

According to Chairman O'Keefe, eighteen jobs have been definitely allotted to the county thus far. State highway policemen must be appointed and highway workers are to be selected. Mr. O'Keefe said that he would interview these men before any selections are made and that considerable attention would be given to their reputation and party records.

The Old Bell In Garage Tower At "Ravinoaks" Ringing Sweetly Again

A few days ago many residents in the south part of Highland Park were agreeably surprised to hear the old clock in the garage tower of Mrs. C. T. Boynton's estate once more ringing the hours. This bell had been silent for some years, but has been repaired, and also electrified.

The old works were installed in 1893, when "Ravinoaks" was built. The bell became a familiar sound to those within the radius of a mile or so, and is noted for its sweetness and sonority.

Mortar Board Holds Musical and Tea

A Mortar Board Musical and Tea is being announced by Mrs. Everett D. Graff of Winnetka, chairman of the North Side and North Shore Mortar Board Alumni, for Wednesday, Feb. 8th, at the home of Mrs. Edward Roach of Highland Park. Herbert Thomas, gifted young pianist, is giving his program of modern music and Miss Mary Foster her special selection of songs from the Hebrides.

This is the first meeting of the North Side and North Shore Mortar Boards as an alumni unit. State representative, Mrs. Harold Ickes of Winnetka, is probably the unit's most celebrated member. She is also one of the ten charter members of the club, which was founded in 1894 at the University of Chicago. Other distinguished and loyal Mortar Boards belonging to the North Shore division are Mrs. Willoughby Walling, Mrs. Howard Willett, Mrs. George Lytton, Mrs. James Cathcart, Mrs. Wesley Dixon, Mrs. Luther Hall Barber and Mrs. Edward P. Farwell.

Mount Holyoke Will Offer Scholarships

Miss Dorothy H. Brooks, a member of the teaching staff of the Deerfield-Shields high school in Highland Park and a graduate of Mount Holyoke college, has received from her alma-mater the announcement of thirty-six competitive scholarships offered for the year 1933-34 to students entering the college with high rank.

Twenty-four of these scholarships are open to all entering students and include four providing full tuition (\$500), ten of \$300 and ten of \$100. These, according to the announce-

ment of the Mount Holyoke Scholarship committee, "are available for able candidates who need financial assistance in order to attend college, and will be awarded on a competitive basis to the candidates who seem best qualified, as evidenced by school records and recommendations as well as by entrance examinations."
