HIGHWOOD SCOUT DRIVE TO START

Quota Toward Maintaining Activities For 1933 Is \$300

In observance of Scout Anniversary Week, the North Shore Area Council of the Boy Scouts of America is conducting the annual fund campaign to meet the financial requirements for the year 1933. Highwood's quota, toward maintaining all \$300. The drive for funds will start on Thursday morning, Feb. 16, and it is the hope of the executive committee that their efforts will meet with the same cooperation and hearty response as in former years, so that the necessary funds may be secured with which the splendid work of this organization can be carried on for 1933.

An early contribution of \$10 has already been received from the Holy Name Society of the St. James Catholic Church.

A meeting of the team captains was held on Wednesday evening, and each captain will select a team of four men, together with several women who have offered their services in order that the drive may be completed in one day.

It is estimated that the cost per Scout for the coming year will be slightly less than \$5, compared to \$10.33 as a national average cost. The reason for this very nominal cost is the greatly reduced personnel of the North Shore Area Council, and the further sacrifice of the remaining members donating their services not only in the field but in the office as well.

The following captains have volunteered their services to obtain the required quota in Highwood: Giosue Moeogni, Marshall Williams, Ray Unbehaum, J. E. Engquist, Herman Fromelt, Otto F. Fisher, Paul Muzik, Clyde Cameron, Charles Laegler, Batisti Pasquesi, Tony Rossi.

Large Attendance at Dance Saturday Night

Saturday night was a busy one at the Highland Park Woman's Club. In spite of the extremely cold weather the street in front of the club was lined with cars. Inside the ball room was gay with Valentine decorations. Small tables lighted by red candles were placed around the hall and very early, all were occupied. It was a crowd of all ages starting with the high school students and ending with the fathers and mothers of some of the youngest. The music was well received, at closing time no one seemed anxious to leave and many encores were played.

Another dance will be given on March 18th to save the date for the Northwestern Settlement Community dance.

The committee wish to express their thanks not only for themselves but for the settlement. The proceeds go directly to Miss Harriet Vittum and knowing her as well as all do, it is not necessary to assure you of the great amount of good that she will accomplish with it.

Please remember our weekly activity Sandwich Day. Sandwiches may be sent to the schools or to the Northwestern station by 9:30. The year taken to schools where children would otherwise have no lunch, and distributed. We have many loyal contributors and we wish to thank them for their continued support.—Contributed.

Fine Showing Next Week at Alcyon

"Me and My Gal" is a saucy, gay, comedy drama that races merrily on its way to entertain the Alcyon patrons tonight and tomorrow. Joan the youngest and most lovable of the Bennetts, and Spencer Tracy are the two young scamps referred to in the title. For Saturday the Alcyon is featuring its first double bill in many months. Feature number one is "The Thirteenth Guest" with Lyle Talbot and Ginger Rogers, while Tom Mix in "Hidden Gold" is feature number two. The first mentioned is a thrilling mystery play and the second is up to Mix's usual high standard for clean fun and enjoyment. The latest Our Gang Comedy is on the show for Saturday also. Performances on Saturday are continuous.

Sylvia Sidney, Cary Grant and Charles Ruggles are the three leads in "Madame Butterfly" a pleasing little romantic picture, that plays the Alcyon Sunday and Monday, Feb. 19-20. On Tuesday and Wednesday Metro sends one of the best comedies of the year in "Fast Life" with William Haines, Conrad Nagel, Madge Evans and Cliff Edwards. On Wednesday, Washington's Birthday, there will be a matinee at 2.

Deerfield P.T.A. Meets Today

The meeting was to have been held last Friday, but was postponed because the school was closed. The high school P.T.A. is also meeting this afternoon.

Form Co-operative Unemployment League

Over fifty men gathered at the Highwood Methodist Church last Friday night and organized a branch of the Cooperative Unemployment League.

The purpose of this organization is to help the unemployed help themselves. Anyone living in Deerfield Township is eligible to join this branch. This organization is non-political, non-sectarian, and has no interests other than helping the unemployed maintain their self respect and seeing that all its members get a square deal. There are no dues to be paid.

The various officers and committees which were selected met Saturday afternoon and made plans for Friday, Feb. 18, at 8 p.m. at the same place. Be sure to be there on time if you care to have a place to sit down. The capacity of the church basement is limited.

Suitable Pictures For Children To Be Shown On Saturday

Parents and children of Highland Park alike will be interested to learn that a community movement has been organized to make the Saturday afternoon moving picture programs the most suitable and interesting for children as possible. A committee representing the various women's clubs and parent and teacher associations of the community with the co-operation of Johnnie Jones, owner of the Alcyon theatre, have worked together to select pictures which give wholesome entertainment. They will be run only on Saturday afternoons. The previews of adult pictures to be shown on future dates will be omitted from the children's program.

Will Rogers in "The Connecticut Yankee" is the film selected for Feb. 25. Warner Baxter and Janet Gaynor in "Daddy Long Legs" is the choice for March 4. Parents whose children patronize the moving pictures can co-operate with this effort to provide good clean entertainment by having the children attend the Saturday matinee instead of other programs less suitable.

Last of Indoor Playdays Saturday

The children who have been members of the Indoor Playday Group of the Y. W. C. A. are having a party for themselves and friends at the "Y" this Saturday. Each member of the group is bringing one guest to spend the day, beginning with swimming at Deerfield-Shields pool, followed by picnic lunch at the Y, moving pictures, a taffy pull, and a play given by members of the group under the direction of Miss Catherine Marie Geary. There will be no more playdays until the Outdoor Spring Series which will be held in Sunset Park as in the fall. This series will begin some time about the first of April.

File Petitions for Village Offices March 14

Deerfield will elect a village president (mayor) and four town board members in April. Those whose terms expire are Mayor J. J. Hogd and trustees A. C. C. Timm, Edward Segert, E. H. Selig and Ira Hole. Petitions for village officers must be filed before March 14 with the village clerk, Clarence Huhn. Township offices for supervisor, assessor, town clerk, constable, library board, etc., must be filed before March 28 with the town clerk, Julia Hutchison Peterson (Mrs. Frank Peterson). Both the village and township elections promise to be interesting.

And it begins to look as though the next war is going to be fought over the payments on the last one.—Judge.

Legion Meeting Next Thursday Evening to Be a Guest Affair

This will be known as "Deerfield and Highwood night," at which time members of these two neighboring posts will be guests.

A special musical program is being arranged and a good speaker engaged. The name of the speaker will be announced in next week's issue of the Highland Park Press.

It is the aim of the entertainment committee to have some form of entertainment at each meeting and is asking all members to help make these meetings interesting by a good attendance.

Jitney Carnival Draws Crowd Despite Weather

The Jitney Carnival held at the Y.W.C.A. last Thursday and Friday evenings drew a fair-sized crowd, although the attendance by no means came up to expectations. The various attractions were even more numerous and interesting than last year, and those who came enjoyed themselves thoroughly, but due to the extremely cold weather, many did not venture out.

Dancing to the music of Bill Holmes' Orchestra, ping pong, fortune-telling, bingo, a puppet-show, and a variety of games of chance and skill furnished a full evening of entertainment at reasonable cost, and all agreed that the Jitney Carnival of 1933 had been a success so far as enjoyment was concerned, although it might have been more successful financially. The proceeds were divided between the three Business and Industrial Clubs.
