Misses Fouls

With less than two minutes to go, Deerfield led 26-25. Morton captain called time out. The officials did not hear the request, so they gave them a technical foul.

When Morton did get the time out it was one more than they were allowed, so they were given another technical. "Parkie" Johnston was elected to shoot the fouls. DEERFIELD QUINTETS TO MEET NEW TRIER IN LAST HOME GAME

New Trier, our biggest rival in sports, will clash with the Blue and White quintets in our gym tomorrow night,

Our heavies played their biggest game down at New Trier, but lost in an overtime period after Halberg, Deerfield center, made a basket in the overtime period. Sindig, New Trier star, made 12 points in this game and hopes to do it again. "Bob" Skidmore played one of his best games down at New Trier. The lights won on a close decision at New Trier early in the season and hope to make it two straight from them, also to keep second place in the Suburban league. If you want a seat, you had better come early, as New Trier will bring a big crowd with them. The first game will start at 7:30.
