**Highland Park Press Readers
Taking Advantage of
Gift Proposition**

That Highland Park Press readers are discriminating in their judgment of exceptional values may be evidenced by the large number of readers who took advantage of our special dictionary gift offer last week in connection with our annual circulation drive.

However, you may still secure a copy of Webster's New Modern English Dictionary absolutely free with every new subscription to the Highland Park Press at our adjusted price of \$1.50 per year, 52 issues. For our present subscribers we have made arrangements whereby they may secure this fine dictionary at our offices in the Udell Building for only 95 cents. A percentage of this amount will be turned over to the local relief organization.

Remember—our arrangement with the publishers of this fine reference book hold for a limited time only. These fine dictionaries were designed to sell for \$4.

We believe they actually retail for not a cent less than \$2. This is a wonderful chance to get an up-to-the-minute dictionary for home, office, or school use. If our representative does not call on you, phone Highland Park 557 and we will send a special messenger with a dictionary for your inspection.

No book shelf or library is complete without an up-to-date dictionary. Yes, you doubtless have a dictionary and while the information it contains may be authentic, you probably don't realize that new words are being coined in our language at the rate of 6 a day! An average of 2,500 a year! With the advent of radio, television, talking pictures and the rapid advance of all branches of science, new words are necessarily coined which make a dictionary like this a necessity to keep you in step with the times.

The ordinary method of reading is not conducive to self-culture. Don't stumble over words—pronouncing them incorrectly. Get the dictionary habit! When you come to a word and do not know its meaning or how to pronounce it, look it up in the dictionary. Don't expose your ignorance by mispronouncing words or using them incorrectly.

Bookbinding methods today have made the modern dictionary a volume not cumbersome in size and difficult to use, but a convenient and attractive book—a fit companion to the finest you possess. Such a book is Webster's New Modern English Dictionary! At this price it affords the "buy" of a lifetime!

And don't forget. With our standard newspaper form we are able to print all the news and not just a very small percentage that we formerly were able to print in the magazine type publication. You can look to The Highland Park Press "for your interests."

**Chess Club to Have
Its Annual Dinner on
Monday, March 20th**

The Highland Park Chess Club is planning its first annual dinner on Monday evening, March 20 at the Moraine Hotel. After dinner a match is to be held with one of the other clubs on the North Shore.

The Chess Club has been meeting every Monday night at the hotel throughout the winter, except when the team has gone out of town to play another club.

Werner Schulze, the president, says, "I now know that the club has definitely become a very popular and permanent activity in the lives of the members. The rapid organization of chess clubs throughout the country this past winter indicates that the king of all games is being appreciated in this country and is attaining the place it has held in Europe for many years. As always, the club extends its invitation to anyone interested in the game, or anyone who would like to learn something about it."

The present standing of the first eight members of the club is as follows: 1. C. V. Wilson; 2. Dr. Robert R. Jacks; 3. R. Riechmann; 4. W. Schulze; 5. C. Haessler; 6. W. Klaber; 8. J. Hoffman.

According to the rules of this ladder a player may challenge within 4 places. This makes the rating rather changeable and not always a true indication in every case of the individual player's strength. However, the team captain, C. V. Wilson of Ravinia, is the exception as he has held top position for several months. This ladder rating keeps the rivalry in the club very keen and also is of great interest to all of the members.

Who? Where? What? When?
The following questions are being asked by Highland Park girls; so the Y.W.C.A. is attempting to answer them:

Who? Every Highland Park girl between the ages of six and eighteen!

Where? Druce Lake, Ill.
When? June!
What? Camp Merry Day!

**Next Weeks Program
at Alcyon Theatre**

If you have been waiting for a picture that you can safely take the entire family to see and enjoy, the Alcyon has one that meets the above requirement on view tonight and tomorrow. "Handle With Care" is the title and it features James (Bad Girl) Dunn, Boots Mallory and El Brendel. In addition to these three a score of kiddies are in it.

On Saturday afternoon the Alcyon is again presenting one of its special shows for the youngsters. This week "Daddy Long Legs," with Warner Baxter and Janet Gaynor will be shown. In the evening a film more suitable to the adult taste, "Half Naked Truth," will be presented. Lee Tracy, Lupe Valez and Eugene Pallette are the stars of "Half Naked Truth."

"Son Daughter" is the feature photoplay for Sunday and Monday, March 5 and 6, scheduled for the Alcyon. The cast of players is headed by Helen Hayes, Ramon Navarro, Lewis Stone, Warner Oland and Frank Morgan—truly an aggregation that should give a faultless performance. The usual interesting array of short subjects that delight the youngsters is always in support of every feature.

England has sent many fine actors to America, but none any greater or more appealing than Leslie Howard. America has developed many fine emotional actresses during the past decade, but none to surpass the exquisite Ann Harding. To co-star these two expert craftsmen of the stage is a producers dream, and for the photoplay, "Animal Kingdom," they have been costarred. This intensely dramatic tale will play the Alcyon on Tuesday and Wednesday, March 7 and 8.

**Highwood Barbers,
Legion Teams Win**

The Highwood Sanitary Barbers turned back the Highland Park Panthers last Monday night at the Oak Terrace School by a one-sided score of 40-9. The Panthers were held to a single basket in the second half.

Klien, Scornavacco, and Kehrwald shared the scoring honors for the Barbers with 13, 11, and 10 points, respectively. Kehrwald's brilliant defense work continually checked the Highland Parkers. So effective was the Highwood defense as a whole, that the Panthers were held to one lone basket in the second half, as compared to 13 baskets and one free throw by the Highwood quintet in the same half.

In another game on the same night, the American Legion Boosters of Highwood turned back the St. Paul Lights from Deerfield by a score of 27-32. Campagni and Bertucci shared scoring honors for Highwood with 16 and 12 points, respectively. Tibbets and Johnson scored 11 points each for St. Paul.

This game was close all of the way and the Legion Boosters went ahead in the closing minutes of play with baskets by Bernardini, Campagni, and Bertucci.

**Neighborhood Party
at Ravinia Saturday
a "Bit of Old Times"**

Nearly 300 Ravinians and friends gathered at the Village House in Ravinia last Saturday evening in response to an informal invitation of the Village House board of governors, to join in an old fashioned "Neighborhood Party." It was a real community gathering reminiscent of the good times enjoyed at the old Village House in the earlier days of the village.

Dancing, bridge and ping-pong were the order of the evening. Many present enjoyed a bit of each. Pleasant diversion was also furnished during the evening by a musical program and the playing of two specially matched games of ping-pong. All in all the affair proved so successful that those present voted in favor of holding more parties of a similar character this winter and spring," says a member of the committee.

Much credit is due George W. Carr, who served as general chairman of the event, and the committee which assisted him, for the evening. James Cady Ewell served as chairman of entertainment and master of ceremonies and he "kept things moving." He was assisted by Walter Rietz in charge of the ping-pong activities, and Harry Bentley who matched the bridge-players.

The musical part of the evenings program was furnished by "Bobby" Edwards, an accomplished musical monologist, well known to many Ravinians for his ability as a mirth provoker. Mrs. Ruth Meyer, Ravinia's own radio star, delighted the audience with a number of solos and genial William Ross responded gracefully to the calls of the audience for him to lead them in a number of Scotch airs. To Robert Bridges, Art Havens and Jerome Ruger, all present voiced their thanks when they obligingly organized their impromptu three-piece "band" and brought new life to the dancers weary of phonograph music.

Refreshments were served by a committee composed of Mrs. Robert Grinnell, Mrs. Godfrey Eyer and Mrs. Lee Frank.

As a result of the success of this first "Neighborhood Party" and the unanimous desire of those present for more like it, the board of governors of the Village House will announce the date of the next party soon.

**Highwood Indians to
Oppose Niles Center**

Next Monday night, March 6, the Highwood Indian heavies basketball team will meet Niles Center at the Oak Terrace School. The Indian lightweights will play the Sanitary Barbers in a preliminary game on the same night.

A small admission will be charged and it is hoped that a large crowd will attend these two last games.

**Bungalow Orchestra
Present Program Mar. 19**

The Bungalow Orchestra of the Bethlehem Evangelical Church of Deerfield, will present a concert on Sunday evening, March 19, at eight o'clock, under the direction of Mrs. Helen Mayer Mannings to which the public is invited.

**Deerfield Rotarians
Discuss Scouting**

Boy Scouts of the troop fostered by the Deerfield Rotary Club and the annual drive for funds were the chief topics of discussion at the Rotary luncheon last week. A very fine campaign plan was worked out at the meeting and is now in effect.

W.C.T.U. Meets Wednesday

**Increased Demand
Library Service**

Libraries were created in democratic society in order every citizen might have the means of self-education.

More people used libraries and more books were borrowed from library reading rooms in 1932 than ever before. Sample report 33 cities representing only 10 per cent of the total population of the United States show that the books borrowed from them in 1932 were 84,663,423, a 37% increase since 1929.

Economic and social conditions have led men and women to understand through fundamental and current books on the business of living are in great demand. The books of many kind contribute to the maintenance of a high standard of living.

Library expenditures a part of the public budget, exceptions libraries have made without extravagant intelligent regard to the interest and the taxpayer. It is nevertheless the duty of library administrators to present conditions, to sharply between essential essentials, and to seek of carrying on the most activities at the lowest possible cost.

Libraries are more than ever before. There is a present-day adult who never was the average to the printed page and library so repeatedly in come reasonably well about matters which concern to him. In the an intelligent, understate ship the library's essential must be maintained.
