HIGHWOOD ADOPTS A BEER ORDINANCE

Licenses to Cost \$200 and \$50; New Board of Health Is Appointed

Licenses for the sale of beer in Highwood will cost \$50 and \$200, as stipulated in the regulatory ordinance passed at last Friday night's meeting of the city council.

The license fees for the sale of draught beer will be \$200, for beer delivery \$50, and for the sale of bottled beer in groceries and other stores \$50. Beer cannot be drunk in stores.

The licenses must be secured by June 1. After that date, all places failing to secure permits for the sale of beer, in any form, will be closed.

Mayor, Egidio Mccogni supervised the preparation of the ordinance, which he terms fair to all concerned and a valuable revenue getter for the city treasury.

The Highwood city council appointed a new board of health at last Friday night's meeting, as follows: Dr. N. C. Risjord, M. J. Gibbs and Mrs. Boldrini. The meeting was interesting and well attended.

Highwood is one of the wet North Shore towns south of North Chicago in which the sale of the 3.2 beer is legally sanctioned. Several of the towns, including Highland Park, have not passed licensing legislation. The governing bodies of these towns regard their hands tied, because of charter provisions and ordinances strictly prohibiting the sale of liquor of alcoholic content higher than one-half of one per cent. Then, too, public opinion in some of these North Shore towns is against the legal sale of beer.

Ravinia School Field Day Is Monday, May 29

Great plans are under way for Ravinia's annual field day which will be held this year on Monday, May 29, at 2:30 p.m. Track and field events will take place the first part of the afternoon on the new school playground, children from all the grades participating. There will be baseball games between the girls of the seventh and eighth grades and the boys of the same grades. Fathers will be given a chance to compete on home runs with their youngsters in a special game. Mothers are not mentioned on the program.

C. G. Wright, superintendent of District 108, will present the ribbons, donated by the P.T.A., to the winners of the events at 4:30. Succeeding the outdoor events a program of folk dances and games will be given in the Village House by (Continued on page 4)

Blind Bogey Played at Sunset Valley Sunday

C. Snyder, J. Boylan and R. Rosenthal were the winners in the blind bogey matches played last Sunday at the Sunset Valley Golf Club, the first men's event of the season at the municipal club.

There were 80 entrants in the competition. The bogey was between 80 and 90, and 82 was drawn for first prize. Those having 82's were Mr. Snyder, who won the draw, R. Price and George Pett. The second prize number was 80, and those shooting 80's were Mr. Boylan, who won the draw, J. Hocking, A. T. Marks, and G. W. Carr. The third prize number was 86, and those shooting 86's were Mr. Rosenthal, who won the draw, and M. H. Walters and P. S. Osgood.

In spite of the lateness of the golf season, the sale of memberships to date is running ahead of a year ago. About 300 residents and 60 non-residents played at the course last week-end. Players from the east included D. R. Dougherty of Washington, D.C., W. P. Dunn of New York City, and K. T. Alfrien Jr. of Macon, Ga.

Ravinia Has Booth for Flower Distribution

The Chicago Fruit, Plant and Flower Guild, of which Mrs. F. Kaumann is the Ravinia chairman will have a booth at the Ravinia station of the C. N. W. R. every Friday morning between nine and ten o'clock. Anyone wishing to share their garden with those less fortunate are asked to either leave their contributions at the station Friday morning or call Mrs. Kaumann. The collection of flowers will start this Friday, May 26.

Taxpayers' Group To Meet

There will be a meeting of the Deerfield Township Taxpayers' Association Friday night at the Highland Park Public Library.

Annual Memorial Day Parade To Be Held On Next Tuesday, 11 A. M.

The annual Memorial Day parade in Highland Park will take place on Tuesday, May 30, at 11 a.m., under the auspices of the Dumaresq Spencer Post No. 145, American Legion. Arrangements are in charge of D. C. Stucky and E. L. Gilroy.

The parade will form at the old city hall on Central avenue and Green Bay Road, at 10:30 a.m. and proceed east on Central Avenue to Second Street, Second Street to Laurel Avenue, Laurel Avenue to St. Johns Avenue, St. Johns Avenue to Central Avenue, Central Avenue to Linden Avenue, and on Linden Avenue to the monument in Memorial Park at Laurel Avenue and Prospect Avenue where a short address will be given by one of our leading citizens.

The Deerfield-Shields High School Band of 75 pieces will participate and the American Legion Drum and Bugle Corps will also be present. All civic and patriotic organizations are invited to take part in this annual parade and Memorial service. All Highland Park will be represented.

All Legionnaires are requested to turn out for the annual parade and Memorial service. Legion caps should be worn by all who have them.

Following the usual custom, the special memorial church service will be held on the Sunday before Memorial Day, May 28. Assembly will be at the Legion office, 21 North Sheridan Road, at 10:30 a.m.

Pledges to Be Taken for a Kindergarten

Ravinia is to have a kindergarten even if the school board is unable to finance it. A committee of the Parent-Teacher Association under the leadership of Mrs. Charles Grimes met at the school last Tuesday afternoon and enthusiastically determined to canvass the village for funds with which to maintain the kindergarten for another year. A substantial sum was pledged at the meeting where it was decided to try to raise 100 pledges of \$10 each. Gifts of any amount, however small, will be very acceptable and it is hoped that parents who have enjoyed the privilege of a free kindergarten will be eager to help in this emergency as much as those who have children about to enter school for the first time. There will be a table at the school grounds Field Day, May 29, where pledges will be taken.

The kindergarten for both Braeside and Ravinia will be held at Ravinia School inasmuch as the large majority of prospective kindergartners although supported by private funds will be run under the same rules as it is now. Children must be five years old before Jan. 1, 1934, in order to be eligible. There will be a morning and afternoon session, the younger children attending in the afternoon.—Contributed.

Song, Story Service at Local Church Sunday

Next Sunday evening a unique service of song will be held at the First United Evangelical Church. Well known Gospel hymns and the stories connected with the writing of the same will be given.

"Every real hymn has its story. The background of the author's life, his spiritual experiences, his conflicts, his sufferings, his victories, sometimes a startling incident, a soul crisis—these things are woven into the thought and feeling of a great hymn. Of the real origin of many of the best hymns we know little or nothing. Many of the best Christian hymns were written by very young men. Certainly, to know what conditions produced a given hymn often adds to our appreciation of its meaning and our responsiveness to its message," we are told.

Lions Club Enjoy Illustrated Lecture

The Highland Park Lions Club enjoyed a very interesting lecture on anatomy at their last meeting Thursday. Motion pictures from Medical Institute were shown and Dr. Jacks interspersed with explanations and causes for such reactions that arise from various conditions. It was very instructive and much can be said for the modern medical profession.

Anyone who wishes to join the Lions Club on their Fisherman's Special to North Woods may get in touch with Robert Anspach, phone 1212 and ask for Muskie.

Prof. R. E. Harris is to be the speaker this week. Prof. Harris is in charge of the physics department at Lake Forest College and is noted for his work in television.

Annual Poppy Day Thursday, May 25

(Auspices American Legion Auxiliary. Proceeds for disabled war veterans and families of deceased veterans.)

In Flanders' Fields

BY COL. JOHN McCRAE

In Flanders' Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below.

We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders' Fields.

Take up our quarrel with the foe,
To you from failing hands we throw
The Torch — be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' Fields.

OAK TERRACE WILL GRADUATE TONIGHT

Commencement Exercises Will Be Held at Highwood at 8:15 P.M.

The graduation exercises of the Oak Terrace School, Highwood, will be held this evening (Thursday) at 8:15 o'clock at the Oak Terrace School.

Benediction: Rev. W. W. Nelson
Recessional: Class of 1933
(Continued on page 4)

Musical Treat at Infant Welfare Meet

The fifty-eight members and their guests who attended the Infant Welfare meeting Monday enjoyed a musical interlude in the form of a violin recital by Mr. Zimeroff, accompanied by Mrs. Albert Pick at the piano. This unusual and inspiring treat was arranged by the hostess, Mrs. C. W. Schaaf.

Fifty-eight pre-school dresses with their bloomers and seventy-one examination garments were completed at this meeting.

High School P. T. A. Executive Board Meets

Mrs. Maurice I. Hirsch who starts her second year as president of the Deerfield-Shields Parent-Teacher Association has invited all the members of her new executive board to meet in her home at 1620 Dean avenue on Thursday, June 1, at 3:30 p.m., to outline the work of the coming year. A complete list of the board members will be published next week.

Counterfeit \$5 Bills Are Passed in County

Business houses in Highland Park are being warned this week of a man passing counterfeit \$5 bills in Lake County.

No description of the man is given but it is said that he has been "specializing" in passing the spurious money at filling stations.

Boy Hurt When Auto Strikes Pole Saturday

"Tommy" Thomas, a student at Deerfield-Shields High School, was injured last Saturday afternoon at 1:30 when the auto in which he was riding with John McMahon, struck a pole at the corner of Lincoln Avenue and Linden Park Place.

The boys were on their way to a track meet at Evanston when the accident occurred. Tommy was taken to the Highland Park Hospital for treatment.

Fire Chief Hoskin Is Elected President Of Lake County Firemen

Fire Chief Edward C. Hoskin of Highland Park was elected president of the Lake County Firemen's Association Monday night at the annual meeting of the organization at Antioch. This honor was in large part recognition of Mr. Hoskin's work during the past year as chairman of the zoning committee of the association, which has worked a system of mutual help and protection in five districts in the county.

The plan of the committee, which has been adopted by the Firemen's Association, divides Lake County into five districts, and provides for the discussion and solution of problems of fire prevention and protection in the county. The five districts into which divide the county are as follows:

- District No. 1—Antioch, Fox Lake, Grays Lake, and Round Lake.
- District No. 2—Libertyville, Mundelein, Grays Lake and Wauconda.
- District No. 3—Wauconda, Barrington, Long Grove, Lake Zurich, and Mundelein.
- District No. 4—Zion, Gurnee, Waukegan, North Chicago and Gt. Lakes.
- District No. 5—Lake Bluff, Lake Forest, Highwood, Highland Park, and Deerfield.

Other newly elected officers who will serve with Mr. Hoskins are Joseph Dada, fire chief at Gurnee, as vice-president; John Horan, of Antioch, re-elected secretary; and Ed Schneider, of Libertyville, re-elected treasurer.

Three hundred attended the convention of which 30 were fire chiefs. Every community in the county was represented, and visitors came from points between Portland, Oregon, and Miami, Florida.

The zoning protection plan was given a test during the convention, when test runs of fire apparatus were made between Fox Lake and Antioch (9 1/2 miles in 12 minutes), Fox Lake and Round Lake (10 1/2 miles in 14 minutes), and Fox Lake and Grays Lake (11 1/2 miles in 14 minutes) proving the actual workability of the plan.

N. U. Settlement Will Give a Fashion Show and Bridge in Town

The luncheon, midsummer fashion show and bridge party being held tomorrow (Friday) at Field's Crystal Room in Chicago, is arousing a good deal of interest. Many reservations have been made. The program begins with luncheon at 12:30 followed by a showing of all the latest summer frocks, and bridge. Those modeling will be the Misses Nancy Traylor, Eleanor Page, Billy Brawley, Helen Marie Castle, Welthyan Harnoss, Ethel Dixon, Suzanne Morris, and Carol Bloomington.

Reservations may still be made by phoning Mrs. A. L. Miller, chairman of tickets, or may be purchased at the door.

Prizes are being donated by local and North Shore merchants.

"Last Chance" to Buy World's Fair Tickets

The sale of tickets for A Century of Progress International Exposition has been a great success, as many people have taken this opportunity of securing a book of souvenir tickets. The regular gate admission will be 50 cents and an extra charge of 10 cents to the Lama Temple and 15 cents to Fort Dearborn will be made. A book of 10 souvenir tickets for \$5.00 will admit bearer to the exposition as well as the Temple and Fort Dearborn. These tickets are transferable and may be detached from the book. No waiting in line to buy your tickets at the gate.

The sale of these souvenir tickets will be discontinued Saturday when the exposition opens. Any one wishing to buy a book of tickets, please send a check or cash to reach Mrs. E. R. Phelps, 275 Prospect Avenue, before noon Friday, so the final order will be sent in before the opening hour. The Highland Park Woman's Club will use the commission on the sale of these tickets to buy chairs for the platform of the club house.

Reforestation Work in Lake County Probable

The proposed reforestation project of the United States government in the Skokie valley will include much of Lake County as well as Cook County, and will extend probably as far north as Lake Bluff, according to Representative Richard J. Lyons of Mundelein.

It was thought at first that the Skokie job would not reach into Lake County at all, except that the army of workers would be housed at Fort Sheridan.

WANTED—ROOMS TO RENT TO VISITORS

Highland Park Will Be Known As "Host Suburb" During World's Fair

The Highland Park Chamber of Commerce continues its appeal to local residents to list their vacant rooms, camp facilities and houses for renting to visitors to the Chicago World's Fair, which opens Saturday of this week.

This city will be known during the World's Fair as the "Host Suburb" to transient visitors.

A special World's Fair accommodations bureau will be maintained in Highland Park during the summer. This will be in charge of a committee of the Chamber of Commerce composed of J. B. Garnett, chairman, Earl W. Geell, Lawrence Pierron, Robert Anspach, Paul L. Udel and Mort Singer.

A survey regarding parking facilities is now being made. All accommodations will be advertised widely for local residents as well as World's Fair visitors.

It is estimated that 300,000 cars will pass through Highland Park in the first few weeks of the fair, many of them with occupants who do not desire to take up quarters in the congestion of Chicago and its environs.

Stores here will maintain information booths for visitors, while streets within and without the city will be adequately marked for guidance of passing motorists.

Children's Carnival at Woman's Club Was a Successful Occasion

"Joy and happiness, fun and frolic certainly held sway on Saturday afternoon when the Highland Park Woman's Club held a Children's Carnival," we are told of the event held a week ago Saturday.

Little Gwendolyn Mitchell of Ridge Road held the number which drew the doll house. Unfortunately the boy who held the number which drew the jig-saw puzzle was not present to claim his prize. If he will bring his tag, number 83, to Mrs. E. R. Phelps, 275 Prospect Avenue, he will receive the 700-piece puzzle.

The Carnival committee employed and paid 27 men and women in this community for all sorts of work needed to make the affair a success. Each one of these people received from 50 cents to \$12 for their work. One purpose of the carnival was to aid employment.

(Editor's Note—Unfortunately, this news item was left out of last week's issue of the Highland Park Press, although it had been handed in early in the week.)

"Inlaws and Outlaws" to Be Repeated May 25

"Inlaws and Outlaws" the play given by the Mothers Club of the Y. W. C. A. under the direction of Mrs. L. Schemmel, will be repeated Thursday evening, May 25th (tonight) at eight o'clock in the auditorium of the Y. W. C. A. This is being done so that the many people who did not see the presentation will have opportunity to do so. It is a thrilling comedy with a good mystery theme and an interesting love story throughout.

Plans are under way for the annual dinner which will be held June 13th. All mothers are welcome. Come and bring your friends.

Worth While Thoughts

We may think we know all about something—until we really think about it. Then we may not be so sure.

Take this thing called a dollar. We may feel well acquainted with it—even though it's more of a stranger today than it used to be.

Just what is a dollar?
The law says it's 25.8 grains of gold, nine-tenths fine, and the government agrees to redeem a dollar bill with that much gold. Its value is a little lump of gold of that weight.

But one dollar buys three or even four bushels of wheat at one time and only one or two at another time. Yet a bushel of wheat is just so much wheat and a dollar is just so much gold.

Does the dollar or the wheat change in value—or both?
Maybe you can answer that one.

In our business, we know that your dollar bill will buy much more today than it would a few years ago.
