

First Trip June 6 to Century of Progress

The first of the trips to the World's Fair which the Y. W. C. A. is sponsoring for adults and children of the community will be on Tuesday, June 6. The complete schedule of the eleven trips to be taken during the month appeared in last week's issue of this paper.

The price of the trip includes transportation to and from the Fair grounds (not just to the Lopp, as was stated last week), admission to the grounds, round trip bus fare inside, and in the children's tour admission to the Enchanted Island Theater is included.

Reservations are coming in rapidly and it is advisable to make them as early as possible. A registration will not be accepted unless it is accompanied by a deposit.

Mrs. Dwight Davis is in charge of the arrangements, assisted by a committee of women from the community.

Pi Delta Plans A Unique Party Tonight

Treasure hunts are no longer a novelty, but the particular treasure hunt which members of Pi Delta Business Girls Club are taking Thursday night will be decidedly unique. Arrangements are in charge of a committee and the party promises to be an interesting one.

Last Play Day Saturday

Saturday is the last of the spring playdays which the Y.W.C.A. has been supervising for community children. After swimming in the morning the group will go on an all-day hike to some nearby place.

Predicts World's Fair Will Startle Suburbs

"Suburban residents are going to wake up in a few days and find thousands of people descending upon them."

"My father in Kansas City is more enthusiastic about the Century of Progress than my next door neighbor."

So said G. K. Hardacre, lighting engineer of the Public Service Company of Northern Illinois, in an address before citizens of Deerfield and members of the Deerfield American Legion Post recently.

He described and illustrated by means of colored slides the 1933 World's Fair which will be ready to open on Saturday, within a 45-minute drive from the suburban villages.

"For the single admission ticket of 50 cents, an individual will have access to 52 buildings with a total exhibit frontage of 83 miles," said Mr. Hardacre. "More electricity is used in illuminating the Hall of Science building alone than was used at the entire World's Fair in 1893. Thousands of incandescent bulbs and miles of gaseous tubes are being installed to produce the greatest shower of light this continent has ever witnessed."

North Western Train Stops Now at 8:05 P.M.

A fast train, known as No. 101, leaving Chicago at 7:30 each evening on the North Western line, now stops at Highland Park at 8:05 p.m., daylight saving time.

This train formerly did not stop at Highland Park. It is now being stopped here to give late commuters better service.

Two Legion Members Awarded Purple Heart

The Deerfield American Legion Post No. 738, had the honor of presenting the Purple Heart to Mr. Fred Bonn and Mr. Walter Looper, both members of the local Legion post.

The Purple Heart medal was originated by George Washington, and has since that time been presented by the government to soldiers who have been wounded in battle. Both of these gentlemen received wounds in the World War, and these medals were given in recognition of their services to their country.

At the opening meeting of the Legion post held Monday evening, May 22, at the Masonic temple, Mr. G. K. Hardacre, illuminating engineer for the Public Service Company, gave a lecture accompanied by movie slides on the subject of "A Century of Progress As Seen Through the Eyes of an Illuminating Engineer." This lecture proved to be very interesting and educational to all who attended.

Deerfield Cemetery Association Meets

A meeting of the Deerfield Cemetery Association will be held Friday afternoon, May 26, at four o'clock in the Town Hall, for the purpose of electing officers and transacting business. Officers who have served this past year are: President, Theodore J. Knaak; secretary, John L. Vetter; treasurer, Charles A. Selig; trustees—Bert Easton, Herman Ludwig and Mrs. Edith Osterman.

Many favorable comments have been received in the past few years concerning the excellent condition in which the grounds have been kept. As this work is kept up by voluntary contribution, a plea is made annually for funds.

The association is contemplating installing city water, which will be a big help to those who wish to water plants.

Those who have relatives buried in the Deerfield Cemetery are asked to send their contributions to one of the officers.

Americans have more time-saving devices and less time than any other people on earth.—Tulahoma (Tenn.) Guardian.

GIRL SCOUT SUMMER PROGRAM

The Girl Scout summer program, sponsored by the New Trier Council, has been planned and is under the leadership of Helen Fling. There will be two periods, beginning July 23 to August 1st, and from August 2nd to August 29th. Hours are to be from 1 to 4 p.m. on Monday, Tuesday, Thursday and Friday. On Wednesday from 10 a.m. to 4 p.m. There are to be both indoor and outdoor activities and girls eligible to start as new scouts may also register. For information as to expense, registration, etc., apply to Elizabeth Fling, 334 Park ave. Tel. H. P. 2284.

TROOP TWO

The last meeting of Troop 2 opened with inspection, followed by the flag ceremony. Sheila Stratford was invested. Two girls working for their second class badge planned two observation games, there were signaling games, and a hike was planned for Saturday.

TROOP THREE

Troop 3 opened their meeting with the horse shoe ceremony, and plans were made for a party to be given next Saturday. Warm weather drew the girls out of doors and they played baseball.

TROOP FOUR The girls of Troop 4 took their supper down to the lake at Ravine Drive, made a fire and cooked their meal. There will be two more meetings. The last one, badge awards, June 1st.

TROOP FIVE Troop 5 took advantage of the fine weather and took a hike down to the beach where they cooked their supper.

TROOP SEVEN Troop 7 hiked out to the Forest Preserve for their last meeting and when they got there built fires for tests and made things out of wood for further tests.

At the meeting of the five Brownies were given the golden "M" badge, they were Barbara Simpson, Janet Hinkle, Schaffner, Nellie Hayes, Charlotte Getz. May 25th will be the last meeting day for the Brownies and they will close with a party and presentation of wings and a group to Scouts.

Deerfield Girl Scout and Boy Scout Troops Awarded Their Badges

Badges earned by Deerfield Girl Scout Troops 1 and 2, and by Deerfield Boy Scouts of Troop 52 were awarded at a joint Court of Honor held in the Presbyterian Church, Friday, May 19. David Derby, chairman of the Boy Scout troop

committee, acted as chairman of the meeting.

The main award of the evening was the Scouters' Key received by John Huhn for five years service and training as a scout. Mr. Huhn has had six years' service as a scout, acting as assistant scoutmaster, troop-committeeman, and is now assistant district commissioner. The award was made by C. E. Piper, Deerfield district Boy Scout chairman.

The Girl Scouts received awards in second and first class ranks and in merit badges.

Flashlights were given to the Scouts who have registered for Camp Ma-Ka-Ju-Wag. Those who have registered are Duncanson Rees, Walter Rees, Frank Mennell, Richard Merner, Joan Eggstrom, Dave Gardner, Martin Decker, and George Stanger. Boy Scouts were invested into the rank of second class and tenderfoot scouts and the prizes won in the co-operation contest were awarded.—Milton Merner, Troop 52, Deerfield.

Have You Had an Introduction to FRENCH LICK

Come down and meet America's favorite spa. Try out the new greens and tees and the lengthened holes on the Valley Course—then try the Hill Course. Hike and ride and play tennis—then finish up with a plunge in the pool. Take the mineral waters and baths—many guests say a ten-day course here does them more good than a month at a foreign spa.

Attractive spring rates are now in force—and include meals. \$10 a day for room with private bath—\$9 a day with private toilet and running water—\$8 a day with running water only. Rates for double occupancy of rooms are still lower. A special \$5-a-day rate has been established for children, nurses, maids and chauffeurs.

Come by plane, motor, or train—just overnight from Chicago on the Monon—or fly direct to the French Lick Springs Hotel Airport.
