BOY SCOUTS

ADD LEADERS TO CAMP STAFF
Two more leaders have been added since the original list of Camp Ma-Ka-Ja-Wan staff members was announced. Mr. Weldon R. Cody, Scoutmaster of Troop 11 of Wilmette, will be in charge of transportation. Mr. Cody is an Eagle Scout, a Veteran of Camp Ma-Ka-Ja-Wan and has proven himself an excellent leader of boys in his troop.

The latest addition to the staff is Mr. Horace S. Williamson who will be in charge of Camp Indian Love, camp dramatics and scenery and will assist on the water front. He holds an examiner's rank in the American Red Cross raising the number of examiners in camp from three to four. Mr. Williamson has been the field executive in the Berrien-Casa council covering the territory around Benton Harbor and St. Joseph, Michigan. He bears an enviable record as a Scout leader having been in charge of Wilderness Camp for Older boys and has held such positions as first aid instructor, teacher in Indian love and Indian dancery, water front director and director of camp scenery. He will live in the family camp with Mr. Williamson. They both have a great deal to contribute making Camp Ma-Ka-Ja-Wan just that much finer in 1933.

LAST WEEK FOR FREE CAMP LANTERNS
Saturday, May 27th, marks the last day that Scouts can get the souvenir camp flash lantern free by registering for Camp Ma-Ka-Ja-Wan. About 150 have already been distributed and others are rapidly being taken away by Scouts as they pay their \$1 registration fee at Scout headquarters. Camp opens three weeks from Monday, consequently Scouts are busy earning their money and getting set for their two week trip to camp. A good many Scouts are planning to stay all the camp season, or six weeks. Scouts should not miss the opportunity of getting this flashlight. The moral is REGISTER NOW.

At present Troop 35 of Ravinia leads in troop registrations having nine boys that have registered for camp and now have the flashlights. Twenty-three boys from the troop attended camp last year and they are trying hard to meet that record this year. Troop 52 of Deerfield Presbyterian Church have eight registered while Troop 11 of St. Francis Catholic Church of Wilmette have seven registered and expect twenty. Troop 38 of Highland Park Rotary Club anticipate having at least fifteen with six actually registered to date. Troops having at least twelve boys and a volunteer leader registered will have the privilege of selecting the village they choose to live in at camp.

FLAG POLE ERECTED FOR FAIR EXHIBIT
The North Shore Area council for their contribution to the permanent Boy Scout exhibit at the Century Progress Exposition planted a thirty foot flag pole at the exhibit. This pole was made possible through the Edward J. Hines Lumber Company and will be a token of the North Shore Scouting interest in the Century of Progress. The Boy Scout exhibit occupies a 100 foot space just south of the east end of the Century Ride on the Enchanted Island. This exhibit will be ready for the opening this Saturday and daily thereafter will be Scouts and Scout leaders on hand to show people about the exhibit and to put on demonstrations and exhibitions for their entertainment. North Shore Area council has charge of this exhibit as well as the Boy Scout Handicraft demonstration in another section on the day of August 17th.

TROOP COMMITTEES VISIT SCOUT PARENTS
Throughout the North Shore Area council Troop committees of the various troops are organizing to make a 100 per cent visitation of the Scout parents so that they may know the exact situation and the possibilities of
