HIGHLAND PARK, ILLINOIS, THURSDAY, JUNE 29, 1933

NUMBER 18

## HIGH SCHOOL BILL LOSES LAST WEEK

### Failure of Lake Forest Plan Does Not Mean Fight Will Be Given Up

Lake Forest's recent fight to withdraw from Deerfield-Shields Township High School District failed on Thursday of last week when the bill which would have allowed the city to withdraw and build its own school, was defeated in the state senate by three votes. The vote on the bill was 21-18.

Failure of Lake Forest's last program to secure its own high school does not mean that the project will be abandoned. Those who are waging the fight to withdraw from the district in order for Lake Forest to have its own school, say, "Highland Park and the rest of the district will see the necessity of separation eventually."

There was considerable argument over the bill in the state senate. Senator Ray Paddock, of Wauconda, from the district in which Deerfield-Shields High School is located, was active on the floor during the discussion, but had disappeared before the vote was called.

About three weeks ago voters of the district defeated the proposition to erect a separate high school, a "branch" school, in Lake Forest, but to keep the city within the Deerfield-Shields district.

## "Gabriel Over the White House" To Be At Alcyon

Tonight is the last night to see "Grand Slam" with Paul Lukas and Loretta Young, the first bridge comedy-romance on the screen. Included on the program for the evening is a Charley Chase gloom chaser.

On Friday and Saturday, the feature attraction will be "Gabriel Over the White House," starring Fay Wray and Walter Huston. You must see this picture. Everyone is talking about it.

You have never seen George Arliss do such funny things as in "The Working Man," to be featured on Sunday and Monday of this week.

The attraction for the 4th of July holiday is Zane Grey's "Sunset Pass." The Alcyon will run a continuous performance for the day beginning at 2:30.

"King Kong," the picture everyone is so anxious to see, is to be shown on Wednesday, Thursday and Friday, July 5, 6, and 7, of next week.

You are able to enjoy your movie in comfort now as the Alcyon is equipped with a washed air cooling system.

## Informal Flower Show At Northmoor July 6

The North Shore Garden Club will hold an informal flower show on Thursday, July 6, at the Northmoor Country Club. Mrs. Walter Brewster will criticize entries and will talk on "Flower Arrangement" at 2:30 p.m.

Class 1. Terrace luncheon tables set for four (entries limited to 10). Enter exhibits with Mrs. Lewis Lepman, Glencoe.

Class 2. Modernistic flower arrangements.

Class 3. Arrangements for occasional tables.

This show is to be judged by popular vote. Entries must be placed by 2 p.m.

## Mothers Club Plans Series Of Picnics

The Mothers' Club of the YWCA is planning a series of picnics during the summer, the first of which is to be held in Sunset Park, Thursday, July 6, at 12 o'clock. Everyone is welcome. Come and bring your lunch.

## NEW POSTAGE RATES

Postage on first class mail matter deposited at the local post-office for delivery to local patrons receiving mail from that office is now chargeable at 2 cents an ounce or fraction thereof. This new rate will go into effect on July 1, for one year only. No other change in postage rates is contemplated at this time.

The old rate was 3 cents per ounce for first class matter, regardless of destination within the United States. The new rate applies only to letters posted in the city and destined for addresses within the city. All letters going out of town, no matter if only to the next town, will require the regular 3-cent stamps.

The 3-cent rate was adopted in July of last year and came as a measure of the Hoover administration to make up deficits in the postoffice department of the government.

## Garden Class of Local Woman's Club To Have World's Fair Display

The Garden Department of the Illinois Federation of Women's Clubs will have a garden and flower display at Horticulture Hall at a Century of Progress from July 1 to 7.

The garden class of the Highland Park Woman's Club is to present a special feature display entitled "A Woodland Path." The local club has been signally honored since it is the only exhibitor which has been invited to continue its display for the duration of the fair. It has also been invited to have two hostesses at Horticulture Hall during the display week. Mrs. Fred Clutton and Mrs. Frederick Voegt will act in this capacity.

The committee in charge of arrangements, composed of Mrs. Voegt, Mrs. Edward Steele, and Mrs. O. Wallen, is working hard and the display promises to be beautiful and interesting.

All club members may participate in the exhibition, for in addition to the special feature there will be arrangements of flowers suitable for living rooms. These entries may be simple and the flowers need not be grown by the exhibitor. Entry blanks may be secured from Mrs. Ernest Reed, president of the Community Garden Class of the Highland Park Woman's Club.

Mrs. Wallace Coombs who is garden chairman for the Illinois Federation, urges all club members to help make this garden and flower display week a success by making entries if possible and by visiting Horticulture Hall during the week of July 1 to 7.

## Carnival At the Oak Terrace School Will Be June 29-30, July 1

The annual Oak Terrace School Board Carnival given for the benefit of the school fund, will be held Thursday, Friday, and Saturday, June 29 and 30, and July 1, at the school grounds in Highwood. The proceeds will be used to help the maintenance of the school, which is District 111. Cash prizes totaling fifty dollars will be awarded.

In former years, features of the carnival have included music and dancing, refreshments, booths of all kinds, games, awards, and a merry-go-round. This year's carnival will be similar.

"We call upon all citizens in the School District 111 to help this cause to success. We are desirous of the co-operation of all" state members of the school board.

## Deerfield Post Plans 8th Annual Carnival

Deerfield Legion Post is planning its eighth annual carnival. Commander William Cruickshank, at the post's meeting Monday night, appointed a committee which is to meet Thursday evening to arrange for the event.

Each summer, since 1926, Deerfield Post has conducted a carnival, and it has come to be anticipated as one of the major events of the community activities.

## Shore Towns Maintain Good Health Records

Little prevalence of communicable disease was shown in Lake County, especially outside Waukegan, for the monthly period ending June 20.

Highland Park, with a population of 12,203, had three cases of measles, one piece of scarlet fever and chicken pox, and ten of whooping cough.

Lake Forest, with 6554 residents, had one case of measles and no other contagion.

A perfect record was hung up by Lake Bluff, with a population of 1452.

## Hospital Is Scene Of Activity On Saturday Night, Sunday Morning

The Highland Park Hospital was a scene of activity Saturday night and Sunday morning, and its staff worked at top speed.

Bringing three babies into the world.

Performing two emergency operations.

Treating seven persons injured in an automobile accident.

The auto accident occurred early Sunday morning at Waukegan and Dundee Roads, when two cars collided. Seven persons were injured, three of whom received minor injuries and were released from the hospital after their wounds had been cared for. The four who remained at the hospital, recovering from injuries are, Norman McDonald of Chicago; Mr. and Mrs. Frank Sandberg and Oscar Sandberg, of Rhineland, Wis.

## JULY PROGRAM Citizen's Employment Committee

A vote of thanks is extended to the public, for its response to the appeal to give work to the 700 men and women, in need of assistance in Highland Park. He made this request apply to the month of June, in the hope, that conditions would be sufficiently improved at this time, however, we feel that July must also have consideration.

The immediate future promises the following national and local projects:

I  
The National Recovery Project is to release \$3,200,000,000 into channels where labor will be employed and materials purchased.

II  
Illinois Legislature has a sales tax under consideration, with the assurance of its passage in some form. The proceeds from this tax can in part be used in paying for created work.

III  
The controversy between the State Highway Department and the manufacturers of cement has been adjusted. The result of this settlement will provide labor on roads to many that are idle on account of the dispute.

IV  
Our local State Highway No. 57, Skokie Valley Road, will proceed again, probably to completion.

V  
The Highland Park Social Service is administering relief for the Illinois Emergency Relief Commission throughout Deerfield Township. The funds in the treasury of the Highland Park Social Service are being used to provide a revolving fund to finance work-projects to give work-relief to the unemployed. The policy being followed is to take all able bodied men from direct-relief and put them on work-relief. To do this successfully more work-projects are necessary and a larger sum of money for the revolving fund.

VI  
Last, but of utmost significance is the absorption of 1,600,000 workers, into the channels of commerce, since President Roosevelt started his dynamic forces into action, to revive the United States. The picture of the immediate future looks brighter. "LET'S GO—HIGHLAND PARKERS" in giving our own men and women in need of work, such jobs as we can easily provide, getting actual returns for work provided and building up morale, fitting these, that are now idle for permanent employment.

When these unhappy times become only a memory, we will congratulate ourselves in having assisted in routing conditions, that surely have been serious for every one.

An intensive campaign by telephone approaching all of our citizens, asking consideration in this vital matter is being conducted by Mr. Axt, in charge. Telephone H. P. 4001, if you can help. Immediate response will be given all requests for created work.

We will again inform the public of results obtained in July. Make July show better than June. These efforts all help to reach the goal we are aiming at—There should be more jobs than men—it can be done.

The Highland Park Citizens' Committee members are: Mayor E. B. Metzler, Mayor E. V. Mocoigni, Col. Raymond D. Smith, chairman, Lyle Courley, C. Edward Thorney, Mr. and Mrs. C. W. Balke, G. S. Canright, W. J. McDonald, Alex Rafferty, Robert Greenslade, J. B. Jackson, A. N. Smith, George A. Nixon, R. P. Sherer, R. A. Bryant, K. E. Wagner, Julius Zimmer, D. R. Lasier, Lawrence Stein.

EMIL B. METZLER, Mayor,  
Ex-Officio Chairman,  
Citizens' Employment Committee.

## HORSE SHOW AT FORT SHERIDAN NEXT WEEK

### Early Reservations For Boxes At North Shore Event Announced

Reservations for boxes at the annual 6th Corps Area Horse Show, to be held at Fort Sheridan on Monday and Tuesday of next week, July 3 and 4, are being received this week by Lt. G. S. Smith, secretary and treasurer of the Horse Show Association.

Among the early boxholders for the show, which is always a social and sporting event of first rank each year, are the following (up to Wednesday noon):

Maj.-Gen. Frank Parker, Brig.-Gen. Frank C. Bolles, Rear Admiral Wat T. Cluverius, Mr. and Mrs. John Dorn, Col. C. C. Haffner Jr., Mrs. James Patten, Mrs. Robert R. McCormick, Mrs. J. T. Bowen Jr., Mrs. George H. High, G. D. Cowin, Randolph E. Poindexter, James Levall, Fred A. Poor, A. B. Dick Jr., F. W. Cushing, Benjamin Leslie Behr, Mrs. Laura Shedd Scheppe, Cyrus McCormick and Miss Ruth Suckoff.

Entries from practically all North Shore stables will compete in the annual show. There will be 31 classes this year, six of which will be children's classes. The children's events will be held at the same time the adult classes compete. A trophy will be presented to the winner of every class, and four ribbons will also be awarded in each class.

The events will be held on Monday morning and afternoon, July 3, and on Tuesday morning and afternoon, July 4. The morning programs will start at 10 o'clock and the afternoon programs at 1:30.

Hundreds of entries from the 6th Corps Area officers' stables, as well as from the private stables of the North Shore, compete each year. Greater interest than ever is being shown in the forthcoming show, and all owners are invited to enter.

## Waukegan Roller Rink Is Popular Locally

That a great many local young people are becoming "Waukegan-minded" may be substantiated by the numbers seen at the regular Thursday and Sunday night dances held at the new and spacious roller rink located west of Waukegan on Belvidere road.

The orchestra incidentally is excellent and exceptional entertainment is offered in connection with the musical program.

## Highland Park Stores Will Be Open Monday, Day Before The Fourth

Following a survey of the Highland Park business district yesterday, the Highland Park Chamber of Commerce announces that all local stores, as well as the offices of the local utilities, will be open all day Monday, July 3.

Practically all offices and business houses will be closed the following day, the Fourth of July, however. Drug stores, restaurants, and possibly a few others will be open for a part of the day, or the entire day.

Memorial Day, May 30, and Independence Day, July 4, both fall on Tuesday this year.

The Highland Park Press will appear early Thursday morning, as usual, next week. Advertisers and news contributors are asked to get their copy in on Monday next week, to insure its appearance in Thursday's paper.

## Local Police Assist In Capture of 3 Armed Men Tuesday Morning

Three armed men, who said they were on their way to Kenosha County to loot slot machines, early Tuesday, were arrested by a posse of more than 50 police drawn from North Shore cities and central Lake County. The fourth man escaped.

For three hours, 25 state highway policemen, five squads working under Sheriff Lester T. Tiffany, and Chief Deputy Sheriff Thomas E. Kennedy, and four squads of Lake Forest police under Chief of Police Frank Tiffany, surrounded fields and woodland in the vicinity of Rockland and Telegraph roads.

But one man, Charles Sarver, 31 years old, of 2033 Gray Avenue, Evanston, a negro, was caught in this net. He was picked up by Deputy Sheriff's John Sweeney and Edward Hoff near the Wilson farm on Telegraph Road.

Highland Park policemen, Dennis Driscoll and John Nizzi, caught the other two, Rossie Kelley, 30 years old, of 1832 Hallen street, Evanston, and Clarence Carter, 28 years old, of 360 Washington street, Glencoe. Both are negroes. Driscoll was the policeman to capture Nick Maentanis, a "4-gang" member, three years ago following the robbery in the William F. Mitchell home in Lake Forest.

One man escaped. He was J. G. "Red" Amis, 28 years old, formerly of 651 Glenview avenue, Highland Park. Amis, according to Sheriff Tiffany, was dishonorably discharged from the army, and later served from Nov. 15, 1932 to Jan. 17, 1933.

In the county jail for selling a car owned by the Spero Brothers although it had a mortgage on it. Once he lived in Antioch, and later he was a mechanic in the Ree garage at Libertyville.

"He is known to every policeman along the North Shore and will be captured," Chief Frank Tiffany said.

Besides a cordon of police thrown about the fields where the men were seen to escape, police squads from as far north as Kenosha and as far south as Evanston were closing in on the county so that the men could not escape through the dragnet of policemen. In addition to this, Railroad Detectives Plummer and Grady searched all freight cars in the Roundout yards. It was the most complete dragnet ever organized in the county and the men were directed in the field by the radio system of the sheriff and the Lake Forest police.

Sergeant Paul Jensen and Patrolman Alfred Lindenmeyer, of the Lake Forest police noticed the four men at Deerpath avenue, Lake Forest at 2 o'clock Tuesday morning. They were suspicious of the fast traveling Hupmobile sedan and gave chase. At the intersection of Rockland and Green Bay roads the car they were following began to have motor trouble and slowed down, making the catch a certainty. Suddenly the car in front of them stopped in an effort to force them from the road, and Jensen and Lindenmeyer raced by them, halting close to 150 feet in front of the car. The lights from the machine they had chased were focused on the two policemen, and they drew their guns believing the men intended to fire on them. Instead they jumped the fence and ran into the field, where they were caught.

Sergeant Paul Jensen and Patrolman Alfred Lindenmeyer, of the Lake Forest police noticed the four men at Deerpath avenue, Lake Forest at 2 o'clock Tuesday morning. They were suspicious of the fast traveling Hupmobile sedan and gave chase. At the intersection of Rockland and Green Bay roads the car they were following began to have motor trouble and slowed down, making the catch a certainty. Suddenly the car in front of them stopped in an effort to force them from the road, and Jensen and Lindenmeyer raced by them, halting close to 150 feet in front of the car. The lights from the machine they had chased were focused on the two policemen, and they drew their guns believing the men intended to fire on them. Instead they jumped the fence and ran into the field, where they were caught.

## Forest Army From Ft. Sheridan Begins Work In Skokie This Week

The first company of the "reforestation army" to begin work in the Skokie valley has pitched camp on Willow Road in Northfield Township, west of Winnetka. These men are all being recruited from the Fort Sheridan conditioning camp.

By the end of this week the reforestation camp will be gone, in accordance with President Roosevelt's order to have all workers out in the field by July 1.

In all, about 15,000 men have been trained at Forest Sheridan for the forestry work, since the enrollment of the national army of 250,000 men started.

## Hold Lawn Social In Highwood July 6

The Dorcas Society of the Zion Lutheran Church will hold a lawn and ice cream social at the home of Mr. and Mrs. Edgar Benson at 110 Pleasant avenue, Highwood, Thursday evening, July 6. An invitation is extended to the public to attend.

## 2 PERCENT SALES TAX STARTS JULY 1

### Local Merchants Expected To Pass It Along To Customers

The state legislature this week passed a 2 per cent sales tax bill, which was signed yesterday by Governor Henry Horner.

The new law, which goes into effect Saturday, July 1, will replace the recent 3 per cent sales tax bill which was declared unconstitutional by the state supreme court.

The purpose of the new tax measure, as it was of the old one, is the raising of funds for relief purposes throughout the state.

So on next Saturday, the tax becomes effective on sales of all retail merchants throughout the state, and presumably the merchants will start adding the tax to the prices of all wares they sell. There are no exemptions in the law, the only exception being limited to "occasional and incidental sales" by persons whose main occupation is not the retailing business.

For six months, that is, until Jan. 1, 1934, the receipts from the new levy will be turned over to the Illinois Emergency Relief Commission for its operations among the poor. The proceeds for the remaining eighteen months covered by the life of the two-year law, will be devoted to reducing and possibly to eliminating the state tax now levied on real estate and personal property.

Attorney General Otto Kerner states that the new law will be held constitutional. Joseph J. Rice, state director of finance, who will administer the tax act, will make plans for the collection of the tax known today. The estimated revenue is \$35,000,000 a year.

## Complete Playground Program Starts Here For Summer Months

The Highland Park Playgrounds sponsored by the Highland Park East Park Board opened Monday with a complete playground program. On Tuesday and Thursday, mornings the Port Clinton, Sunset, and Lincoln playground groups go to the Central Avenue beach at 9:30 a.m. where they are taught swimming by Ray Cox and Miss Helen Carr. At Ravinia beach, the Ravinia, Braeside, and West Ridge groups have swimming at the same time under the direction of Howard Copp and Miss Phydelle Gourley.

Baseball teams are being organized for the inter-playground games which will start next Monday with Ravinia boys playing at Lincoln playground, and Sunset playing at Port Clinton. The senior teams will be composed of boys from 12 to 14 years of age inclusive and the junior teams boys from 9 to 11 years of age inclusive. The girls teams of grammar school age will play next Friday at places yet to be decided upon.

Inquiries about playground schedules will be answered by calling the instructor at the playground in your neighborhood. A complete schedule will be published in this paper next week.

## Miss Bentley Presents Pupils In Recital

The pupils of Berenice Benson Bentley appeared in recital Sunday, June 25, at 4 o'clock at Windrush, Ravinia. The following pupils took part: Art Supple, Ella Jean Stibbard, Jean Supple, Margaret Jane Falley, Julie Zische, Jimmie Zische, Katherine Falley, Susan Klaber.

## WORTH WHILE THOUGHTS

Cassius had a lean, hungry look, and was not trustworthy—said Shakespeare.

But among the best people we find both lean and plump, and others neither plump or lean.

Diameter has little to do with a person's nature.

"But hunger—that affects disposition.

In our neck of the world's woods we do not let people go hungry for any length of time.

That fact is pronounced in jobless years—a fact in which we can take pride—the way our state and federal and local governments help.

The very small part of taxes that buys food for the hungry gives us the utmost for our money.

And our job in this business is to give our customers the utmost for their money.
