M. H. McCaffrey, 84, a North Shore Pioneer, Dies in Highland Park

Michael Henry McCaffrey, 84, one of the few living Lake County residents who remember the pioneer days before the coming of the railroads, died at his home at 221 N. Second street, Highland Park, Monday morning.

Mr. McCaffrey was born Feb. 4, 1849, and had lived in Deerfield Township since he was 2 years old. He was a carpenter, and had been actively engaged in his trade past his 80th year.

He was truly a North Shore pioneer. He had often told his children that he remembered his first home, in the wilds of what is now Ravinia Park. Later the family moved into Highland Park's then incorporated limits.

In his youth he remembered that Green Bay trail was a dirt road, the forerunner of the present Green Bay Road. Stage coaches made their trips on such trails. The coming of the railroads was an important event.

Mr. McCaffrey's contractor business was established here early, and grew with Highland Park. Mr. McCaffrey was one of the town's first aldermen.

He is survived by Mrs. McCaffrey, ten children, eight grandchildren and one great-grandchild. The children are as follows: Mrs. Alice Duffy, Mrs. Sarah Crum, Misses Julia, Mollie and Margaret McCaffrey, Frank, John, Arthur, Lloyd and Leslie McCaffrey.

Funeral services were held Wednesday morning at 9:30 at the St. James church in Highwood, followed by burial in Ascension Cemetery, Mundelein.

Garment Factory Seeks Deerfield Site

The Deerfield Chamber of Commerce met Thursday evening in the office of Vant and Selig, realtors, with W. A. Bickford, the president, presiding.

Mr. Bickford presented a letter from a Beloit concern, asking for co-operation in establishing a small garment factory in Deerfield. The factory, which makes light garments for children now employs about ten girls. They are looking for an opportunity to expand and in all probability would be able to employ fifty people at the end of a year. In order to obtain this industry for Deerfield, local capital would be required for stock in the concern. Members thought it a good project, but were not willing to back it.

The Chamber of Commerce has secured a sight for a tourist camp. Mr. A. J. Johnson has leased Jewett Park, across from his restaurant, where he will erect tourist cabins and supervise the grounds. The Chamber of Commerce has turned the responsibility of the camp over to Mr. Johnson.

Big Crowd Expected At Sunset Valley Golf Club Next Week-End

A near capacity crowd is expected to enjoy the golfing facilities of the Sunset Valley Golf Club over the coming week-end. On Sunday the finals in classes A and C will be played and on Tuesday, the Fourth of July, a blind bogey and a flag tournament are carded.

Starrels' 1 up victory over Raney in 20 holes featured last week's class C tournament play. In the other third fight match C. L. Jordan, defending champion, defeated G. Pett with a par on the eighteenth hole. The battle between Jordan and Starrels carded for Sunday will renew their rivalry, from last year when the south-paw eliminated Starrels with a 1 up victory.

Mowbray is the new class B champion by virtue of his 1 up victory over De Staebler last Sunday. Both golfers played a good game and the match was one of the best of the tournament.

In class A, Walker Flinn and Joe Davis are the finalists. Flinn came through with a 4 and 3 victory over Director Bob Rosenthal and Davis counted a 1 up victory over Art Olson, the prominent haberdasher. Olson had previously scored a 1 up victory over P. S. Osgood after a 19 hole thriller and was expected to be a sure finalist.
