Congress strains and perspires terribly, trying to frame a tax law that will balance the budget. One shudders to think of the agony it would go through if it had to get out and earn the money, like any other business concern. — Kansas City Star.

**The Georgia Jubilee Singers to Be at High School on April 28**

Preeminent in the field of Negro ensemble singing and descendants of the original exponents of Negro spirituals, the Georgia Jubilee Singers have become a musical tradition of international significance. Sixty years is a short time to have produced the three finest groups of singers in the Negro race. The present group, four women and three men, is the third generation of these singers, who will be heard at the Deerfield-Shields High School auditorium on Friday evening, April 28, at 8:15.

They have sung before Queen Victoria, the King and Queen of Holland, Gladstone, and the Earl of Shaftesbury. The present group has made four tours of Europe, appearing repeatedly in all countries. In Paris they filled Salle Gaveau four times and were soloists with the Colonne Orchestra and Societe Philharmonique. They sang "By Command" before King George and Queen Mary, who questioned them at length about the work accomplished by the Georgia Jubilee Singers, and they have also given private concerts at the homes of Lady Astor, Premier Mussolini, Ambassador Tobin of Holland and Ambassador Fletcher at Rome. In the United States, they have sung several times at the White House, and in concert in practically every city, large or small. They have appeared and reappeared with the Symphony Orchestra of Detroit, Chicago, and Boston, and in the summer of 1929; they were the first negroes to appear in Hollywood Bowl, where they have made a remarkable success.

The timber and quality of their voices, individually and perfection of their ensemble is the constant admiration of eminent musicians. They have the endorsements of Walter Damrosch, David Manner, Eva Gauthier, Alma Gluck, Frank LaFever, and also French artists as Ravel and Rabaud.

In their missionary efforts of

three generations and their far-flung tours on the two continents, the Georgia Jubilee Singers would seem to rate as the most powerful factors in obtaining an impressive recognition for the musical genius of their race. Dan Travis is manager and director of this excellent group of singers.

**Comedy Presented Saturday Is Success**

Dorcas Circle Four of the Deerfield Presbyterian church presented a one-act comedy Saturday evening in the church assembly room. "My Cousin from Sweden" was a mirth provoking play very capably presented under the direction of the chairman, Mrs. William Wing.

Mrs. Verne Jeanette	
Grace Varner	May Preston
Mrs. Emil Fredericks	Gladys Preston
Mrs. Raymond Dobbins	Ann

The Brotherhood met last Thursday evening at the Bethlehem Evangelical church, Deerfield. At the annual business meeting, Mr. Arno E. Bates was elected president; Carl E. Bates, vice-president; Harold E. Giss, secretary; and Ambrose Cox, treasurer. The men made plans for an indoor baseball league.

They will sponsor a concert on Sunday evening, June 11, by the Men's Brotherhood Chorus of the Chicago Area, which has about 30 voices.

**Manila Orchestra To Be At Academy**

Louis Biason and His Manila Orchestra.

The leader and director of the Louis Biason and his Manila Music combination, who are to appear in Reid Hall, Lake Forest Academy, Saturday evening, April 15, at 8:15, is Louis Biason, recently a law student at Northwestern University. His brother, Perfecto Biason, a medical student of the University of Minnesota, is also in the company. All the boys are from fine Philippine families and students of leading colleges and universities. Music is their hobby and best friend.

In a recent interview Senor Biason expressed the views of many educated young Filipinos in regard to the independence of the islands. He feels doubtful whether they have yet developed the intelligent, patriotic, and unselfish leadership in the islands necessary to make independence a success. He feels that some of the recent American sentiment for independence may be more influenced by a desire for a tariff wall against Philippine products than disinterested altruism.

Local residents are cordially invited to attend the concert.
