Learn To Ride But.... Horseback Riding is a healthful-fascinating sport but... to get the utmost pleasure out of it you must ride well. As in golf, tennis, swimming or any other sport the right kind of instruction when learning is paramount, as wrong habits acquired through lack of proper teaching are later very hard to correct. In order to promote the healthful pastime of horseback riding, I will gladly talk your riding problems with you and give you free advice based on my experience of over 30 years. However whether you see me or not, before you start to learn to ride be sure that you are getting adequate and proper instruction.
