

**Garden Class Visits
Beautiful Waukegan
Gardens On Tuesday**

(Continued from page 1)

Crossing the street into Upton park they became the guests of Mrs. Georgia Douglas Clark, whose peony and iris gardens as well as her magazine articles are well known.

To say the Garden class was interested in putting it too mildly, as Mrs. Clark led them from tree to tree, each with a story of its own. There were the ginkgo trees from Japan and China, many of which were planted before any were introduced to live; the Kentucky coffee tree and cucumber magnolia from the south; English elms, tree lilacs, a rare cut leaf ash, a camper-down elm, eighty years old; an European larch and mammoth maples and hemlocks.

These were planted by Robert Douglas, grandfather of Mrs. Clark, who built his home on this spot in 1834 (the house is still standing), and in 1848 established the Douglas Nurseries, these trees being a part of that project. Later this property was purchased by a Mr. Upton, and still later by the city of Waukegan and became a public park.

The next visit was to the garden of Mrs. Charles Ingalls, adjoining Upton park. This garden is delightful in its simplicity, a novel idea being the use of English ground ivy in places where grass does not readily grow.

The last, but by no means least, charming place visited was the home of Mr. and Mrs. William Hardie at 414 N. Sheridan road. The ladies were greeted at the gate by Mr. Hardie and at the door by Mrs. Hardie, each of who it is said, is eighty years old.

Entering the lovely old home, built in the early forties, they were urged to roam about and enjoy the collection of antique furnishings with which every room is perfectly furnished. Mrs. Hardie informed them that almost every piece, of which she is justly proud, has been handed down for generations in her own family or that of very close friends.

This garden is a gem and in keeping with the rare old place.

The tour ended and the Waukegan Garden club has given the Community Garden class of the Highland Park Woman's club one of the most enjoyable times of its existence.

**Onwentsia Polo Team
Plays Fort Sheridan
Next Sunday at 2:30**

The Fort Sheridan and Onwentsia Club polo teams, evenly-matched good-natured rivals, will play at the Fort Sheridan field next Sunday afternoon, starting at 2:30.

A Fort Sheridan-Onwentsia game is usually a closely-contested, interesting battle, and the players on the two teams are some of the best known players in the Middle West.

Last Sunday Fort Sheridan defeated the outh Shore polo team captained by famed Herbert "Herb" Lorber, the "Babe Ruth of polo," 8-10, at Fort Sheridan. Mr. Lorber, who will play for Onwentsia next Sunday afternoon, and Capt. C. A. Wilkinson, of Fort Sheridan, each made four goals in Sunday's game.

In addition to Mr. Lorber, the Onwentsia line-up for next Sunday will include Charles Glore, Prentiss Porter and Dick Simmons. The Fort Sheridan team will be composed of Maj. Rhinehart, Capt. Clifford Cole, Lt. G. S. Smith, and Lt. L. G. Smith.

Last Sunday's results were as follows:
L. G. Smith, No. 1, Col. E. Hunter, Capt. Wilkinson No. 2, Herb Lorber, Capt. C. E. Devlin No. 3, Capt. P. J. Griffin, Lt. L. G. Smith, Ed. M. C. Smith.
SCORE BY CHUKKERS
Fort Sheridan 102 191 33-10
North Shore 222 116 11-4
Goals—Smith, 3; Wilkinson, 4; Davis, 2; L. G. Smith, 1; Lorber, 4; Rodas, 2; C. C. Smith, 2.

**Play School Operetta
To Be Next Saturday**

The operetta which is the project of the Green Bay Play school will be presented on the terrace at Green Bay school on Saturday afternoon, July 29, at 4 o'clock.

The operetta has been directed by Miss Marjorie Lynch and Miss Catherine Geary and the costumes and scenery have been made in the handcraft classes during the five weeks of the play school.

The scene of the operetta is laid in a Spanish garden and the music, in keeping with Spanish life, is extremely tuneful and colorful. The dances of the Spanish gypsies adds a great deal of life and merriment to the "Spanish Fiesta," while a goodly share of patriotic spirit of America is interspersed into the story through the visit of an American girl. The public is cordially invited.

**Duke Wellington Plays at
The "Horse Shoe Inn"**

Duke Wellington (no relation to the famous Ellington) and his Dixie "HaChas" have again been held over for another week as the main feature of the floor presentation of the new "Horse Shoe Inn" located on Dundee road west of Glencoe. In keeping in line with the new policy of this popular North Shore dance band will appear every night except Monday and Tuesday.

Quoting from an excerpt in a local press release we find that "featured in the floor show are Jack Jones, the southern songster in a fantasy of sock and sob numbers, Al Fresco at the bull fiddle, and Berry Brown in a hot stepping hula dance in which he moves everything except his feet.

"The dance floor is elevated in the center of the dining room so as to take advantage of the continually moving colored lights playing back and forth upon the dancers. While the club is located west of Glencoe, it may well fit into the title of the "coziest dance in the Chicago area." It is truly a club with a distinctive personality.

"Good food, moderate prices with no cover charge prevail and featured, of course, is that delightful cool north shore suburban atmosphere and the very best 3.2 beer."

**Three-Way Tie In The
Indoor Baseball League**

The fourth week of the schedule in the Park Board indoor baseball league finds a three-way tie for first place between the Mud Hens, the Wild Cats, and Fells' Clothiers, each having won all of their games.

The play in the second round is proving to be more exciting and closer than the first, due to the fact that two of the weaker teams in the league, the players in the two teams signed with other teams and so strengthened the remaining ones.

These games are played every night at Lincoln Playground, starting at 8:30 p.m.

Standings of the teams to date are as follows:

Team	Games Won	Lost
Mud Hens	4	0
Wild Cats	3	0
Fells' Clothiers	2	0
Black Hawks	4	2
Panthers	3	1
Ravens	3	1
Tigers	3	0
Ramblers	4	0

**Girls' Wild Cat Team
Defeats Ravinia, 22-20**

Last week was one of victories for the Wild Cat nine of the girls' baseball league, for they defeated Ravinia, 22-20, on Monday evening, and on Thursday they routed the Shipmates, 16-3.

The Wild Cats and the Ravinia team are in a close race for first place, each having two victories and Ravinia having one defeat suffered at the hands of the Wild Cats.

In the game Thursday night between Lincoln and Port Clinton, the Lincolns came out ahead, 12-9. The nightly practicing of the Port Clinton group is showing results and their game is steadily improving.

**"Junior" Cope Makes
Hole-In-One At 11th
At Sunset Valley Club**

"Junior" Cope, son of Mr. and Mrs. Walter Cope of 645 Vine avenue, Highland Park, made a hole-in-one at the Sunset Valley Golf Club course Tuesday afternoon.

Mr. Cope took only one stroke to negotiate the eleventh hole, a 145-yard hole "across the creek." He used a No. 7 iron, and the ball did not hit any trees or other obstructions enroute.

It was Mr. Cope's first (and he says last) hole-in-one.

Fred Meierhoff of Highland Park, was his companion when he made the shot.

**Local Children Guests
At White Sox Contest**

On last Thursday, fifty children from the playgrounds in Highland Park went to the ball game between the Cleveland Indians and the Chicago White Sox.

These trips are popular with the children of the community, one hundred of them having visited the Cubs' Park a week ago to see the game between the Cubs and the Boston Braves.

**Local Delegates At
Labor Convention In
Springfield Recently**

Six delegates from Highwood and Highland Park attended the Illinois Convention of Farmers and Laborers' Continental Congress held in Springfield July 22 and 23, with nearly 500 delegates present. Duncan McDonald of Springfield, former president of the Springfield Federation of Labor, was elected chairman of the convention.

The various trade organizations were divided into six different caucuses, each trade union having its own caucus. These selected their proportion of members to committees on unemployment and economic security, public ownership, taxation, and banking, agriculture, industrial standards and recovery, and continuation.

Thirteen delegates, whom officers of the convention said were affiliated with the Communist Party, were ejected from the convention after a slight flurry.

Two reports of pre-convention committees on education and civil liberties, adopted with minor amendments, attacked the recent slash in education funds in the city of Chicago and Governor Horner's policy in the mining sections of Illinois during the mine strike.

McDonald, Roy Burt, of Chicago, Dan Donovan of Indianapolis (recently chosen secretary of the National Continental Congress committee), Borders, and Agnes Burns, Wiek (state president of the P. M. A. Women's Auxiliary), delivered the principal addresses.

The local delegates attending this convention were David Olson, F. C. Noerenberg, E. R. Baum, R. Frederickrick, T. Benvenuti, and Conrad Swan.

A complete report of this convention will be given at a special meeting at the Highwood M. E. Church July 28, at 8 p.m. All delegates who attended will contribute an individual report. This meeting is being held jointly by the Highwood Forum and the Unemployment League.

**Volley Ball Becoming
A Popular Sport Here**

The many volley ball games at Lincoln Park show increased enthusiasm for the game by the players in Highland Park. Last Monday evening the Highwood team played the Ravinia team with the seasoned veterans from Ravinia having the high score for the evening. However, the Highwood team is capable of offering plenty of competition to any team.

The Brevoilte Lacquer Company team from Waukegan will play the Highwood and Ravinia teams tonight at Lincoln Park.

The Ravinia Girls volley ball team was also victorious in its games against the Port Clinton girls, winning two out of the three games played.

**The Senior Horseshoe
Tourney To Be Aug. 2**

The senior horseshoe tournament for Highland Park will be held at the Lincoln Playground on Wednesday, Aug. 2, under the supervision of the playground division of the East Park Board. Eight courts will be in shape for the play which will start at 7 p.m.

Any one over 14 years of age living in Highland Park is eligible to compete. Firemen, policemen, base ball team champions, and caddy club champions are especially invited to play.

**Opera Festival To
Be Given At D.S.H.S.**

In contacting North Shore patrons of opera, Mr. Formes, managing director of the Cosmopolitan Opera Company, has found that many North Shore residents are not aware of the unusually fine theatre which is a part of the Deerfield-Shields high school. Some of them seemed to be under the impression that it is just another high school auditorium, quite good enough for concerts and lectures, but in no way fitted for ambitious and complete grand opera performances to be given by the Cosmopolitan Grand Opera Company Aug. 30, Sept. 6 and Sept. 13, respectively. Several even asked if the Cosmopolitan would use regular scenery.

The theatre of the Deerfield-Shields high school is a theatre in every way and in the best sense of the word. Its seating capacity is greater than any theatre of the legitimate stage in Chicago's Loop. Its stage equipment is so complete and modern, that Maestro Bigalli, the musical director, and Bernard Cantor, the stage director of the Cosmopolitan, were both astounded when they saw the theatre.

In next week's issue will be announced the committees formed up to the time of going to press. Mr. Formes hopes at that time also to be able to announce the engagement of the star with whom he is at present negotiating to sing the part of Madame Butterfly.

**Sefton Wakefield Is
Hurt In Air Crash**

Sefton Wakefield, the son of Mrs. Henry B. Clark, 334 Lake avenue, was injured July 14 when the motor of his plane failed while he was flying over the jungles, and he crashed near Candauca, state of Tabasco, Mexico.

The governor of Tabasco sent a relief plane to Wakefield and brot him to the hospital at Villa Hermosa. Later a plane took him to the American hospital in Mexico City. He is suffering from shock and a broken arm. He is planning to come to the home of his mother to convalesce as soon as he is strong enough to travel.

Wakefield has been flying for the Cia Aeronautica del Sur in states of Tabasco, Chiapas, and Yucatan for about a year.

He recently flew thousands of miles over jungles and mountains hunting for Capt. Barberan and Lt. Collar, the Spanish flyers who are lost in that country.

**St. James Parish To
Hold Annual Carnival**

The annual carnival of St. James Parish of Highwood and Highland Park will be held Thursday, Friday and Saturday, August 10, 11, 12, at the residence of Venuh Masik on Green Bay road, Highwood.

Features will include games of various kinds, dancing and dinners. Prices for the dinners have been reduced this year and will be with-in the price of most people's purses.

The chairmen, Mrs. Andrew A. Walsh and Marshall Williams, are putting forth every effort to make this a most successful affair.

On Thursday evening, the parish dinner will be served and will be in charge of Mrs. Nick Williams. Friday night a fish dinner will be served under the direction of Mrs. James Smith. Anyone who has attended one of these dinners in the past, will not want to miss one this year.

**Miss Muller Awarded
Steamship Company's
Marionette Contract**

Miss Catherine Muller, local author-ity on marionettes, has been given the contract of creating the puppets and building the puppet plays for the Chicago, Duluth, and Georgian Bay Steamship Company. She will go on board the ship which is to cruise the Great Lakes and has complete charge of all instruction and manipulation.

Miss Muller is well known along the North Shore for her originality in constructing marionettes and a special exhibit of her puppets will be entered in the Marshall Field & Company display of premiere puppet companies of America during the months of July and August.

**Ravinia Artists Will
Exhibit Their Work
During Artists' Week**

Several Ravinia artists will be exhibitors in Grant Park next week during Chicago Artists' Week, July 29 to Aug. 7, proclaimed by Mayor Edward J. Kelly. Several hundred artists of Chicago and vicinity will exhibit their works for sale during this week.

"The artists exhibiting in this event," read Mayor Kelly's proclamation, "are most desirous of making themselves self-sustaining, and this is their method of obtaining funds for their maintenance. I am informed that the artists will again consider trading their works for almost any kind of merchandise or commodity.

"The exhibit, which will be the last of the year by these artists, will be an educational event, since most interesting demonstrations of the various art processes will be given, accompanied by informative lectures."

**Mrs. Harry H. Fritsch
Dies In Colorado**

Mrs. Florence Finckney Fritch, wife of Harry H. Fritch of Harvard Court, died suddenly at Colorado Springs, Colo., on Wednesday, July 19. Funeral services and burial was held at Colorado Springs.

**Women of The Moose
Will Meet On August 2**

The Women of the Moose met last Wednesday evening at the home of Mrs. Clifford Wiles, 215 North Second Street, with a goodly attendance.

The next meeting of the officers will be held at Mrs. Wiles' home on Friday evening, July 28, at 8 p.m. The regular meeting of the lodge will be held Wednesday, Aug. 2, at the home also.
