Ravinia Family Thanks Local People for Help

this small world of ours, especially when we find helping hands around lus that seem to be heavenly sent "It would be hard to try to express with words the kindness that has been appreciated by the family of F. Amendola of Ravinia in their need during their son's illness," according to the members of that family. This life would have been a bitter struggle had it not been for the unforgettable and untiring work of Mr. and Mrs. Hardacre of the Social Service, Dr. Jacks, Lee Gatewood, G. Gatewood, The Ravinia Woman's Club, county, and last but not least, the Highland Park Hospital.
