## TREMENDOUS DOLLAR DAY VALUES

Thursday-Friday August 10-11

In face of the rising market, never was a Dollar Day so important from a money-saving viewpoint—for, in most cases, never were prices lower than quoted here, and in all probability never again will be so low. To anticipate requirements for as far ahead as possible will prove to be a decidedly good investment.

We Can Not Guarantee Quantities  
To Last Throughout the Sale.
