 Advance  
 Retail prices are certain to advance in the near future, for not only have raw materials shown sharp advances, but practically all manufacturers are now working under the President's re-employment agreement and have notified all buyers that from now on all goods will be billed plus N.R.A. costs—ranging from 10% to 25% of purchase price. In addition, all cotton goods contains a process tax charge. The effect of these combined forces are soon to be noticed on the marked price of the merchandise you need.
