Royal Neighbors Hold Fine Meeting

The Royal Neighbors of Highland Park, Camp No. 5, held their regular meeting on Wednesday evening, Aug. 23, at the Masonic Temple. Mrs. Florence Welch, oracle, presided over the business meeting, during which it was decided to hold drill practices on the next two meeting nights, namely the second and fourth Wednesdays in September, inasmuch as this camp is to put on some of the work at the convention to be held in Waukegan on October 26. Following the business meeting, a novelty was introduced by Mrs. Mae Hanson, social chairman of the evening. A parcel post auction was held, surprise packages being auctioned to the highest bidder by Miss Jen Watkins, who turned out to be a very witty and able auctioneer. The sum of \$8.66 was realized from this unusual pastime. The camp was honored to have as visitors Mrs. Krueger, district deputy, and the oracle of the Ravenswood Camp. Refreshments were served and everyone present pronounced the evening a great success.

On 4000-Mile Trip

Mud Hens Win Park Board Indoor League Title Again This Year

The Highland Park East Park Board district's indoor baseball league title was won again this year by the Mud Hens, of the Lincoln playground, who were the winners. The Mud Hens won the second round of this summer's competition, and defeated the Black Hawks, winners of the first round, last week, in three straight games, to win the championship. The first game, of 12 innings, was won 4-3; the second, of 9 innings, was won 10-12; and the third, of 10 innings, was won 5-4.

The work of Halberg, Mud Hens' pitcher, was outstanding this year. He will pitch for the Park Board's all-star team, on which will play seven of the Mud Hens.

The line-up of the Mud Hens this year was as follows: Sorsen, iff; C. Skidmore and Pett, cf; Decker and Niebuhr, rf; Dingle, 3b; Russell, 2b; Mercer and Johnston, ss; B. Skidmore, lb; Halberg, p; Wink, c.

The lowest-cost automatic heat is **Oil-O-Matic**
as hundreds of thousands of users can, and will, tell you!

CERTAINLY you want automatic heat, but you want economy. Cost. Figure it on any basis—by the year, by the day, or as the engineer prefers, by the B.T.U. (heat unit)—oil heat is the lowest-cost automatic heat obtainable. Oil-O-Matic, which burns the low-cost fuel oils, heats more homes than any other oil burner in the world.
