

Boy Scout News

THE NATIONAL GRAND LODGE ARROW MEETING
 Eight members of the Ma-Ka-Ja-Wan Lodge of the Order of the Arrow arrived here last Sunday from very eventful Grand Lodge meeting of the Arrow at which 250 members from many different places throughout the United States attended. Carl McManus, George Berach, Cal Gartley, Dick Wichman, Ed Koebelin and George Hinn attended as delegates while Mr. Wichman and Ernest Berach along with Mr. McManus assisted very kindly by transporting the group to the affair which was held at the Chicago Council Owasippis Scout Camp Chicago situated in the northern woods of Michigan, near Whitehall on Sept. 7-10.

The ritual team of our lodge composed of Cal Gartley as Allovast Sakiman the chief, Dick Wichman as Meten the medicine man, George Hinn as Nutliet the guard and George Berach as Kichknet the guardian of the trail gave a demonstration of the first degree of the brotherhood. Many compliments were given after the ceremony was over. The most important thing among the many things discussed was the step taken to make the Order of the Arrow a part of the National Council, Boy Scouts of America. In the past the Arrow affairs were under the supervision of a separate National Grand Lodge group of men. In the future because of the steps taken at this meeting the brotherhood will be under the management of the National Boy Scouts headquarters at New York. At the present there are forty nine lodges throughout the country. With the aid of the new move, it is expected that the number of lodges will swell greatly.

DISTRICT MEETINGS
 Beginning Monday, Sept. 25, with a meeting of the District Committee of Deerfield a series of eleven district meetings will be held. With a big program to be put into operation in all eleven districts the interest in local work is intensified by meetings of men from the local district.

REGIONAL MEETING OF SCOUT EXECUTIVES
 The annual meeting of Scout executives in Region Seven comprising Illinois, Indiana, Wisconsin and Michigan will be held next week Tuesday, Wednesday and Thursday, Sept. 19, 20, 21 at the Edgewater Beach Hotel, North Shore Area. Council will be represented at the meeting.

HOUSE CLEANING AT HEADQUARTERS
 The office at headquarters is undergoing its semi-annual intensive cleaning. Operating since summer camp with less space it was necessary to make drastic changes in the arrangement of all office furniture and equipment. W. P. Cody, Scoutmaster of Troop 11 of Wilmette and Winston Long, Assistant Scoutmaster of Troop 35 of Ravinia are engineering the changes. They are being assisted by representatives from Troops 51 and 52 of Deerfield. Visitors to council headquarters will always be welcome.

ADVANCEMENT FOR H. G. BOLTZ
 H. G. Boltz, who has been working in Waukegan during the month of August co-operating with the Waukegan Scout council, has accepted a permanent position as Scout executive of the Hoosier-Hills Area council with headquarters in Madison, Ind. Mr. Boltz reported in Madison in his new capacity, Tuesday, Sept. 6.

Up until Dec. 15, 1932 and for two and one-half years previous Mr. Boltz served as field executive in the North Shore Area council. During this time he acted always as summer camp as assistant camp director. He served in this capacity this summer as well at Camp Ma-Ka-Ja-Wan.

Mr. Boltz has rendered a fine service to Scouting in the North Shore Area. His many friends will be glad to hear of his good future. Hoosier-Hills council is to be congratulated on securing his leadership.

SEA SCOUT CRUISES
 Capt. S. Jack Demorest with the S. S. Albatross and his crew reached port Sunday after a very successful ten day cruise. Sea Scouts on this last ten day trip of the season are as follows: Perry Crawford, Bill Pavey, Stoddard Small, Wm. Kidd, Bartlett Price, John Weese.

This year was one of the most successful for Lake Michigan cruises. The Sea Scout Committee feel very happy over the results of the summer. There is no better way to get a Sea Scout to get good knowledge of Sea Scouting than by taking such a trip as is provided on the Albatross.

SPECIALIZATION TRAINING COURSES
 About the first of October the Training Courses and Good Fellowship gatherings for Scout leaders will get under way.

The Council Training Committee for this year has in mind putting on a number of specialization courses which will be especially helpful in the operation of a troop. Some courses already suggested are as follows: 1 handicraft, 2 games, 3 woodcraft, 4 camp cooking, 5 first aid.

Scoutmasters and other Scout leaders having suggestions along this line should pass their ideas on to their district commissioner.

The prospects are that the coming year will be big one in practical training for our Scout leaders in the game and prospective.

The Training Committee comprised of all the commissioners will hold a meeting shortly to definitely decide the training for our Scout leaders in the game and prospective.

The Training Committee comprised of all the commissioners will hold a meeting shortly to definitely decide the training program for the year.

NORTH SHORE EXECUTIVE BOARD MEETS
 The first autumn meeting of the North Shore Executive Board will be held at council headquarters Monday, Sept. 18 at 8 o'clock. This meeting will provide a great deal of information because the summer camp report, the Sea Scout Cruise report and other items of tremendous importance will be given. This will be a very worthwhile meeting and council members,

other than those serving on the executive board will be welcome as well.

A TRIP TO MA-KA-JA-WAN
 Scout leaders, Scoutmasters, Assistant Scoutmasters, Troop committeemen, executive board and council members will be interested in a trip to Camp Ma-Ka-Ja-Wan now being planned. For almost certain the trip will be scheduled for leaving Council Headquarters Friday, Sept. 22 at 4 o'clock picking up a group from Waukegan one half hour later. The return trip will be made after dinner Sunday, Sept. 24.

The cost at camp for five meals and a good two day program will be nominal. Arrangements for transportation can be made on the basis of all traveling in one automobile sharing the expenses of gas and oil.

Those interested in such a trip please call headquarters. The Scout leader who missed out this last summer has his chance here for a good two day outing. Executive board members will be especially welcome.

A SCOUT IS PREPARED
 Eight members of the Order of the Arrow proved themselves to be prepared in a case of emergency last Sunday while returning from the National Grand Lodge meeting held at Whitehall, Michigan. Four Scouts from Chicago, traveling a few miles ahead of the North Shore Area council group consisting of Cal Gartley, Ed Koebelin, George Hinn and Carl McManus, arrived at the scene of a head on collision which occurred about twenty miles north of Michigan City, Indiana. The accident had occurred about two minutes before they arrived, but the people already gathered were too horror stricken to act. The Scouts were the first to take action. Three Chicago Scouts were rendering first aid to three of the victims while one handled the job as traffic officer for people were gathering about and getting in the way. Inasmuch as there were six people hurt, the four Scouts from Chicago welcomed the arrival of the group from the North Shore. Ed Koebelin immediately took the job as traffic manager while the other three helped to administer first aid and to see that doctors and ambulances had been sent for. Because of the fact that the scene of the accident was so distant from any town it took about half an hour before three ambulances and the doctors arrived. The doctors complimented the Scouts on their actions for there was not much left to be done. Cal Gartley accompanied one of the ambulances and assisted the victim, while George Hinn did the same in the other serious case. The victims in both cases were rushed all about the body and besides having broken bones serious skull fractures. The other four victims were hurt but not as seriously as the two just referred to. Upon arriving at the hospital the Scouts helped to prepare the patients for the necessary treatment. Following the questioning of newspaper reporters, insurance agents and police the Scouts continued on their journey home.

Stone Mather College in Cleveland where she graduated as a member of Phi Beta Kappa. Her training in library science was taken at the School of Library Science, Western Reserve University, where she had some experience in the Classics Department and also in the public library of the City of Cleveland.

Treasure Hunt Awards
 The awarding of the gold and blue star certificates to the boys and girls who have completed the summer reading lists from the children's room, of the Highland Park Public Library, will take place on Saturday morning, September 16, at 10:30 a.m., on the library lawn at the rear of the building.

A Dinner at Home
 A dinner at home—this is the real desire of most of us, no matter how simple it may be. It is the healthy reaction from the commercial age of food service, from the domination of the tin can and the

delicatessen shop. There are still those who are willing to keep alive the fine art of cookery and to give their imaginations play in devising and preparing a home dinner. There are so many valuable helps to be found for the busy home-maker in the cookery suggestions of the day that none need hesitate to try a dinner at home, if not regularly, certainly occasionally.

The following list will be found helpful:
 Kitchen Ranging, by H. P. Adam.
 Man-sized meals from the kitchenette, by M. P. Allen.
 The plain sailing cook book, by S. S. Browne.
 The quality cook book, by Dorothy Fitzgerald.
 Cooking as men like it, by J. G. Frederick.
 Everybody's cook book, by I. E. Lord.
 The woman's World cook book, by L. H. Wallace.
 Handy book of recipes for twenty-

five, by Sibylla Hadwen.
 The dinner kitchen cook book, by E. D. House.
 A diabetic's own cook book, by S. H. Lyons.
