Jessie Pocock's Annual Dancing

The young people of Highland Park and vicinity are looking forward to the opening of Miss Pocock's dancing season, sponsored by the Y.W.C.A. 7th and 8th grade assembly will be conducted every other Friday night beginning Oct. 20. Time 8 to 10 o'clock. High School Fortnightly parties will open Friday, Oct. 27th.

A great many of the young people in Highland Park have received their training in the social graces of ball room etiquette and deportment in her classes.

Mrs. J. B. Garnett, who is chairman of this committee feels we have something to offer the parents in the training the children receives in the dancing classes.

Miss Pocock's success in teaching is due to the excellent discipline which exists in all her classes. She also conducts classes in Evanston, Glencoe, Oak Park and has been very successful in directing fortnightly dances and club parties for the younger set along the North Shore.

Would Appreciate Odds and Ends

With the fall activities, club suppers, banquets etc, the Y.W.C.A. would appreciate odds and ends of cups, saucers, glasses, small sauce dishes and soup dishes. While we have a nice set of dishes, it is like a house, we only use them on special occasions; these odds and ends would save the constant use of the better set. Magazines are always acceptable. We do not subscribe here as we depend upon magazines from our good friend, the public.

Thank God every morning when you get up that you have something to do which must be done, whether you like it or not. Being forced to work, and forced to do your best, will breed in you temperance, self-control, diligence, strength of will, content, and a hundred other virtues which the idle never knew. — Charles Kingsley.

Girl Scouts

Troop I—Highwood

The first meeting of the Troop 1 Highwood Girl Scouts was held Sept. 19, 1933 at the Highwood Methodist Church. Mrs. Nelson and Miss Dawson are captain and lieutenant as they were last year. Lena Calbri was reelected Scribe and Mary Bertacchini was appointed treasurer. Sarah Glass, Bernice Swan, and Ethel Svendsen were elected patrol leaders. The most original name of a patrol was that of Ethel Svendsen's patrol—"The Three Musketeers."

At the Court of Honor meeting a tentative schedule through to Dec. 19, 1933 was drawn up. This calendar is full of the most interesting plans possible and you may be assured that Troop 1 will have a busy year.

The first real meeting of Troop 2 will be held Thursday, Sept. 28 at 7:30 p.m. at the Highwood Methodist Church. Miss Caroline Ghini, former lieutenant of Troop 1 will be captain, Lena Calbri lieutenant and Bernice Swan will assist until February when she will also become a full-fledged lieutenant as she celebrates her 18th birthday then Troop 2 will then have two lieutenants.

As there are so many girls interested in Troop 2 the first twenty-four girls to pass their tenderfoot test will belong to Troop 2; the others will belong as soon as they become qualified to do so. So, you girls who want to be scouts come next Thursday, work hard and you'll soon have your pins. The girls of Troop 1 as your big sisters have planned to include you in many of their interesting plans so you'll never have a dull moment. Remember on Thursday, Sept. 28, the Highwood Methodist Church at the first real meeting of Troop 2 is where you'll want to be.—Scribe Lena Calbri.

Deerfield Girl Scouts Troop 1

Sept. 19 was the second time we had met this summer. Captain Sugden instructed the patrol leaders to inform all scouts that those with perfect attendance would receive a gold star and those missing one meeting would receive a silver star. Four new scouts have joined the troop.

Sept. 26 was the last meeting of the Scout year. We voted for patrol leaders. The troop is to have four patrols. Two more girls have joined. The girls have learned four new songs for the hike planned for Saturday, Sept. 30. Meetings will be held Tuesday afternoons instead of Monday after this.—Lenore Bellel—Scribe, Deerfield Girl Scout Troop One.

Y. W. C. A. News Notes
Y. W. C. A. not to conduct supervised swimming.

Word has been received from Mr. B. H. Ball, vice principle of Deerfield-Shields High School that the high school pool would not be available on Saturday mornings as in the past, because of the necessity to retrench both cost and service. This service will be greatly missed by many children and girls. We do appreciate the privilege granted us here to fore and trust that some time it will again be possible to have the same favor extended.

The first roller skating party for the young people of St. Paul's Church and their friends for this season, was held Wednesday evening at Diamond Lake.

Sixty-five children (49 from the Deerfield Grammar School and 16 from the Wilmot School) accompan-

ied by five teachers, Donna Belle Jensen, Hazel Miller, Ethel Titus, Christine Naak, and Leta Toll, were transported in two buses for a visit at the Century of Progress in Chicago. The trip was offered to all children who had not as yet visited the Fair. The project was financed by the Deerfield Rotary Club, the Chamber of Commerce, the P. T. A., the American Legion and Auxiliary.

"REMEMBER TO TELEPHONE HOME!"

When the young folks leave for out-of-town schools, remind them to telephone home regularly. For some reason or other, young students don't seem to find much time for letter-writing and worried parents are the result. But it takes only a few minutes to telephone, so keep your children close to you with frequent telephone chats throughout the school year. Students may call home and have the charges reversed if you wish. Long Distance telephone calls are always quick . . . clear . . . inexpensive.

"Your Task and Mine"

In his address to the American Legion, on Monday, President Roosevelt said:

"Your task and mine are similar. Each one of us must play an individual part in our own field in dealing with these many problems, but at the same time we must realize that the individual part belongs to a closely related whole—the national unity of purpose and of action."

Let us give heed to those words.
