Ravinia Players to Start Season with Mr. LePelley's Play

The Ravinia Players will start their 1933-34 season with an original play by Guernsey LePelley, "Second Fiddle," a three-act comedy—the first of his full length plays which this group has worked with, but Mr. LePelley is now newcomer to the ranks of playwrights. He has had four plays published and won prizes in playwriting contests throughout the country.

Mr. LePelley is serving his second term as president of the Ravinia Players and has long been a resident of Highland Park. He graduated from Deerfield-Shields High School in 1928 where he was prominent in his success in the dramatic line. When he attended Principia he continued his leadership in dramatics. Mr. LePelley was one of the founders of the Ravinia Players and has directed many of their performances. He has also had experience with little theatres from coast to coast, particularly in California, where he worked with the Hollywood Players for a season.

The director for this show will be Tom Grant, who for three years was stage manager of the Garrick Players of Lake Forest. While there he had experience in directing under the guidance of R. C. Tomlinson of that school. He is the present stage manager of the Ravinia Players and has directed one of their workshop productions. This is his second year of affiliation with the club.

In spite of the trend toward higher prices the players will keep the same admission price for the season. The experimental workshop, which is an experience school for actors and directors, is already preparing programs for club meetings, and will be more active than ever before.

The next meeting will be held on Tuesday at the home of Donald Vaughan, 828 Forest avenue, and those interested in any phase of the club activities is invited to communicate with members of the club. In addition to Mr. LePelley and Mr. Grant, members of the board are Don Vaughan, production manager; Mort Haavig, business manager; and Eileen Thompson, secretary.

Garden Class Holds Its Annual Meeting

The Community Garden Class of the Highland Park Womens Club held its annual meeting on Tuesday, Oct. 24. A revision of the by-laws providing for the election of officers in April to coincide with the Woman's Club was voted. The present officers will serve until April with the exception of the vice-chairman, whose place as program manager will be filled by Mrs. Kenneth B. Lacy, and the secretary-treasurer. This office will be filled by Mrs. Malcolm H. Whitefield, 515 Glencoe avenue. The members who have not paid their dues are asked to send them to her at this address.

Miss Marjorie Cutler, who resigned as vice-chairman, was married last week to John C. McNicol of Lake Forest. They will make their home in Lake Forest. Miss Cutler will be greatly missed as an officer and friend in the Garden Class, who are greatly indebted to her for her work as program chairman during the past year.

The years' work of the Community Garden Class under the direction of Mrs. Ernest G. Reed, president, has seen many things accomplished. Special features have been: a joint meeting of five neighboring garden clubs sponsored by the Community Garden Class and held at the Highland Park Woman's Club for which a special speaker was secured. A social time followed at which members of the Community Garden Class acted as hostesses; a luncheon was given for the aid of the unemployed; in connection with the May plant sale the class conducted a sale of furniture made by unemployed workmen; the plants for this sale were raised by members in a greenhouse secured by the president; a hedge and clumps of shrubbery for the club house grounds was presented to the Woman's Club; a beautifully planned and arranged exhibit known as "Happy Days" at the Horticultural Hall, A Century of Progress, was the work of the Community Garden Class.

These special features, together with many interesting tours and other meetings planned by the president and program chairman, made 1933 truly a worth while year for the Garden Class.

Fifteen new members have been taken into the class during the year and nine others signed the roll of membership on Tuesday.

These new members are Mrs. W. S. A. Bletsch, Mrs. C. A. Sanborn, Mrs. Lasier, Mrs. Paul Udell, Mrs. Milton Greenberger, Mrs. Passmore, Mrs. Charles Neumann, Mrs. John Udell and Mrs. Rice.

Transfer of Routes 41 and 42 Is Asked

The North Shore Property Owners Association has asked for the transfer of Route 41 and 42 markers to the new Skokie Valley highway, Route 57, which is now completed as far north as Lake Forest, and is expected to reach the state line by next summer.

The request for this change is part of the Association's campaign against truck traffic on Sheridan Road and other North Shore residential streets, a battle now before the Illinois Commerce Commission.

D.A.R. Better Films Committee Review

This is the week when everyone, young and old, should go to the Alcyon. The pictures are more than worthwhile.

Thursday, Oct. 26, "The Big Brain," featuring George E. Stone and Fay Wray. This story is supposedly based on life of the notorious "Jake the Barber." The brazen hero advances from barber trade into shrewd stock swindling. His operations reach heights and at last exposure in England. Well acted and fast moving.

The children will be glad to see the Two Black Crows, Moran and Mack, in "Hot Hoofs."

Friday and Saturday, "Headline Shooters," with William Gargan and Frances Dee. Hero is hardboiled news reel, cameraman, with harrowing adventures as he must cover earthquakes, flood and fires. A romance with a "Sob sister," already engaged, complicates his situation. Exciting drama with drink and slang considered. Typical of journalism.

Sunday and Monday, Joan Bennett, James Dunn in "Arizona to Broadway." This picture isn't for children. The involved story concerning efforts of a gang of medicine show crooks—headed by the hero—to recover the money which another gang has swindled from the heroine's brother. Love reforms the hero and he goes straight ever after.

Oct. 31 and Nov. 1, "Goodbye Again," featuring Joan Blondell and Warren Williams. Farce comedy with unconventional situation—unique dialog and sex prominent throughout.

AN OPEN LETTER TO THE CITIZENS OF DEERFIELD TOWNSHIP FROM THE COMMITTEE OF ELECTORS OF DEERFIELD TOWNSHIP APPOINTED BY MODERATOR A. H. SWANSON AT ADJOURNED ANNUAL TOWN MEETING APRIL 1933.

You will recall that at the town meetings held last spring you authorized Mr. F. W. Ross and Mr. Maurice Berkson acting as counsel, to investigate and settle claims against the town and to take or recommend appropriate action. The board of town auditors, acting upon your resolutions, empowered Mr. Ross and Mr. Berkson to proceed last May. Since that time numerous meetings have been held and a full report has now been made by Mr. Ross giving details of results to date. This report was given the committee of electors and is quoted in part below.

The report shows that a total sum of \$16,554.60 for claims against town officers or deductions from merchants' bills was recommended to the board of town auditors by Mr. Ross. The claims against the town officers are supported by the statutes and appear to be beyond dispute. Of claims against merchants amount-

R. B. Blaine Is Winner of Football Contest Sponsored by Press

Robert Bruce Blaine, manager of the Purnell and Wilson Ford agency in Highland Park, was the winner of last week's football contest sponsored by the Highland Park Press. Mr. Blaine's estimate of 107 points for the total of all points scored in certain football games last Saturday, was the nearest estimate to the actual total of 110 points scored in the games, which were listed on the football page of the Press.

Nick Lucente, of Highwood, was second-place winner. His estimate was 116 points. Both Mr. Blaine and Mr. Lucente were awarded two tickets each to the Northwestern-Minnesota football game at Evanston on Nov. 4.

Other winners, who were awarded tickets to the Deerpath Theatre in Lake Forest, were as follows: William Jahngian, Charles Guido, and William Goodall, all of Highwood.

Hundreds of contestants entered this first contest, which was the first of four such contests. The second is being conducted this week, and is fully explained on the special page to be found elsewhere in this issue. This contest is open to anyone, whether or not a subscriber to The Press.

Prizes for this week's contest will consist of tickets to the Northwestern-Illinois game on Nov. 11, and tickets to the Deerpath Theatre, in Lake Forest.

HIGHLAND PARK AND LAKE FOREST YOUNG MEN'S CLUB TEAMS TO BATTLE ON SUNDAY

"Potpourri" Party Will Start at 9:30 on Saturday Night

Next Saturday night at 9:30 the doors of the Moraine Hotel will open officially on the seasons peppiest party, the Infant Welfare "Potpourri." Dancing will begin at that time. Among the hostesses entertaining at dinner preceding the party are Mrs. John Harmon, Mrs. Geo. Childs, Mrs. Truman Metzler, Mrs. Malcolm Vail, Mrs. Edwin Johnson, Mrs. E. E. Newman, Mrs. William Jones, Mrs. Elwood Low, Mrs. Calvin Fentress Jr., and Mrs. Henry Getz.

Besides one of the best dance orchestras obtainable, there will be Sammy, and if you know Sammy you know there's a real treat in store. Sammy sings, and Sammy makes you sing whether you want to or not. In short, Sammy is a one man show.

There will be an old-fashioned taproom, too, where you may refresh yourself and partake of free lunch.

In the casino room those of a venturesome turn of mind will find many intriguing games of chance. Paper money will be furnished every one, enough to give you a good start and lots of fun. And if you win, you may bid in your paper money on some very handsome merchandise which is to be auctioned after the dancing. This merchandise represents space bought in the advertising broadside distributed to ticket holders. This auction is only one of the reasons why this party should not be missed.

School Children Will Have Hallowe'en Party

The school children of District 107 are already planning how to celebrate the Hallowe'en festival. Each room is to set aside a school period for its own private celebration. Then all the children of the two schools are to have an early evening pageant at Green Bay Road School. The tepee will be set up and lighted and a refreshment booth set up by the P. T. A. A pageant of the children and their parents in costume will assemble in the school grounds and circle about through Sunset Park following a trail lighted by jack-o'-lanterns. The school band will furnish music. The parade will begin at 7 o'clock and lights are to go out at 8:30.

The P. T. A.'s of both schools have an announcement for Education Week which begins Monday, Nov. 6. This will be observed by room conferences under charge of the room chairman and school tours will be conducted each day under the auspices of the P. T. A. The conferences of that week will be planned for successive days so that there will be no conflicting programs. Detailed notices will be sent to patrons next week.

Rivals to Play in Afternoon at Deerfield-Shields Gridiron

(By Mr. Warner Turritt)
Two boys' teams from the Lake Forest Winter Club and the Highland Park Winter Club will play a game between the halves of next Sunday's game.

Two groups of genial "genial" (imagine) gentlemen meet next Sunday afternoon, and Believe-it-or-not Mr. Ripley, their purpose is to do justice to a rivalry that seems permanent.

The two teams are from Highland Park and Lake Forest and are playing for the home-town Young Men's Club organizations. The place of battle is the Deerfield-Shields athletic field. The zero hour is 2 o'clock, and the proceeds go to the Highland Park Hospital charity fund.

When these two teams meet Sunday our friends will not only see sparks flying, but may see an occasional arm and leg man-handled in a queer sort of a manner. These two teams love each other so much that a blacked eye, or a smashed-in face, or even a healthy kick in the well in the stomach, is sweet music to the opposing player.

The Highland Park organization, supposedly over-loaded with former All-Americans, has plenty of power and fight in their home town talent, who are by-the-way, familiar with the kind of football their opponents play and know, from past experiences how to take care of them. This group of footballers is undefeated in two years of competition, with the exception of a measly tie at the hands of the Jefferson Park "Ball Dogs" in the first (Continued on page 14)

WORTH WHILE THOUGHTS

To save money or not to save money even though we could?—that's a question.

Some of us wish we had bought more things we wanted when we had the money.

Is that a good reason for not saving now?—if possible.

Not if we put our saved money where we can get it if we want it.

Where's that? Well, with our new banking and security laws, that question won't be as hard to answer as it was.

Our prolonged business down-heaval was a refining fire that changed some "funny" ideas into common sense.

In our business we know that you want to save all the money you can in buying the good quality of things you want—and we are here to help you do that.
