

Highland Park Young Men's Club Wins From Lake Forest Sunday

The strong Highland Park Young Men's Club football team successfully stopped the Lake Forest Young Men's Club in a game at the Deerfield-Shields High School athletic field in Highland Park last Sunday afternoon, 7-0.

A pass from Lutz to Becker in the early part of the game gave the Highland Park team victory, despite the spirited fight put up throughout the entire game by Lake Forest. Highland Park was playing without the services of Ernest "Pug" Rentner, former Northwestern University star.

The Highland Park line showed up well in last Sunday's game, and all eleven men on both teams fought every minute of the contest.

Lake Forest will have a chance to even the score, when the two teams play on Thanksgiving Day.

Mrs. Raymond Dobbins will be hostess to the Arme Club on Wednesday evening.

Mrs. Raymond Meyer and daughter, Mary Ann, returned home Wednesday evening from the Highland Park Hospital, where three little brothers were waiting to welcome their new sister.

Social Service

Many thanks for the kindly responses of last week—but please don't stop looking for things. Social Service needs every thing, only yesterday Mrs. Flinn said if it wasn't for the "Thrift Department" many boys and girls would not be able to continue school. So please try and share with these children—Coal or wood stoves—gas is too expensive.
