Kitchen Remodeling Service Now Offered by the Gas Company

New developments in the past few years have brought the planning of home kitchens into a special field. Experimental activities conducted by home economists, architects, and enterprisers directly concerned with making the kitchen more beautiful, useful and comfortable, reveal that a combination of the right appliances and correct arrangement lead to greater ease and more speed in accomplishing kitchen tasks.

In view of the importance of the kitchen, especially for the homemaker who spends several hours each day in this room, the North Shore Gas Company has inaugurated a new department. This department offers a complete kitchen planning service, all of which is at each woman's disposal without obligation to her. With this department now in operation, housewives who are thinking of modernizing their kitchens may obtain without expense not only information but actual drawings of the kitchen they would like to have installed in their homes.

Every detail of kitchen modernization is worked out and supervised by the North Shore Gas Company with this new service. Free floor plan drawings; are supplied which show necessary alterations and location of kitchen equipment. With the drawing is furnished a reliable estimate of the cost of complete modernization. After drawing and estimate have been submitted and it is decided to modernize, purchase of a gas range, gas refrigerator and other gas appliances may be made on an easy payment plan. Careful supervision also is given in the installation of Monel Metal sink and working surfaces, floor and wall coverings and wall storage cabinets.

Snobbery is the pride of those who are not sure of their position. —Berton Braley.

OFF COMES FAT Hips—Bust—Chin

GET THAT KRUSCHEN FEELING

Gain Physical Attractiveness—Be Free From Constipation, Gas, Acidity and Liver Troubles.

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. Kruschen will give any fat person a joyous surprise.

Get a jar of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first jar doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world.

16 1/2 Pounds of Fat Gone
"I've lost 16 1/2 lbs. of fat and have taken about one-third of my second bottle of Kruschen. Sure feeling fine." Mrs. J. E. Burdett, Fort Wayne, Ind.

Mr. and Mrs. Benjamin Cameron Celebrate Their Golden Wedding

It was the happy privilege of Mr. and Mrs. Benjamin Cameron of this city to celebrate their golden wedding on Sunday evening, Oct. 29th. It was also their great joy at this occasion to have each of their eight children, their husbands and wives, and all of their twenty-three grandchildren present at one time, a thing which had not been possible for a period of 20 years.

Mr. and Mrs. Cameron, their children and grandchildren gathered at the home of Mr. and Mrs. Robert Clyde Cameron on Central Avenue in Highwood, where the celebration took place. The home was beautifully decorated for the event. A canopy made of white and golden crepe paper had been erected in one corner, where the bride and groom of 50 years ago took their place before Rev. H. F. Siemsen, who officiated in a very beautiful ceremony, in which they reaffirmed their marriage vows. Following the ceremony only the family participated in refreshments and spent the remainder of the evening in a social manner.

Mr. Cameron was born in Troop County, Georgia, Nov. 16, 1861. He lived in that community until after the time of his marriage. Miss Ann Judson Garrett, the bride, was born Sept. 22, 1868, at Lasater, Tex. At the age of 12 she moved to Troop County, Georgia, with her parents, where she later met Mr. Cameron. They were united in marriage in October, 1883. Following their marriage they moved to Texas, where their nine children were born, the oldest having died in infancy. In 1912 Mr. and Mrs. Cameron came to Highland Park with their family and they have lived here up to the present time. Mr. and Mrs. Cameron have been life-long members of the Baptist Church. Since the Baptist Church closed they have been interested in the Bethany Evangelical Church of this community. Both Mr. and Mrs. Cameron are enjoying good health, they are young in spirit and are vitally interested in the events of our present day. The community joins in congratulations and wish them many more happy anniversaries.
