Shan-Kar, the greatest exponent of Hindu dancing, his troupe of native dancers and musicians from India, and his charming partner, Simkie, will give a performance of Hindu dances and native music at the Deerfield-Shields High School auditorium in Highland Park next Monday evening at 8:15 o'clock.

Shan-Kar has assured the North Shore that positively he will appear in Highland Park next Monday. It is expected by those in charge that the auditorium will be filled to capacity, since many of those who were disappointed in not seeing him recently in Chicago will come to Highland Park next week. North Shore residents are urged to secure their tickets promptly. In Highland Park and Ravinia tickets may be purchased at Geell's drug stores; in Lake Forest at Walgreen's. The box office of the auditorium will be open all day Monday.

Local Children Attend "Alice in Wonderland"

A group of children from the Children's Theatre at the Y.W.C.A. attended the Saturday matinee performance of "Alice in Wonderland" which is being sponsored by the Playwright's Theatre at the Punch and Judy Theatre in Chicago.

It was of particular interest to them since Miss Katherine Marie Geary is contemplating doing a version of the same play in the Children's Theatre here and thought the presentation worth while, in particular Tony Gillman's portrayal of Alice. Tony is a little girl of 11 who has participated in several radio skits for the past few years and due to her success in the role of Alice is leaving for Hollywood shortly after the close of her present performance. The girls had the privilege of meeting and talking with her after the performance and gleaned a great deal of enthusiasm for their own production.

Lincoln School Will Observe Book Week

The November meeting of Lincoln School P.T.A. will be held Wednesday afternoon, Nov. 15, at 3 o'clock, in the school auditorium.

It is the plan of the program committee to celebrate book week, and with this in view have invited Miss Hendee and Miss Agruss of the Highland Park Public Library and Miss Newcomb of the Lincoln School Library, to discuss children's literature.

The speakers are so well qualified to handle the subject that an unusually interesting and instructive meeting is assured.

There will be an excellent selection of juvenile books on display and for sale on that afternoon and also the following Thursday and Friday. These books have been obtained from Miss Beer's Book Shop and will be sold by mothers of the P.T.A.

Girls' Recreation Club Being Sponsored Here

The Highland Park girls' recreation club organized by the girls in and around the community of Highland Park are now meeting regularly on each Monday night at the Community Center in Highland Park. The aim of this club is to promote recreational and social programs for the young women of this community.

At present the time is being used for basketball and ping-pong but it has been planned to add other activities to these as soon as conditions warrant them. There are about forty members in the club now and it is hoped that the membership may be doubled by first of the year. Any young woman interested in this project may receive further information by calling the Community Center, Highland Park 858.
