## LAKE COUNTY BEGINS C.W.A. WORK MONDAY

Men On Waukegan, Highland Park, North Chicago, Zion, Relief Start Labor

The \$400,000,000 employment relief program of the Civil Works Administration was started in Lake County Monday morning when the first contingent of more than 100 men on the relief rolls, drawn largely from Waukegan, North Chicago, Highland Park and Zion went to work in different sections of the county to cut brush, plant trees, grade secondary roads and repair ditches and shoulders along the primary state highways.

As soon as they went to work they were removed from the relief rolls in their respective towns. There are to be nearly 1000 men placed on highway work in Lake County, and a total of 2581 jobs is to be allotted to this county, which has 2986 families on relief.

The first 50 per cent of the jobs will go to men on the relief rolls, whether married or single. The second 50 per cent will be drawn from additional men on the relief rolls and those unemployed but not drawing relief.

Those not on relief must file an application with the Illinois Free Employment Agency at 129 Lake Street, Waukegan.

No employee of the CWA can be garnished for debts.

After 970 men are assigned to highway work in Lake county, the remainder of the 2581 to be employed will be assigned to civil projects already in progress in the county under the program outlined by the Illinois Emergency Relief Commission, or new ones that will be developed.

Many of the families on relief in this county will not be given work because it would be impossible for them to present able-bodied workers. It is not known yet the quota that each city and village in the county will receive.

Unskilled labor will receive 50c an hour and skilled labor \$1.20 an hour based on a five-day week of 30 hours.

**Turkey Sale Being Held at Highwood**

A Thanksgiving turkey sale is being held by the Stupey Smith Post No. 501 of the American Legion, in Highwood, every night until Wednesday of next week, Nov. 29.

This sale, which will be a benefit for the junior drum and bugle corps, is being held at 314 Waukegan Avenue, Highwood. Several hundred turkeys, geese and chickens have been contracted for and will be sold.

**Judge Persons Will Talk Here on Monday**

The Woman's Republican Club of Highland Park announces a meeting to be held on Monday, Nov. 27, at 2:30 o'clock in the assembly room of the Highland Park Public Library.

Mrs. George R. Dean of Chicago, president of the Illinois Republican Women's Clubs, will tell of the meeting of Republican women held in Cincinnati in October. The other speaker will be Judge Perry L. Persons, judge of the County Court of Lake County, who will address the meeting on the subject of "Humanitarian Features of the County Court."

**Infant Welfare Will Meet Monday, Nov. 27**

The last regular monthly meeting of the Infant Welfare will be Monday, Nov. 27. Make reservations for luncheon by Friday.

The meeting will be at the home of Mrs. Frits Helmhold, 2524 Deere Park Drive, at 10:30 a.m.

The election and installation of new officers for the coming year will be the most important feature of the meeting, although there is a great deal of sewing to be done to meet the quota prescribed. Every member is urged to be present, as there will be no further meetings before January.

**IT'S BASKETBALL NOW!**

Deerfield-Shields High School varsity basketball team will open its season at 7:30 Friday evening of this week, Nov. 24, with a game against the Gurnee High School at the Deerfield-Shields gymnasium in Highland Park.

The next game for Deerfield-Shields will be against the Main Township High School at Des Plaines on Dec. 5. The next game at Highland Park will be against Waukegan the afternoon of Friday, Dec. 8, at 4 o'clock.

## High School Symphony Will Give Concert at Lake Forest College

A complimentary concert of the Deerfield-Shields High School Symphony Orchestra will be given at 3:30 Sunday afternoon, Nov. 26, at the Durand Art Institute on the Lake Forest College campus.

Mrs. Helen Mayer Mannings will conduct, and will be assisted by Helen Protheroe, soprano, and Jessie Wood Sincere, accompanist. The complete program will be as follows:

- Allergo moderato, from Unfinished Symphony Schubert  
The Orchestra  
Come Unto Him, from The Messiah Handel  
Before Gradely Scherbert  
Virginia Cradle Song Repet  
Nasareth (Sacred Song) Gounod  
Solo, Cornet Part, Glin Spalding  
American Patrol Menahan  
Mahnacht The Orchestra  
Little Sandman Brahms  
Unfin Things Protheroe  
A Love But A Day Protheroe  
By the Blue Hawaiian Waters (tone picture) Kettelberg  
The Orchestra

Interpretation of the tone picture: After a short dreamy introduction a vigorous movement illustrates the well known Hawaiian or "Hula" dance. This is succeeded by a mysterious passage representing the arrival of the native Kanaka lover. He plays his native love call (given to Clarinet) which is then taken up by the violins, etc. This leads into the "Song of the Hula Girl," which gradually dies away and is succeeded by the "Dance of the Betrothal Ceremony" which brings the piece to a lively conclusion.

## D.A.R. Better Films Committee Review

The kiddies certainly had a break this last week — two Silly Symphonies in Colors. The Three Little Pigs and Babes in the Woods. Why can't we have them oftener?

Tonight the last showing — I Loved a Woman—featuring Edward Robinson and Kay Francis. This realistic drama with interesting historical background will be very much enjoyed.

Friday and Saturday, Nov. 24-25 F.P.I. with Conrad Veidt. Story weaves mystery melodrama around consternation of floating landing platform for airplanes in mid-ocean. Romance—lively action and long struggle against villainy. Well acted, elaborately set, thrillingly photographed.

Sunday, Nov. 26, one day only—"Blind Adventures" with Robert Armstrong, Helen Mack, Ralph Bellamy.

At last our much beloved Marie Dressler and Wallace Barry in "Tug Boat Annie." "A human natural story of crude married couple whose tug boat is their life. Marie Dressler is splendid as wife of drunken captain to whom she remains loyal in spite of conflict with son who is offended by creditors of parents. Fine photography and vivid sea action.

**Hon. Dwight Green To Talk To Legionnaires**

Several hundred are expected to attend the special smoker this evening at American Legion headquarters at 21 North Sheridan road, where the Hon. Dwight Green, U. S. district attorney, will speak on his work against crime.

All Legionnaires of this or any other post, living in this community, and also all men who served in the World War, are cordially invited to attend. The address will begin about 8 o'clock.

## Highwood Serenaders to Play Moose Dance

"The Highwood Serenaders" orchestra of Highwood, will be one of the main features at the harvest party and dance to be held next Monday evening at Witten Hall under the auspices of Highland Park Lodge No. 446, Loyal Order of Moose, to which all members, their families and friends are invited.

A splendid program of song and other features will precede the dance. The committee in charge has been busy working on this program and promises to all who attend an enjoyable evening.

The price of admission will be very small and tickets may be secured from the chairman, H. A. Hansen, by telephoning Highland Park 1014, or from any member or other officer of the lodge.

"May we suggest that you bring your friends and neighbors and once more join us in one of those good times and perhaps by so doing you may have an extra turkey for that Thanksgiving dinner," is the invitation.

## MR. BELMONT WRITES SALES TAX ARTICLE

Expresses Opinion That Levy Should Be Passed On To Consumer

(In the following article, written by E. A. Belmont, secretary of the Highland Park Chamber of Commerce, the opinion is expressed that the state sales tax should be passed on to the consumer in such a way that he will be aware that he is in reality paying this levy):

The 2% Retailers' Occupation Tax, commonly referred to as the Sales Tax, is to be effective for a two year period from July 1, 1933, to July 1, 1935. It is a tax upon persons engaged in the business of selling tangible personal property for use or consumption and the tax proceeds for the first six months are to be used for poor relief, after which time, the proceeds are to be used to reduce the State's portion of the general taxes on real estate.

The Illinois Chamber of Commerce, since the inception of the tax measure, has recommended to all merchants that the bracket plan of adding the tax to the selling price of the commodity as an added expense was the fairest and most arithmetically correct. Although there is no clause in the tax measure prohibiting a merchant to add the 2% to the selling price and so indicating it, the State Administration and other politicians have ruled that the tax must either be absorbed by the merchant or included in the selling price of purchases.

## Open Meeting At the Woman's Club Tuesday

Dr. Preston Bradley will speak at the Highland Park Woman's Club next Tuesday evening, Nov. 28, at 8 o'clock. This is an open meeting and the public is invited, free of charge.

Dr. Bradley is pastor of the People's Church, Chicago, and is well known as a speaker over the radio on subjects of current interest.

"Do not miss this opportunity to hear a great orator and a man who is a keen observer of the trends of the times," is the invitation.

His subject for Tuesday evening is: "What Are We Facing?"

## Fire Department Is Requesting Toys for Needy at Christmas

As has been their custom for the past several years, the members of the Highland Park Fire Department are reclaiming toys to be distributed among the needy children on Christmas. The firemen feel that many children would not receive any toys at Christmas if they did not use this means.

Last year the firemen rebuilt over three hundred toys. They are asking any one who has old toys that they do not want and can be rebuilt, or repaired, to send them to either the Central fire station at Central Avenue and Green Bay Road or to the Ravinia station located at Burton and Highland Avenues in Ravinia. Many requests have been made for the department to call and get the toys. But this is impossible as the force must be kept to full strength at this time of the year. The toys should be delivered as soon as possible so that repairs and painting can be done in time to deliver the toys starting the day before Christmas.

## WORTH WHILE THOUGHTS

To think about what other people like is worthwhile.

The likes of people differ widely on the surface. But down deep we all like much the same things in life.

And it's a great thing to like the likes of others—to enjoy seeing others like what they like, whether we ourselves like it or not. We can like the fact that they like it, and get pleasure out of that.

Women like to look beautiful, and men like to look as though they had common sense. And men like beautiful women and women like to have men look at least half-way intelligent.

And if you'll come to see us here more often, you'll like us better and better—because we know what you like in the way of good goods and fair prices.

We like to supply what people like you like.

The Drive Will Close Thanksgiving Day

## BETHANY CHURCH IS FIFTY YEARS OLD

Anniversary of Local Church To Be Observed With Special Services Next Sunday

The Bethany Evangelical Church of Highland Park will celebrate next Sunday, Nov. 26, the 50th anniversary of the erection of the first Evangelical Church in Highland Park. Dr. H. R. Heininger, a professor in the Evangelical Theological Seminary, of Naperville, has been secured as the speaker for the day.

Dr. Heininger needs no introduction in Highland Park, having spoken here on several other occasions. Many of the men and boys

will especially remember him as the popular father-son speaker of two years ago.

Dr. Heininger will preach at the 11 a.m. worship service. The main anniversary service will take place at the 4:30 vesper at which time Dr. Heininger will deliver the anniversary message. All of the

(Continued on page 4)

**"King of Kings" To Be Shown At Church Here**

"The King of Kings," Cecil B. De-Mille's outstanding motion picture dramatization over the life, ministry, suffering, death and resurrection of our Lord and Saviour Jesus Christ, will be presented at the Presbyterian Church of Highland Park on Sunday and Monday evenings, Dec. 3 and 4.

Last winter season this program was given in about 150 different Chicago churches for thousands and thousands of people and generally hundreds had to be turned away because of lack of seating capacity. And it's the same thing yet whenever it is given in any church there.

Many of this country's leading personalities have repeatedly stated, that this film production is one of the greatest features ever put on any screen in the entire world. It isn't only an entertainment but a sermon more powerful and heart-touching than any sermon ever delivered from any pulpit. It has also been highly recommended to the churches by prominent ministers and churchmen throughout the country. Dr. S. Parkes Cadman, president of the Federal Council of Churches of Christ says: "The King of Kings" is the greatest and best motion picture in the world today and no man, woman or child should miss seeing it."

It will be presented here by the International Church Entertainment Association, under direction of Rev. M. Arvid Hydehn of Sweden. It's not given for the purpose of making money but the heavy expenses of bringing such a program here must be met, so everybody is asked to come prepared for a generous silver offering. Everything coming in above the expenses goes to the church here.

## "Germany—Behind The Scenes," Is Subject Of Address Here On Dec. 5

A true picture and interpretation of present policies and conditions that prevail in Germany will be offered by an outstanding international journalist and student of foreign affairs in Highland Park on the evening of Dec. 5.

The address, "Germany—Behind the Scenes," will be given at the Elm Place Auditorium on North Sheridan Road by Edgar Ansel Mowrer, foreign correspondent of the Chicago Daily News, who lived in Berlin nearly ten years.

Mr. Mowrer will attempt to bring to his Highland Park audience a lecture that will present both sides of the turmoil that surges in Germany, outlining the policies and philosophies of Adolph Hitler and reviewing the arguments of the Nazi group. He will speak as an impartial observer of German developments in an effort to bring a true picture of German affairs to his audience.

The lecture is being sponsored by the local organization of the Illinois League of Women Voters.

## Garden Class Visits The Garfield Park Conservatory Nov. 15

The Community Garden Class of the Highland Park Woman's Club spent a pleasant and instructive day at Garfield Park Conservatory in Chicago, Nov. 16.

Fourteen members of the class met at the club house and motored in a body to the conservatory where they were met by Mr. Green, chief guide of the park, who conducted them through the beautiful rooms. Although many were the questions asked Mr. Green, he was ready with answers and explanations.

It is an entrancing walk by tropical plants, trees, and blossoms and by beautiful formal English garden plants, to say nothing of the gorgeous display of chrysanthemums of every kind and color, which is the main attraction just now. But to be conducted by a man so at home with his plants, so versed in their culture, and so ready to inform the class, is an opportunity most worthwhile.

Mrs. Reed, the chairman of the garden club, hopes to arrange another trip for the members of the class who were not able to go.

After leaving the conservatory the class gathered at a nearby tea room for lunch before returning to Highland Park.—Contributed.

## "F.P.I." and "Krakatoa" At Alcyon This Week

The management of the Alcyon announces first of all that in consideration of its patrons the admission price will not be advanced at this time even though many of the surrounding theatres are doing so.

The feature attraction at the Alcyon for tonight only is the very popular movie "I Loved a Woman," with Edward G. Robinson, Kay Francis, Genevieve Tobin and as splendid supporting cast.

"F. P. I.," a film that received four stars from the motion picture critics, tells a story of science's dream, a floating island of steel in the mid-Atlantic for the landing of air ships. Especially added for the Friday and Saturday program is "Krakatoa" one of the two volcanoes mentioned in Van Loon's Geography. See the terrific grandeur of the world's most treacherous inferno, filmed by daring camera men as closely as one hundred feet. A Laurel and Hardy comedy is included in the program.

A picture of thrills, comedy, and romance is "Blind Adventure" which will appear for Sunday only on this week's program.

"Tugboat Annie" with Marie Dressler and Wallace Beery comes to the Alcyon on Monday, Tuesday and Wednesday of next week. Everyone has been waiting for this splendid picture. Another beautiful cartoon in colors like "The Three Little Pigs" is included in the program and it is called "King Neptune."

## Philanthropy Dance Will Be Held Dec. 1

The annual philanthropy dance of the social service department of the Highland Park Woman's Club will be held on Friday evening, Dec. 1, at the club house.

Mrs. Edwin T. R. Murfey and a large committee of junior members are in charge of plans. Mrs. Albert P. Snite has charge of ticket sales, Mrs. Grover Grady of music, and Miss Adelle Everett of refreshments.

The proceeds of the dance will be used by the department to aid in carrying on its program of relief work.

## EVANSTON TEAM TO PLAY HERE SUNDAY

Highland Park Young Men's Club Will Oppose a C. Y. O. Eleven

Next Sunday the football team of the Highland Park Young Men's Club will meet the strong C. Y. O. eleven from Evanston at the local high school athletic field.

The Evanston C.Y.O. organization is coached by Kenneth Wenat, who played at Marquette University and later with the Chicago Cardinals. He has a squad of more than 30 players, most of them with previous experience in college, high school and semi-prof football. These men have been developing along scientific lines into a good football team, in which the different positions are all supplied with two or three excellent substitutes.

The particular star is "Gabby" Graboski, a triple-threat halfback, whose punting, passing and open field running have been of great value. Other luminaries of the backfield are the two fullbacks, Altman and Walinski, Leo Smith and Kausch at halves; and Otto Menke, and Chuck Smith, quarterback.

Last week the C.Y.O.s entered the semi-final round of the midwest league championship by virtue of its 13-0 win over the Paris's Concord Flashes.

Last Sunday the local Young Men's Club again demonstrated its power by overwhelming the St. Anthony's Bone Crushers of Waukegan, 31-0. "Pug" Brunner had an exceptionally successful field day, scoring three touchdowns on off-tackle plays and end runs, and accounted for two other touchdowns by whipping bullet-like passes to Bock and Well.

## Evening Classes For Grown-ups To Start At Lincoln School

The Lincoln School P. T. A. announces an adult education project for parents and teachers, to be held at the school, one evening each week. Evening classes have been definitely formed in the following subjects: (1) Art: Metal Work, Pottery, Painting.

(2) Discussion: Book Reviews, Current Events, Current Economic problems.

(3) Manual Training.

Leaders for the various activities are being chosen, wherever possible, from among the parents and teachers.

In the metal and pottery groups, instruction will be given by E. Baum, Mrs. L. Schaffer, Mrs. E. Harvey, Mrs. W. J. Gorke, Mrs. Suttle and W. Betts.

The manual training class will be taught by Mr. Borg, with the assistance of George Green.

The discussion group is in charge of a committee which is to work out the plans for each meeting. At the head of this committee is Dr. E. Harvey. With him are W. Hoffman, Mr. and Mrs. J. Miller, and Mr. and Mrs. G. Weinberg.

A preliminary meeting of the discussion group is to be held next Tuesday evening, Nov. 28, at 8 p.m. at the home of Mrs. J. Hoffman, 318 Ravine Drive. Here the plans for the season's work are to be presented and adopted. Mr. Miller is to deliver a short talk on the subject of adult education. An effort is being made to provide frequent addresses by experts, with study meetings in between. Everyone considering joining is welcome.

There has been some demand also for classes in the following subjects, but not enough as yet to warrant starting work: dancing, dramatics, French, singing, orchestra, sewing (quilting and gift-making).

Instruction is to be free to residents of the Lincoln School district, with a minimum charge for materials used. A small charge will be made for instruction in case of residents outside the district.

All those interested in joining one of these groups may communicate with Mrs. Hoffman, chairman of the project, telephone Highland Park 4367.

## EARLY ISSUE

This newspaper will be issued ONE DAY EARLY next week, because of Thanksgiving Day, which is Thursday, Nov. 30, our regular date of issue.

Advertisers and those who submit news items are asked to remember this, and to submit their material a full day earlier than usual.

To insure insertion in next week's issue, all advertising and news matter should be sent to our office not later than Tuesday.
