Whitehouse Tavern to Present Boxing Nov. 28

The second boxing show at the new Whitehouse Tavern arena, near Half Day, will be held on Tuesday night, Nov. 28. Seven good bouts are promised, to take place between members of the Highwood Indians and Lou Stanley's Waukegan gym group. Mr. Stanley is the director of the Catholic Youth Organization boxing activities in the Waukegan area.

The program will be as follows:
Battling Scabby, Highwood, vs. Sammy Lamonte, of Waukegan, at 118 pounds.
Luigi, of Highwood, vs. Pete Gerling, of Waukegan, at 147 pounds.
Reno Giangorgi, of Highwood, vs. Ray Wosniak, of Waukegan, at 160 pounds.
Joe Gualandi of Highwood, vs. Joe O'Connell, of Waukegan, at 165 pounds.
Eddie Peddl, Lake Forest, vs. Eddie Sparrow, of Waukegan, at 135 pounds.
Al Demeo, of Highland Park, vs. Ed Giffie, of Waukegan, at 126 pounds.
Fritz Behrens, of Lake Forest, vs. Joe Drinka, of Highwood, at 165 pounds.

Arrangements are being made by the promoters of these bouts to bring a team of Aurora boxers to the Whitehouse Tavern for the first program in December. The bouts are held twice monthly.
The Whitehouse has been completely remodeled, including a large dance floor. Dancing is held five nights each week.

Highland Food Mart Will Open Saturday

The Highland Food Mart, opening on Central Avenue in Highland Park, is to be the most complete and up-to-date food market on the North Shore, according to its proprietors. They will handle a full line of meats, groceries, fruits, vegetables, and bakery goods.

The fruit and vegetable department will be under the management of the men from the Waukegan and Dundee Road Market, which has been well known on the North Shore for the past five years. The meat section will be under the personnel of the old Lincoln Market, which has been operating in Highland Park for eight years.

Groceries will be handled by a man fully equipped to know the best in all lines of grocery foods and who has long been associated with the trade. An experienced baker will be in charge of the bakery department and buyers may feel sure that only the best in pastries, breads and cakes will be found there, we are told.

Parents Organize to Finance Band Uniforms

More than 100 parents attended the meeting at the Deerfield-Shielda High School last week, at which a Band-Parent Association was organized.

The officers will be as follows: Chairman, Walter Cope, directors, John Brigham, F. J. Spaulding, John L. Udell, and C. V. Wilson.
The organization was formed to consider ways and means of providing new uniforms for the eighty-five members of the high school band.

Plans suggested include a public card party at the school, a dance at the Highland Park Woman's Club, a style show and a merchants' exhibit, a Sunday football game under the auspices of the Highland Park Young Men's Club, use of the Alceon Theater on a Monday or Tuesday evening in December, or individual card parties in homes, with a concert by the band as the climaxing event to raise money. About \$1,800 is needed for the new uniforms.

Dessert-Bridge to Be Held at Ravinia Dec. 6

"Everyone who is interested in attending a lovely party should come to the Ravinia Village House on Wednesday, Dec. 6, at 1:30 p.m. That's the date of the dessert-bridge being sponsored by the Ravinia Women's Club and P. T. A., whose co-chairmen, Mrs. Lee Frank and Mrs. Harold Wampler, are devoting their best efforts to this affair," we are told.

"In addition to the good time people will have at this function, they will be aiding a worthwhile project for which no benefit has ever before been held. The proceeds are to apply toward paying for the Steinway grand piano used by the club and school. Prior to this time donations have come from the treasurers of the Woman's Club and various school organizations, but the carrying charges on the unpaid portion are so high that it is desirable to hasten the completion of payment."

High School Girls Are Available for Work

The personnel office at Deerfield-Shielda High School has on file the names of many girls who wish to work after school, in the evenings, or week-ends, at any kind of employment. There are girls qualified for housework, care of children, typing, tutoring or office work.

These girls are able and efficient, and much in need of employment. Anyone wishing to employ a girl for such purpose should call the high school and ask for the personnel office.
