MORE THAN LIGHT

Did you ever stop to think that electric ity means much more than good ligh in your bome?

Electricity washes for you on Mos day, irons on Tuesday, cleans yo floors daily, keeps your food cool, wind your clock and entertains you by radi day and night.

It is a clean, efficient, magic servas constantly at your commund.

Most bomes use les than half their electricity for allumination. Be in spite of the increasing use of electric ity for irons, vacuum deaners, refri erators, radios and other electric appl ances, your total months bill has be slightly affected because of the constant ly downward trend of rates.
