HIGHLAND PARK, ILLINOIS, THURSDAY, NOVEMBER 30, 1933

NUMBER 40

THIS COMMUNITY WILL REMAIN DRY

Repeal of Prohibition Tuesday Will Not Alter Status Of Liquor Here

Local North Shore communities including Lake Forest, Highland Park and Lake Bluff will remain legally, if not actually, dry after the ratification of the Twenty-First Amendment (repealing the Eighteenth Amendment) next Tuesday, Dec. 5.

Regardless of the action taken by the Illinois state legislature in its present special session, in passing laws controlling the sale of liquor in this state, the status of liquor in these towns, and a few other North Shore communities, too, will remain the same, practically, as it was before the advent of national prohibition.

Lake Forest, Highland Park and Lake Bluff are protected from the open saloon by restrictions in their respective charters. The 3.2 percent beer has been on sale in these three towns since it was legalized a few months ago, but the laws authorizing its sale prevent the return of any semblance of the old-time corner saloon, with its swinging doors, its brass rail, its sawdust and its family entrance.

By its charter of 1861, Lake Forest is prohibited from allowing the sale of "intoxicating" liquor. Highland Park is protected by charter from the sale of intoxicating beverages in any form, and Lake Bluff is also dry by charter. In fact, an ordinance prohibiting the sale of intoxicating liquor in that village was passed by the village board at its November meeting last week, as a dry community.

The 3.2 percent beer will continue to be sold in these three towns in a legal manner under the assumption that it is non-intoxicating.

Lake Forest has licensed about 15 beer dispensaries, and Lake Bluff permits the sale of bottled beer, and of draft beer in only one cafe. The Lake Forest charter does not prevent the shipment into the city of orders placed outside its corporate limits for liquor for home consumption.

Highwood, North Chicago and Waukegan will be "wet territory," as they were before 1920. All three towns are expected to return to the 1933 model of the open saloon, which will be known under another name.

Alcyon's Thanksgiving Program Is Announced

Wednesday evening of this week will be the last chance to see the much discussed movie "Tugboat Annie" at the Alcyon theatre. Marie Dressler and Wallace Beery each give a splendid performance in this picture.

The Alcyon is presenting an excellent program for Thanksgiving day only, called "It's Great to Be Alive" featuring a new star, Raoul Roulien, and Edna May Oliver. There is also included in the program an all-technicolor Ted Healy comedy.

Eddie Cantor appears in "Whoopie" this week. This feature also in all-technicolor. A Mickey Mouse comedy makes its appearance on this program as well.

"Solitaire Man" scheduled to appear next Sunday and Monday, features an excellent cast which includes Herbert Marshall, Mary Boland, Mae Robson, Lionel Atwell and many others. Claudette Colbert, Ricardo Cortez and David Manners can be seen in "The Torch Singer" on next Tuesday, Wednesday and Thursday.

WORTH WHILE THOUGHTS

If we run too far, we strain the heart. If we work too hard and worry, we may have a nervous breakdown.

If we eat too much, as on Thanksgiving day, we also buck for moderation and apply a penance's law — the one that calls alty for extremism.

Shouldn't we be thankful for this law of our Creator which makes us pay the piper for going to extremes?

Without this law, we'd have a queer world.

Some of us would do almost nothing but eat. Others would guzzle nearly all the time. Most of us would be extremists of one kind or another. Our accomplishments would be lower.

But there's no law that forbids extreme effort on our part to give our customers utmost satisfaction.

CWA Opens a Branch Registration Office In This Community

The Civil Works Administration this week opened registration offices in Highland Park and Highwood for registering the unemployed of these two communities.

The Highland Park office is located in the Udell building on Central avenue, in charge of Joseph Cabonaggi, superintendent.

The Highwood office is in the basement of the Methodist Church, on Highwood avenue, in charge of William Russell, superintendent.

Nine other sub-offices of the CWA were opened throughout the county Tuesday morning for registering the unemployed. All those people who registered prior to last Wednesday noon must re-register. Ex-service men must show discharge papers.

Registrations will still be received at the regular Lake County employment office located at 129 Lake st., Waukegan.

The use of the buildings for the sub-offices throughout the county have been donated by the owners as no allowance for rent and heat was made under CWA program.

Allen D. Albert Will Speak on Japan at Woman's Club Dec. 5

Allen D. Albert will address the members of the Highland Park Woman's Club on Tuesday, Dec. 5, at 2:30 o'clock.

Mr. Albert, who is known to the Club through a previous engagement as assistant to President Rufus C. Dawes, of a "Century of Progress" and was an adviser and planner for the exposition. Out of the travel which his duties entailed and his experiences as commissioner of the exposition to Japan, he will present the lecture "What Japan is Thinking."

It will be an interpretation of the mood of modern Japan, a Japan turning to Germany for the training of her army; to England for the training of her navy; to France for her public school system; to America for her methods of banking and industry.

Mr. Albert will then show the decline of these influences and a realignment with Japan developing a free school system, improving agriculture, expanding her manufactures, developing a national program which includes "self defense" in Korea, Manchuria and Jehol.

Eight New Members "Tapped" by The Lions

"Thru blackest economic weather the Twentieth Century has seen, the Lions Club bounces thru with eight new members," we are told this week. "It shows what can be done, when the club makes up its mind to secure new members. Much credit is due to Captain Rasmussen and Captain Christenson who commanded the two teams. Captain Rasmussen's team won both the membership and attendance contests.

"Among the members 'tapped' Lions were Roy Wilcox, A.B.C. Oil Burner Co.; Lee Waite, North Shore Buick Co.; Dr. Earl D. Fritsche, dentist; K. J. Robinson, The Highland Park Auto Parts; Tom Kelly, pro at Sunset Valley Golf Club; Art Bock, Bock Service Station; Carl Anderson, of Highland Garage; V. W. Bridle, attorney; Arthur Swanson, A. H. Swanson Co., heating and plumbing, reinstated."

This club has been active in civic and social welfare in this community. It has supported drives sponsored by other organizations. Dorcas Home youngsters received baseball last summer and at present the club is helping in making some alterations that are necessary before the coming winter.

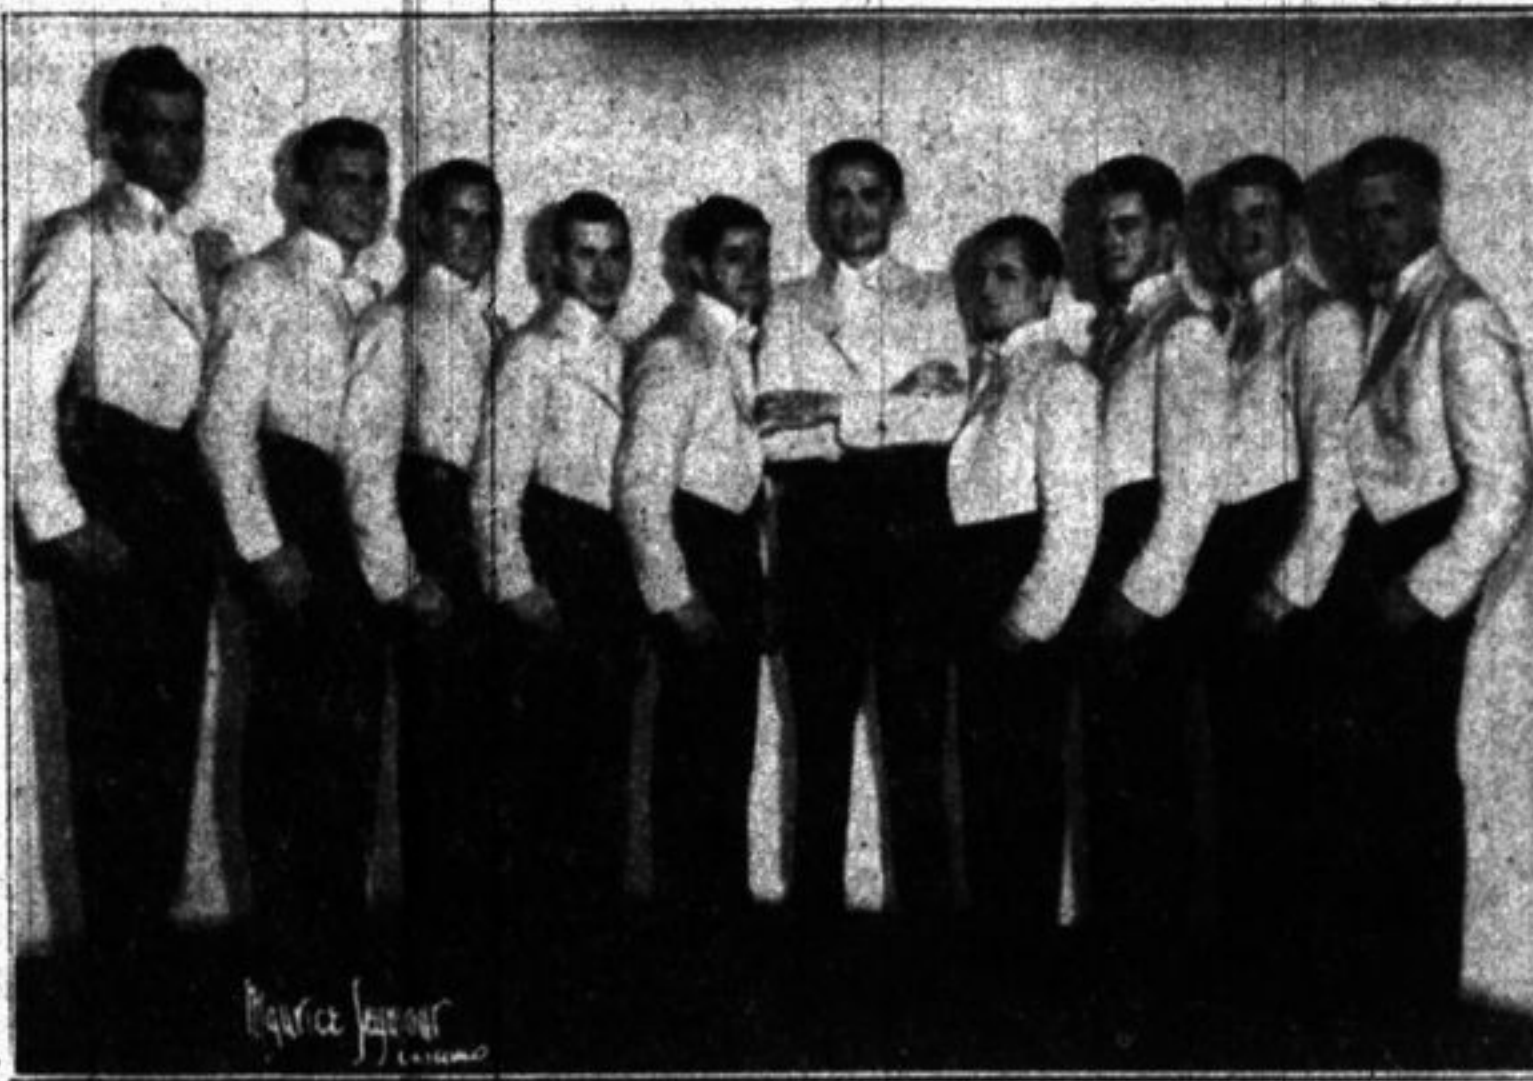

District Governor J. T. Schless of Lions International was the guest speaker for the day and gave a talk on what other Lions clubs are doing. He also congratulated the club on its fine membership increase, stating that they have a good chance to win the grand prize of this district with an increase of nearly 100 percent.

On Dec. 7, Prof. Ernest Johnson of Lake Forest College is going to talk on the present monetary condition of the country. This is going to be a very interesting talk, especially since it is of such importance. The members are requested to bring their guests to this meeting.

Garden Class to Meet at Home of Mrs. Phelps

A special meeting of the Community Garden Class of the Highland Park Woman's Club will be held on Friday, Dec. 8. The nature of this meeting will be a buffet luncheon at 1 o'clock p.m. at the home of Mrs. E. R. Phelps, 275 Prospect avenue. Members of the class are asked to check this date on their calendars and attend the meeting.

ORCHESTRA TO PLAY HERE FRIDAY

The annual Thanksgiving dance sponsored by the Social Service Department of the Highland Park Woman's Club will be held at the Clubhouse Friday evening, Dec. 1. Mrs. E. T. R. Murfey and the junior members are in charge of arrangements. Chuck Tesser and his Northwestern University orchestra will furnish the music. Composed entirely of Northwestern students, the orchestra had a last summer's engagement at the Jack O'Lantern Lodge, Eagle River, Wis.

Ravinia Players Will Use "Second Fiddle" To Open Their Season

The Ravinia Players' first production of this season will be presented Thursday evening, Dec. 7, at the Ravinia Village House. The play will be "Second Fiddle," a three-act comedy by Gernsey LePelley, president of the Ravinia Players for the last two years. Mr. LePelley is one of the founders of the Players, and is widely experienced in little theatres and playwriting. This is the first of his plays to be produced by his home group, but he has had four plays published by a national dramatic house.

An exceptionally brilliant cast has been chosen for "Second Fiddle." Vera Purdy plays the part of Joan Keeler, a girl who has married the wrong man, at the wrong time, under the wrong circumstances, and has thereby gotten everyone concerned into a bad situation. Harold Werple, the wrong man in the case, who has difficulties of his own, including being engaged to another girl, is portrayed by George Lake. This is Mr. Lake's first season with the Players, but he has entertained Highland Park and Ravinia audiences before in his comedy role in "At Madame Delguy's." He plays his comedy role as if it were written for him.

A brilliant supporting cast is headed by Enid Phillips, Harriette Golden and Dick MacPherson, all of whom are well known to the players of Highland Park. Miss Golden has been starring with the Garrick Players of Lake Forest College for the past two years and this is her return performance to Ravinia. Miss Phillips has starred in three of the Ravinia Players shows in the past two years, and Mr. MacPherson has played a variety of roles with the Players.

Others in the cast are Agnes Wright, playing the role of the society girl engaged to Harold; Ellen Truax and Jane Ashman playing as Minnie and Janet, two girls who help to complicate every situation they enter. Minnie is always upsetting the applecart and making things harder for the planners. Don Vaughan plays the part of Mr. Grouch who enters with a startling announcement changing the whole situation.

Officers Nominated By Infant Welfare

At the regular monthly meeting of the Highland Park-Ravinia Infant Welfare last Monday, the nominating committee presented the following as next year's officers:

President, Mrs. Elwood Low; first vice-president and chairman of sewing, Mrs. Rawson Marsh; second vice-president and chairman of publicity, Mrs. D. D. McCormick; recording secretary, Mrs. Mason Armstrong; corresponding secretary, Mrs. Truman Metzler; treasurer, Miss Hilda Kay; honorary board members, Mrs. Henry Vail and Mrs. John Glace; co-chairman of sewing committee, Mrs. Alfred T. Sihler; chairman of Thrift Shop committee, Mrs. Malcolm Vail; chairman of station workers, Mrs. William Ross; chairman of clerical workers, Mrs. Milton Hardacre, chairman of the luncheon committee, Mrs. Edwin Johnson Jr., Mrs. Bernard Newman, and Mrs. Robert Hill. The ticket was accepted unanimously.

Owing to the holidays next month there will be no meeting until the fourth Monday in January.

"The Little Princess" Will Be Given At Elm Place Saturday, Dec. 9

Rehearsals are in full swing at the Highland Park Woman's Club for the first children's play to be given in this community by local talent. The play, "The Little Princess," has all the dramatic elements that appeal to children of all ages. The little tots will enjoy the mystery and intrigue, the junior age will be fascinated by Sara Crewe's struggle and victories, and the adolescents will find real romance in the story. It was originally planned to present "The Little Princess" at the club house, but because of the interest expressed in a Highland Park children's theatrical production, the committee made arrangements to use the large Elm Place School auditorium on Dec. 9.

The part of Sara Crewe will be played by Mrs. Margaret Campbell Keillon; Mrs. Sally O'Neal Carr will play Becky the scullery maid; Helen Faher du Fam Pier, the cruel Miss Minchin; and Lois Brigham is Miss Minchin's assistant in her private seminary for girls in London. The girls in Miss Minchin's school are: Carol Baker, Mary Trigg Carry Waller Carr, Florida Maples Lasher, Hortense Eheling Schaaf, and Lonnie Payne Pearl. Mrs. Betty Silvers Rutherford will play Mrs. Carmichael, and her children will be played by three Highland Park youngsters: Alice Claghorn, Mirth Durbahn and Jack Roman. Virginia Scheuing Hindu, and Allen Lee of Wilmette will play the part of Mr. Carrisford.

The play is under the direction of Miss Dorothy Proesch of Evanston.

Sewing Room Started At The Social Service

The sewing room in connection with the Highland Park Social Service was started last week, and is now in full swing. The women devote three days a week to this work, and also enjoy a social time during the lunch hour, when lunch is given them through donations.

From now until Christmas, the main thing upon which they will be working is the dressing of dolls for the Christmas gifts to the poor. Anyone in Highland Park or vicinity who has any odd scraps of material which can be used for doll clothes will be filling a great need if she can give this material to these women to be made into dresses, etc. for the dolls. Dolls are also needed. Old dolls can be sent in or new can be purchased at the Dime Store for 20 cents apiece. Or if a cash donation toward dolls is made, this will also be very much appreciated. Anyone who may have any of these to donate will be doing a great favor by seeing that they are received at the Old City Hall, in care of Mrs. Gutman, as soon as possible.

The foremen are again doing their part for little children who are not so fortunately situated this year by remodeling old toys into new. If anyone has anything which it would be possible for them to make over, these donations may be left at the Fire Station as soon as possible and the men will be glad to see that they are taken care of and sent to the right places.

Mr. Mowrer's work has taken him to many parts of Europe and has given him a background of first-hand knowledge about persons and places seldom acquired by an American abroad. Employed by the Chicago Daily News, he will leave about the first of the year for the Orient.

Chicago Daily News Foreign Reporter To Tell About Germany

The lecture sponsored by the Highland Park group of the Illinois League of Women Voters — "Germany—Behind the Scenes" — will be given next Tuesday evening, Dec. 5, at the Elm Place School auditorium.

Edgar Ansel Mowrer, the lecturer, in his many years of newspaper experience abroad, has acquired a

THANKSGIVING BRINGS A FOOTBALL CLASSIC

Young Men's Club Teams of Lake Forest and Highland Park Meet, Farwell Field

The football classic of the North Shore this week will be the game between the teams of the Lake Forest and Highland Park Young Men's clubs, to be played Thursday morning at 10 o'clock at Farwell Field, Lake Forest.

Highland Park and Lake Forest are traditional rivals, and although the Parkers have had a slight edge over the Foresters in recent years, all meetings between the two elevens have been fierce battles and close contests.

Earlier this season, Highland Park defeated Lake Forest, 7-0, at the Deerfield Shields High School athletic field in Highland Park. If the winners of that game repeat their victory in Lake Forest Thursday, they will be recognized champions of the North Shore again this season. If, however, they are defeated by Lake Forest, a third game will be played at the high school field in Highland Park, probably on next Sunday, to settle the question of gridiron supremacy in this locality.

Both teams have had successful seasons. Last Sunday Lake Forest defeated the St. Anthony's "Bone-crushers" of Waukegan and Highland Park held the strong Shamrocks to a 3-0 count Wednesday night of last week at the 124th Field Artillery Armory in Chicago.

The Highland Park eleven is led this year by Ernest "Pug" Rentner, a former Northwestern University star, who is supported by a group of former college and high school luminaries.

The Lake Forest team has no outstanding performer — it is a well-balanced team of steady players.

Rentner and his men are all set to take the championship again this year, with two straight wins, but the Lake Foresters will have a sixty minute argument about that point.

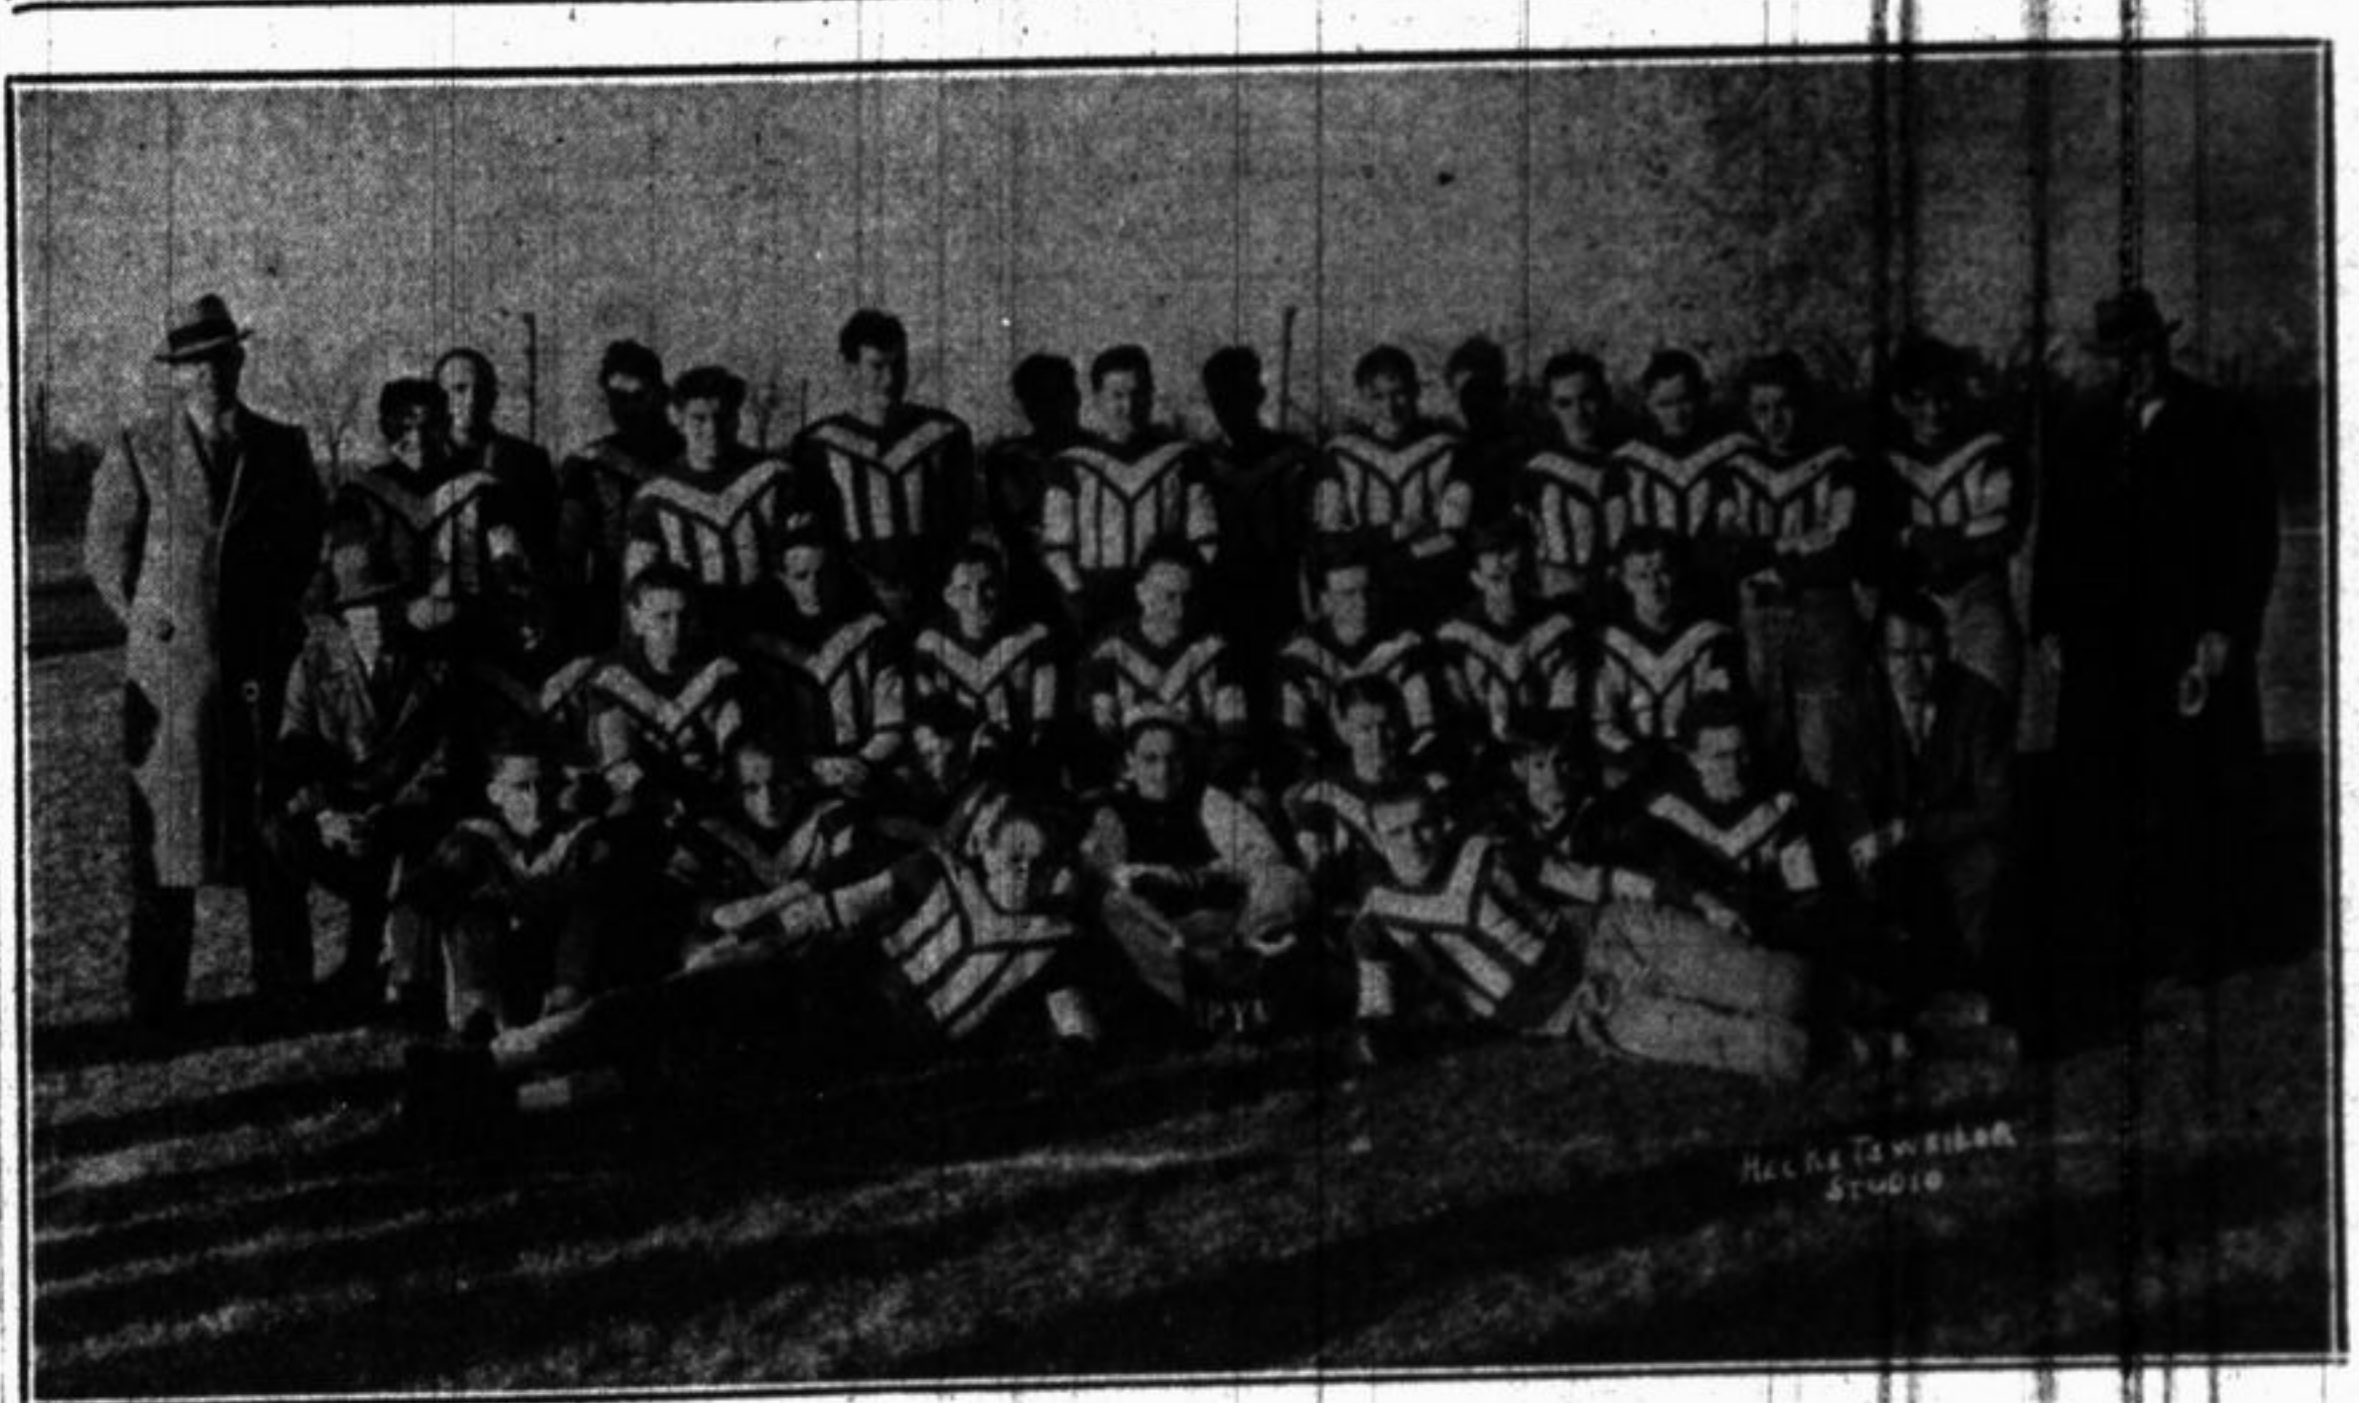

Thanksgiving Service Will Be Thursday at Presbyterian Church

The annual community Thanksgiving service will be held at the Highland Park Presbyterian Church on Thursday morning of this week at 10:30 o'clock. Dr. Henry S. Brown has been secured as the special speaker for the occasion. A very attractive worship service has been worked out with most of the pastors of the community having some part in the program.

The following churches are participating in this service: the Presbyterian, Bethany Evangelical, Trinity Episcopal, Evangelical Congregational, Swedish Methodist, Grace M. E. and St. John's Evangelical. An invitation has also been extended to the churches of Deerfield to join in with this annual event.

It has been customary to receive a special thank offering each year at the community Thanksgiving service. It has been decided to devote this year's offering to the Highland Park Hospital. Since the hospital is carrying on a great work and its needs are keen, we urge that a generous offering be given.
