Westbrook Pegler Is Now With Daily News

Westbrook Pegler moved the first the week, and newspaper readers

The News makes an enviable acquisition, and Pegler joins one of journalism's major league teams.

A metropolitan newspaper staff world crisis. Master of satire, contributes handsomely to the essenedian by keeping the audience happy loudest shirt ever seen in this part tial business of debunking, little caring whether his targets are autocrats or snoopocrats. He is national antidote for stuffed shirts.

> Shrewd insight, droll inconoclasm and good humor have made Pegler a personality through whom the public gains a fresh viewpoint. From prize fights to senatorial fillbusters, he cuts surely to the center of a subject, and one subject is a good as another for his following. It isn't what Pegler sees; it is ho he sees that matters.

On the News, Pegler will write about anything he happens to like or dislike. He becomes a notable addition to a brilliant staff. Thru Charles H. Dennis, Henry Justin Smith, Robert J. NEW FORD V.8 for 1934

UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V.8

BETTER PERFORMANCE. Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather-all these result from the new dual carburetor and dual intake manifold. New waterline thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

NEW VENTILATION SYSTEM permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through

this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvres, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors, in De Luxe bodies prevent glare from front or side.

FENDERS IN COLOR. On De Luxe cars fenders are in color to harmonize with body colors -wheel colors optional. New enamel finish on

all bodies and fenders has greater wearing quality and more enduring luster.

GREATER RIDING COMFORT results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving case of 15-to-1 steering gear ratio.

PRICES REMAIN LOW-Tudor Sedan, \$535. Coupe, \$515. Fordor Sedan, \$585. De Luxe Tudor, \$575. De Luxe Fordor, \$625. De Luxe Coupe (5 windows), \$555. De Luxe Coupe (3 windows), \$555.
