Tells How Men and Women Lose Fat

Safe Way is Wonderful

"I started to take Kruschen and my husband saw what I was doing and asked for some also. Would you believe it, he's lost 12 lbs. in 3 weeks and intends to keep up the good work. I've lost 14 lbs. I am now 130—I was 163. I think Kruschen is simply wonderful." Mrs. J. H. Valentine, Freeport, N. Y.

How would you like to safely and harmoniously lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

would you like to lose your double chin and your too prominent hips and abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales to-day and see how much you weigh—then get a jar of Kruschen Salts that costs not more than 25 cents and which will last you 4 weeks. Take one half teaspoonful in a glass of hot water every morning before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends, "One jar of Kruschen Salts is worth one hundred dollars of any fat person's money."

But refuse imitations—safeguard your health—you lose fat SAFELY with Kruschen. Leading druggists AMERICA over sell Kruschen Salts.

Start to-day to get that glorious Kruschen feeling—in youthfulness, ambition and activity and be free from constipation, gas, acidity and shortness of breath.

UNIFORMS ASSURED BY BENEFIT PERFORMANCES

Uniforms for the band are being materialized. The performances given at the Alcyon last Monday and sponsored by the Band Parents Organization, were the first in the movement toward buying needed uniforms for the band.

The feature picture starring George Arliss was usually interesting and the Alcyon acts worked out by the band were received enthusiastically by all the audiences.

The band wishes to express gratitude to Mr. Pearl for operation with them in their performances at the Alcyon to Miss Rinkenbergen for assistance in directing the acts; to David Stryker, Jaftford, Jean Pettis, Retta Bob Kruse, Ed West, Coles and Richard Merner, the of the ten piece dance orchestra Rosemary Garst for her "Night Owl" ray dance; Pfantstiel, Ray Carter, Able, and Jim Bell, for the "hick" act; to Bobby Woot, Stuart Galt, Milton Clarence Cameron, and for their German band; to Smith and Duane Cope for the new uniform at the performance to Mr. Finch for his assistance in helping to make performance a success. The of the Band Parents organization and of the Band are grateful to all those who participated in anyway in putting the benefit show. Those who tickets made a direct contribution toward new band uniforms those who spent time and effort tickets are as directly responsible for the start on the uniforms are those who bought the tickets.

The profits have not as determined, but from the already turned in, it seems uniform fund has been given.

Credit for the sale of tickets goes to Eric Sch sold over one hundred tickets is not a member of the band was so interested in it that he volunteered to help tickets.

The benefit performance the first of a series of interesting projects which the band to present. If the friends band continue to support, have done so far, the uniforms are those who bought the tickets.

To Speak at Lions Cap't Spencer of the U who is attached to the Conservation Corps, will be today (Thursday) at the meeting of the Highland Park Club at the Green Tea Pot.
