PEORIA. ILLINOIS

During the past 75 years, the distilled products of Hiram Walker & Sons have been favored with a wide popularity in the United States. Everywhere, the name of "Canadian Club" whisky is accepted as the symbol of quality in the highest degree.

The accomplishment of Repeal found Hiram Walker & Sons in the process of establishment on American soil as an American institution.

The people of this nation, we believe, crossed off the 18th Amendment because they regard Repeal as one of the great instruments for the return of national prosperity.

As the beginning of Hiram Walker & Sons' support of the effort working toward that objective, we are now erecting at Peoria, Illinois, the largest distillery ever built in the world, at an investment of \$4,000,000.

Until this huge project is completed, we have two temporary plants at Peoria, operating with every leisurely process which contributes to the traditional goodness of Hiram Walker products.

DISTRIBUTORS

Every year the Hiram Walker plant at Peoria will require millions of dollars' worth of American products. Farmers will find an annual dutlet for some 6,000,000 bushels of their grain. Mines will ship us 350 tons of coal per day. Bottles, boxes, labels, and so on, will be required each year by the millions.

When Hiram Walker & Sons' distillery, the largest one in the world, is completed, it will employ 1,000 workers at Peoria, Illinois, and many others in large wholesale branches throughout the country. Hiram Walker & Sons will pay into the Treasury of the United States, through collection of taxes, more than \$30,000,000 per year.

Quality is the basis on which the Hiram Walker business was founded in 1858. For 75 years it has been made the inflexible rule in every Hiram Walker process. It is the all-pervading principle of the new American business now in its beginnings. Your guarantee of quality and purity which you can trust is the Hiram Walker name, favorably known the world around.

"CANADIAN

Today, "Canadian Club" whisky -each bottle bearing a governi ent stamp to indicate its age and purity—and all other Hiram Walker products can be purchased wherever the law permits liquor to be offered for sale-but not elsewhere with our knowledge or consent. Thus we pledge ourselves to sincere co-operation in the strict observance

of the spirit as well as the letter of the law, and the temperate use of our products.
