## BONDHOLDERS MEET AT CITY HALL HERE

Mayor Metz, H. M. Florsheim Explain Situation In This Community

Eighty-five holders of Highland Park special assessment bonds answered the invitation of the Bondholders' Protective Committee and attended the meeting at the City Hall Thursday evening of last week.

The meeting was opened by Mayor E. B. Metz, who acted as chairman. Mayor Metz outlined in a very comprehensive way the situation facing the bondholders and the taxpayers, and expressed deep sympathy with all holders of special assessment bonds. He stated that the city would do everything possible to co-operate with the committee, and hoped the committee would be successful in curbing the "tax slackers."

The Mayor introduced Harold M. Florsheim, the chairman of the Bondholders' Protective Committee, and Mr. Florsheim read a prepared statement outlining the steps already taken by the committee and the reason for the creation of the committee. He stated quite definitely that the policy of the committee was not to deprive home owners of their property when they were unable to pay, but that we had many evidences of unwillingness to pay on the part of large subdividers, especially those subdividers coming from outside of Highland Park, whose sole purpose was to subdivide the property, install improvements, and then sell the property out at a profit to themselves, and that while this was a perfectly legitimate business, yet it was not up to the bondholders to virtually carry this property for the subdividers and then permit the subdividers to make the profit on the property when conditions improve. He pointed out very definitely that if the bondholders co-operated, that foreclosure suits would be brought against these large tracts of land controlled by former subdividers.

Mr. Florsheim was followed by former Mayor Lewis, who outlined definite situations which the committee had investigated and instances where the committee felt definitely that the owners of the property could pay the special assessments if forced to do so. It was pointed out that the committee already has about \$325,000 bonds deposited and pledged, but that a much larger amount is necessary. It was made very clear that unless more bonds were deposited within the near future, that the committee would drop the entire matter and return the bonds already deposited. The committee has been working on the situation for some months, and this meeting was to climax their efforts, and it is hoped that it would be definitely shown in the very near future whether the committee was to proceed with their plans or drop their efforts.

At the close of the meeting a motion was made by H. T. Adamson of this city, who was attending the meeting as a bondholder, that everyone present stand in a rising vote of thanks to the committee for the work which they have done thus far, and many individuals spoke from the floor, stating that they would not deposit their bonds. J. M. Appel, president of the Highland Park State Bank, outlined his views on the situation, and stated that if he were a bond owner, he would deposit his bonds with the committee. Several city officials were also present at the meeting.

## Christmas Programs at Church Announced

The special Christmas programs given by the Sunday school and the choir of the First United Evangelical Church will be held on Friday and Sunday evenings respectively.

"The birth of our Saviour was celebrated with hallelujahs by the heavenly host in the air above. All parts of creation, excepting man, honored Him as their Creator. What a privilege for all to worship, adore and honor Him Who is worthy of it all. He came to die for sinful man and now lives in the glory as our High Priest and is some day coming again as King," Rev. F. Brand-feller says.

## Junior Auxiliary To Have Party Dec. 28

The Junior Activity Group of the American Legion Auxiliary of Highland Park will have a card and bunco party next Thursday evening, Dec. 28. The adults will play cards and children will play bunco. Prizes will be awarded, and refreshments will be served.

## "Alice in Wonderland" To Be Presented Next At Children's Theatre

"Alice in Wonderland," the famous classic by Lewis Carroll, is to be presented soon after the holiday season by the Children's Theatre of the Y.W.C.A. under the direction of Miss Catherine Marie Geary.

Casting for this the second production has been completed, and rehearsals are well under way for what promises to be the outstanding performance of this first season of our local children's theatre.

The book has been studied from every angle and the adaptation is true to the book in every detail, as well as every character being particularly suited to his part. The costumes are to be done according to the original Tenniel illustrations and the music for the entire production is in charge of Miss Marjorie Lynch of the Green Bay Road School faculty, who is particularly adept in this field and in the composition of characteristic folk songs.

## Ravinia School Will Observe Christmas With Two Programs

Christmas will be celebrated at the Ravinia School Thursday evening and Friday morning. Christmas carols, which the parents are cordially invited to hear, will be sung by the upper grades Thursday night at 7:30 in the Village House. These will be followed by tableaux depicting "Christmas in Many Lands" given by the children. Friday morning at 11 o'clock the younger children will have their carols in the Village House and mothers and fathers are invited to come and join them. The school vacation begins this Friday at 2:30 p.m. and school will reopen the morning of Jan. 8, 1934.

Ice skating is being made possible this year at Ravinia by the Parent-Teacher Association. C.W.A. workers have done the labor in getting the rink ready and the Parent-Teacher Association has contributed the lumber, plumbing fixtures for flooring the rink, warming house and lighting fixtures. The cost of maintaining the rink, however, will make it necessary for a small season charge to be made for each skating family. Residents outside of Ravinia will be charged an admittance fee. The rink is all ready done, due to the energy of Mrs. McDonald, president of the Parent-Teacher Association, Mr. Copp, the athletic director, and Frank Venning. It only needs cold weather to bring out all the skaters from all the Ravinia attics and basements. Those who find their skates don't fit may take advantage of the community skate exchange where skates may be turned in and resoled. Call either Mrs. F. W. McDonald, H. P. 3960, or Mrs. Stokes, H. P. 2626.

## Adult Education Will Resume After Holidays

The Lincoln School adult education classes are closing for three weeks during the holidays, resuming Jan. 16. At that time Dr. John H. Sherman will deliver his third lecture to the discussions group, the subject being "What Is Money."

The art, pottery, metal work and manual training groups are continuing their splendid work.

"This week we had a lively two-hour discussion of Dr. Sherman's last lecture, 'Causes of the Economic Depression.' Mrs. Weinberg led the discussion, and several reported on reading matter prepared on this subject. Watch for announcement preceding opening on Jan. 16," we are told.

"All interested are welcome to join with us. For further information call Mrs. J. Hoffman, H. P. 4367."

## Lucile's Lingerie Shop Open On Sheridan Road

Lucile's Lingerie Shop, a new Highland Park store, has opened at 36 North Sheridan Road, in the location formerly occupied by the Highland Park office of the Illinois Bell Telephone Company.

Lucile's Lingerie Shop will carry a complete line of lingerie and negligees.

## A Poem

A living little fir was brought tenderly into a home, and on its topmost frond was placed  
 A star, a star alone.  
 Elated was this baby tree so brave in silver bright;  
 To know that he, in infancy could blaze—the Holy Night.  
 M. R. Beatty.

The Highland Park Press

Wishes Its Readers

A Merry Christmas

## PLEA FOR CHRISTMAS BASKETS MADE HERE

Social Service Will Aid In Distribution Of Food To Local Needy

A joint meeting of the policy committees of the Highland Park and Highwood Social Service committees was held on Monday night, Dec. 18, for discussion and decision on whether or not Christmas baskets or additional food would be furnished by these committees to the needy. After some thought on the subject it was voted that the committees would act as a clearing house for people who would like to share their Christmas with those more needy than themselves and would like to give food for a Christmas dinner to another family.

The Social Service committees have money only for emergencies this year as there has been no drive in either town for funds to carry on their work. If anyone cares to give a basket or any articles of food for the Christmas season, a joint committee of the Highland Park and Highwood Social Service will give names of needy people or will prepare baskets from food sent in to 549 Central Avenue, the old city hall. Volunteers will deliver.

Single men, and those considered as such because their families are not in this country, on the relief rolls as of Dec. 16, may upon request receive a ticket for a restaurant dinner on Christmas day. The allotment for a single man on the Illinois Emergency Relief Commission being only \$8 a month does not provide any extras. Any donations for this fund will be gratefully received.

## Royal Neighbors Will Have Christmas Party On Wednesday, Dec. 27

Highland Park Camp of Royal Neighbors are to hold their annual Christmas party on Wednesday evening, Dec. 27, at the Masonic Temple, at 8:30 o'clock. This party is for all members and their juveniles, and it is hoped that all will attend, and also bring gifts for the juveniles. A short business meeting will be held at 7:30 p.m.

At the last meeting of the Royal Neighbors, election of officers was the order of the evening. The following officers were elected to serve for the year 1934, and will be installed the fourth Wednesday in January:

Oracle, Mrs. Florence Welch; vice-oracle, Mrs. Edith Woodbury; past oracle, Mrs. Margaret Marino; chancellor, Mrs. Mabel Duffy; recorder, Mrs. Annie Vander Bloomer; receiver, Mrs. Helen Hayward; flag bearer, Miss Gen Watkins; marshal, Mrs. Florence Yager; assistant marshal, Mrs. Ida Carlson; inner sentinel, Mrs. Josephine Gerken; outer sentinel, Mrs. Bertha Bonson; faith, Mrs. Paul Malman; courage, Mrs. Irene Fitch; modesty, Mrs. Doris Lyle; unselfishness, Miss Mae Hanson; endurance, Mrs. Johnson; captain of drill team, Mrs. Edna Watkins; musician, Mrs. Elizabeth Worth.

## Trinity Church Will Have Special Services

This year, as in the past, the children of Trinity parish will have their candle light service in the church on Sunday, Dec. 24, at 4 o'clock. At this service of the Feast of Lights the Advent offering will be presented.

At 11 o'clock on the same day, Christmas Eve, there will be the Midnight Eucharist. This will be a choral service and the music will be sung by the volunteer choir of Trinity Church under the direction of Ralph Anschuetz, choirmaster and organist.

The services on Christmas Day are at 7:30 and 10:30 o'clock in the morning. The 7:30 service will be a plain celebration of the Holy Communion and at 10:30 o'clock there will be a choral celebration.

## Briergate Community Christmas Carol Tree Is Stolen By Vandals

Plans for a delightful Christmas carol sing at Briergate Community have been spoiled by vandalism—someone has stolen the community's Christmas tree!

Early last fall a beautiful tree was planted in the "triangle" by the Briergate Community Club. Shrubbery was also planted, in anticipation of the holiday season, when it was planned to decorate the tree and shrubbery, and hold a carol sing there on Christmas eve.

The tree and shrubbery were beautiful—until one recent night. Briergate citizens awoke one morning to view the place where the tree had been—someone had cut it down. It had been sawed off, and nothing but the stump remained.

It is supposed that the tree was cut down for commercial purposes—for sale in Chicago, perhaps. Other trees in the Briergate community also suffered the same fate.

But the Briergate citizens will have their carol sing, anyway. A temporary tree will be placed on the site of the other one, and the Christmas eve program will be held as planned.

## D.A.R. Better Films Committee Review

Big Executive, featuring Richard Bennett and Ricardo Cortez is seen for the last time tonight, Thursday, Dec. 21. Struggle between financial giants, old conservative and young firebrand. Age wins and crushes youth. Rather cordial atmosphere of money getting, with little relief except Mr. Bennett's fine character-portrayal.

Friday and Saturday, Dec. 22-23, Lionel Barrymore in One Man's Journey. A human story glorifying the country doctor, his one ambition to serve in poor community. Barrymore appealing and convincing. May Robson good as the understanding housekeeper. D. A. R. censures one scene as doubtful for youth, otherwise excellent picture.

Sunday, One Day Only, Dec. 24, Moonlight and Pretzels, with Roger Ungor and Mary Brian. Exceptional musical comedy of back-stage life, well acted, fast tempo, much character interest and good camera technique.

Monday, Tuesday, Wednesday, Dec. 25-26-27, Broadway to Hollywood, with Alice Brady, Frank Morgan, well acted, convincing picture of stage-life in best vaudeville traditions, as lived by the "Hatchetts," the sentiments, joys and sorrows, father, mother, son, grandson, with struggles and triumphs.

## Miss Grace Glidden, Dr. A. R. Sheldon Wed

Announcement has been made of the marriage of Miss Grace Glidden, of Waverly Road, Highland Park, daughter of the late Henry H. Glidden, to Dr. Albert Rufus Sheldon, also of Highland Park, which took place at the bride's home last Friday.

The wedding was quite small, and Dr. and Mrs. Sheldon are now at home at Mrs. Sheldon's residence. The bride is a sister of Henry Leonard Glidden, who is living in New York this winter, and of Jay S. Glidden, of Highland Park.

## Presbyterian Church to Have Special Music

On Sunday, Dec. 24, the Highland Park Presbyterian Church will have special music at the 11 o'clock morning service. Dr. Sleeter of Lake Bluff and H. N. Finch of Highland Park will play a flute duet for special offertory music. The regular quartet will be enlarged to seven voices.

A very hearty welcome is extended to all those having no church home in Highland Park. This is family month in the church.

## Lincoln P. T. A. Will Meet This Evening

The Lincoln School Parent-Teacher Association will meet this evening (Thursday) at 7:45 p.m. for the December meeting.

## Y. M. CLUB TO PLAY SHAMROCKS TONIGHT

Last Saturday Night's Game Postponed Because Of Benefit Boxing

The Highland Park Chicago Shamrock football game, originally scheduled for last Saturday, will be definitely played tonight (Thursday) at the 124th Field Artillery Armory, 52nd and Cottage Grove Avenue, Chicago. The kickoff will take place at 8:30 p.m.

The management of the Highland Park Young Men's Club, as well as the players, deeply regret that so many fans who had planned to see this game last Saturday, were disappointed at the last minute. However, this postponement was no fault of theirs. A benefit boxing show for the needy of South Chicago was also being staged at the Armory last Saturday under the auspices of some political organization, when conflict arose between the use of the football arena and the armory gymnasium where the boxing show was originally intended to be held.

The additional time has given both teams an opportunity to gauge their relative strength and from all indications the fans will be treated to another thrilling game. Coach Fred Gilles will use an all-star lineup with several new "umiraries in the backfield consisting of Taylor, Saluski and Opasik who with the brilliant work of "Pug" Rentner should enable the team to accomplish far greater results in offensive playing than heretofore. It might be of interest to many Highland Park fans to note that both Saluski and Opasik played on the shamrock side when Highland Park opposed the Shamrocks last time.

To the front line has been added another tower of strength in the person of Dick Smith who played during the past season with the Philadelphia Eagles. Smith will play center alongside of Hills, Bodman, Hall, Foreman.

This game will be the final one for both Highland Park and the Shamrocks. Reserved seats may be obtained until 5 p.m., Thursday, at Gsells, Highland Park Pharmacy, or Bock's Service Station.

## Musical Hit Will Be Shown At the Alcyon

Ricardo Cortez, the dardevil of romance and finance in the picture "Big Executive" is showing at the Alcyon tonight for the last time. Richard Bennett and Elizabeth Young are also in the cast.

Lionel Barrymore appears in "One Man's Journey" on Friday and Saturday of this week. The story tells of the quiet heroism of the country doctor who goes about his work without the glory, and frequently without pay. Barrymore gives a beautiful and impressive performance.

"Moonlight and Pretzels," featuring Mary Brian and Leo Carrillo, has many radio favorites and fifty of New York's most beautiful show girls in it. A smashing musical hit, to be shown on Sunday, December 24 only.

Next Monday, Tuesday and Wednesday Alice Brady and little Jackie Cooper will appear in "Broadway to Hollywood" with Schanzele Durante and Midge Evans included in the cast. There will be a continuous performance on Christmas day beginning at 2:30 p.m.

## WORTH WHILE THOUGHTS

We sometimes wonder about the many different forms of faith and worship.

Usually our own form of faith or worship was learned in childhood. If we had been born to other parents who belonged to another church, we would probably now be in that other church.

That's a reason for tolerance towards all forms of faith and worship.

A more important reason is that all forms of Christian worship have much in common. The more vital matters of Christian living are found in all Christian faiths.

Foremost is our belief in peace and goodwill towards all mankind—which includes tolerance and friendship for all others regardless of their form of religious worship.

Application of this idea in business is that of serving all customers with equal zeal for their satisfaction.
