Highwood Boosters in Victory Over Legion

In their first game of the season the Highwood Boosters basketball team were victorious over the Highwood American Legion by a score of 29 to 12 in a hard fought game last week.

The first quarter was very close and thrilling, neither team being able to outscore the other. However during the second quarter the Legionnaires began to show signs of weakening, and although they attempted to retain their former level they were unable to curb the Boosters from scoring and winning. Conroy and Scabby did most of the scoring for the Boosters while Maestri did a very good job as a floorman and guard.

Four new men were seen in Booster uniforms—Baruffin, Somers, Ori, and Notagiaco. These four were ex-Legionnaires who are now playing for the Boosters.

The Boosters came on the floor in beautiful red sweat shirts and sweat pants. These were donated by Domenic Sherny, hardware store owner on Railway Avenue in Highwood, given by Mr. Sherny because of his interest in sports and to aid it along.

The Highwood Pirate Girls defeated the Highland Park Wildcats in a thrilling opener. The Wildcats showed keen competition, during the first quarter, but the Pirates, an experienced, as well as undefeated team in the 1932-33 season, gave them a decided edge. The best performer for the winners was Janet Baldini, while Francis Klein starred for the losers.

Tonight, Thursday, Dec. 21, the Highwood Boosters will play the strong Jacksonville deaf and dumb stars. The game will be held at the Oak Terrace School, the first game beginning at 7 p.m.

Deerfield Auxiliary Hold Meeting Monday

A regular monthly meeting of the Deerfield American Legion Auxiliary was held at the home of Mrs. Clarence Huhn on Monday evening, Dec. 18.

A program of entertainment composed of local talent, has been outlined by the rehabilitation chairman to be presented at Hospital 105 at North Chicago, on Wednesday, Dec. 20. The unit will send an assortment of Christmas candy to the boys.

Through the united efforts of the Dumasq Spencer Unit of Highland Park and the Deerfield Unit, each child at Dorcas Home will be presented with a useful gift at Christmas time.

The community service chairman, Mrs. Marshall Pottenger, made an appeal for used clothing which her committee will distribute to needy in the community. During these winter months the need is very great especially for children's clothing. Persons having any clothing that is no longer in use are urged to call Mrs. Pottenger or bring it to the January meeting.

After the business meeting, members listened to an informal talk by Mr. Awtry, in charge of the occupational therapy department at Hospital 105. An account of occupational therapy, its origin and value in treatment of mental diseases was given. The importance of employment, especially manual labor out of doors was emphasized. "Many veterans received injuries in the war which incapacitated them in their former trades. Occupational therapy teaches them new ways in which to earn a livelihood, according to their ability to do so," they were told.

Francis Earnest, son of Mr. and Mrs. F. H. Earnest of Rosemary Terrace, will arrive home Dec. 23 from St. Josephs College in Indiana to spend the Christmas holidays.

Mrs. Hans Bahr entertained her bridge club at a Christmas party Wednesday evening at the home of her parents, Mr. and Mrs. Erwin Greer.

Chicago Grand Opera Company Will Begin Season on Dec. 26

North Shore music lovers are showing much interest in the forthcoming five week season of opera, to be produced by the Chicago Grand Opera Company at the Civic Opera House beginning Dec. 26. The famous stars of many seasons, plus newly discovered voices, ballet, and all the appurtenances of opera in its ultimate form, will be forthcoming. The elaborate scenery and costumes of the civic opera company have been loaned to the new company. A board of directors has been formed to aid the opera, and more than half of this distinguished group are residents of the north shore.

The announcement is made doubly pleasing to the public when it is shown that the admission prices in the Chicago Grand Opera productions will be just half of that charged a few years ago.

North Shore Yacht Club Accepts Constitution

At a recent meeting of the North Shore Yacht Club at the boat house in Highland Park, the members accepted a constitution prepared for them by a committee for that purpose. At a meeting two weeks before the constitution was presented it was necessary to make several minor changes before the entire club would agree upon it.

After the business of the meeting was over Frank (Bud) Garrity, a charter member, told of a cruise, from which he recently returned, from New York to Seattle, including stops at Cuba, Central America, San Diego, and San Francisco.

The talk was especially interesting to members of the Yacht Club because it had to do with sailing and seamanship in which they are all interested.—North Shore Sports Review.

Deerfield Women Enjoy Book Review

Members of the Deerfield Woman's Club enjoyed an afternoon of book reviews by three members of the club Tuesday afternoon, Dec. 12.

Mrs. Chester Wolf, local librarian, said that October and November have been swamped with new books and from these she chose eight fiction and four non-fiction which she discussed in a highly proficient and humorous manner.

Mrs. Walter B. Metcalf's review of "We Move in New Directions" by

Harry Overstreet was much appreciated. She brought out the main points of the book, namely, that there is a hard wind of new ideas blowing and that our nation is coming to a new birth and a new adjustment, economically, culturally, and spiritually.

Mrs. Carl E. Bates chose as her book, "Oil for the Lamps of China" by Alice Tisdale Hobart, first, because it is a best seller and, second, because the author, sister taught in the local school five years ago.

Due to illness of the president, Mrs. Robert L. Johnson, Mrs. C. W. Boyle presided at the meeting.

WE WISH to express our appreciation to our friends for their patronage during the past year.

We wish you a Merry Christmas and a Prosperous New Year.
