**LOCAL TEAM BEATS CHICAGO SHAMROCKS**

Highland Park Young Men's Club Football Eleven Victorious, 19-0

Several hundred fans traveled to Chicago last Thursday night to witness the 19-0 victory of the Highland Park Young Men's Club football eleven over the Chicago Shamrocks. This game proved to be the most thrilling one of the past season for the North Shore champions at the same time resulted in the most disastrous defeat for Shamrocks during the past year.

During the first half, the Highland Park team was rather sluggish with no side making any score. The Shamrocks managed to get deep Highland Park territory on two occasions during these two periods but failed to take advantage of scoring position. Pug Rentner of 40 yards in the second period the outstanding achievement of Highland Park team during the half.

However, at the start of the second half the Highland Park team took on a new lease of life. Coach Gilles told the boys never halves is still a mystery fireworks was started by "Goalie" Les Allens who kept on being repeatedly through the line successive plays until the ball was within the 10-yard line and they were in an uproar. A beautiful run by Pug Rentner accounted Highland Park's first touch which was sufficient to settle argument for the evening.

Not content with making one touchdown, the entire team proceeded to repeat their tactics after next kickoff and played football raging demons until the ball again deep in the Shamrocks territory from which point Pug Rentner jogged across the goal line for second touchdown. The Sham team was demoralized and Highland Park fans in the stands were in a frenzy. A game was drawing to a close and Highland Park launched a passing attack which resulted in the third and touchdown as the result of fine work on the part of Art Saluski and Rentner. Final 19-0.

The work of the line in this is deserving of the highest commendation. The addition of Dick playing center, alongside of regulars as Hall, Bodman, Stipe, Foreman, Weil and Book not go by unheeded. It was grand close to a grand season.

**WORTH WHILE THOUGH**

"I resolve to make no resolutions."  
"That's one I can laugh at a friend of ours."  
He then went on to say that something more important than that is to haul out the pages of a fellow's life on New Year's Day and brighten it up in his mind so that it will better us during the coming year because it's the person with a purpose in life that accomplishes worth-while things.

A purpose in life guides business. Just as a business policy guides business.

He said that he thought New Year's Day a good time to hold of a life's purpose if it hasn't got one—to help make more of a success.

Our purpose in business is to be more successful by serving you better and better.
